

RCW 66.28.300 Three-tier system—Undue influence—Determination by board. Any industry member or retailer or any other person seeking a determination by the board as to whether a proposed or existing financial interest has resulted or is more likely than not to result in undue influence or has resulted or is more likely than not to result in an adverse impact on public health and safety may file a complaint or request for determination with the board. Upon receipt of a request or complaint the board may conduct such investigation as it deems appropriate in the circumstances. If the investigation reveals the financial interest has resulted or is more likely than not to result in undue influence or has resulted or is more likely than not to result in an adverse impact on public health and safety the board may issue an administrative violation notice or a notice of intent to deny the license to the industry member, to the retailer, or both. If the financial interest was acquired through a transaction that has already been consummated when the board issues its administrative violation notice, the board shall have the authority to require that the transaction be rescinded or otherwise undone. The recipient of the administrative notice of violation or notice of intent to deny the license may request a hearing under chapter 34.05 RCW. [2009 c 506 § 5.]
