

RCW 70.114A.110 Cherry harvest temporary labor camps—Rule making—Definition—Conditions for occupation—Application. (1) The department and the department of labor and industries are directed to engage in joint rule making to establish standards for cherry harvest temporary labor camps. These standards may include some variation from standards that are necessary for longer occupancies, provided they are as effective as the standards adopted under the Washington industrial safety and health act, chapter 49.17 RCW. As used in this section "cherry harvest temporary labor camp" means a place where housing and related facilities are provided to agricultural employees by agricultural employers for their use while employed for the harvest of cherries. The housing and facilities may be occupied by agricultural employees for a period not to exceed one week before the commencement through one week following the conclusion of the cherry crop harvest within the state.

(2) Facilities licensed under rules adopted under this section may not be used to provide housing for agricultural employees who are nonimmigrant aliens admitted to the United States for agricultural labor or services of a temporary or seasonal nature under section 1101(a)(15)(H)(ii)(a) of the immigration and nationality act (8 U.S.C. Sec. 1101(a)(15)(H)(ii)(a)).

(3) This section has no application to temporary worker housing constructed in conformance with codes listed in RCW 19.27.031 or 70.114A.081. [2002 c 23 § 1; 1999 c 374 § 5.]
