Any public hospital capital facility area may contract or join with any public hospital district, publicly owned hospital, nonprofit hospital, legal entity, or individual to acquire, own, operate, manage, or provide any hospital or other health care facilities or hospital services or other health care services to be used by individuals, districts, hospitals, or others, including providing health maintenance services. The governing body of the legal entity must include representatives of the public hospital capital facility area, which representatives may include members of the public hospital district's board of commissioners.
