

RCW 77.12.860 Stamp design—Department's rule-making authority.

The department is granted the authority to establish by rule the method for selecting appropriate designs for the Washington salmon stamp program and Washington junior salmon stamp program. The stamp shall be designed and produced in accordance with department rules. [1999 c 342 § 7.]

Finding—1999 c 342: See note following RCW 77.12.850.
