(b) (i) The director may establish a program for training persons in the safe handling of firearms, conservation, and sporting/hunting behavior and shall prescribe the type of instruction and the qualifications of the instructors. The director shall, as part of establishing the training program, exempt the following individuals from the firearms skills portion of any instruction course completed over the internet:

(B) Current or retired general authority Washington peace officers as defined in RCW 10.93.020;

(ii) The director may cooperate with the national rifle association, organized sports/outdoor enthusiasts' groups, or other public or private organizations when establishing the training program.

(c) Upon the successful completion of a course established under this section, the trainee shall receive a hunter education certificate signed by an authorized instructor. The certificate is evidence of compliance with this section.

(d) The director may accept certificates from other states that persons have successfully completed firearm safety, hunter education, or similar courses as evidence of compliance with this section.

(2) (a) The director may authorize a once in a lifetime, one license year deferral of hunter education training for individuals who are accompanied by a nondeferred Washington-licensed hunter who has held a Washington hunting license for the prior three years and is over eighteen years of age. The commission shall adopt rules for the administration of this subsection to avoid potential fraud and abuse.

(b) The director is authorized to collect an application fee, not to exceed twenty dollars, for obtaining the once in a lifetime, one license year deferral of hunter education training from the department. This fee must be deposited into the fish and wildlife enforcement reward account and must be used exclusively to administer the deferral program created in this subsection.

(c) For the purposes of this subsection, "accompanied" means to go along with another person while staying within a range of the other person that permits continual unaided visual and auditory communication.

(3) To encourage the participation of an adequate number of instructors for the training program, the commission shall develop nonmonetary incentives available to individuals who commit to serving as an instructor.
