

**RCW 80.28.290 Compressed natural gas—Refueling stations—Identify barriers.** The commission shall identify barriers to the development of refueling stations for vehicles operating on compressed natural gas, and shall develop policies to remove such barriers. In developing such policies, the commission shall consider providing rate incentives to encourage natural gas companies to invest in the infrastructure required by such refueling stations. [1991 c 199 § 217.]

**Finding—1991 c 199:** See note following RCW 70A.15.1005.

**Effective dates—1991 c 199:** See RCW 70A.15.9003.
