

RCW 2.53.005 Findings. The legislature finds that the provision of civil legal aid services to indigent persons is an important component of the state's responsibility to provide for the proper and effective administration of civil and criminal justice. The legislature further finds that state-funded legal aid services should be administered by an independent office of civil legal aid located within the judicial branch and subject to formal continuing oversight that includes bipartisan legislative representation. [2005 c 105 s 1.]
