

**RCW 9.45.260 Fire protection sprinkler system contractors—
Wrongful acts.** Any fire protection sprinkler system contractor,
defined under RCW 18.160.010, who willfully and maliciously
constructs, installs, or maintains a fire protection sprinkler system
in any structure so as to threaten the safety of any occupant or user
of the structure in the event of a fire, is guilty of a class C
felony. This section may not be construed to create any criminal
liability for a prime contractor or an owner of a structure unless it
is proved that the prime contractor or owner had actual knowledge of
an illegal construction, installation, or maintenance of a fire
protection sprinkler system by a fire protection sprinkler system
contractor. [1992 c 116 s 1.]
