

RCW 18.71.003 Declaration of purpose. This chapter is passed:

(1) In the exercise of the police power of the state to protect public health, to promote the welfare of the state, and to provide an adequate public agency to act as a disciplinary body for the members of the medical profession licensed to practice medicine and surgery in this state;

(2) Because the health and well-being of the people of this state are of paramount importance;

(3) Because the conduct of members of the medical profession licensed to practice medicine and surgery in this state plays a vital role in preserving the health and well-being of the people of the state; and

(4) Because the agency which now exists to handle disciplinary proceedings for members of the medical profession licensed to practice medicine and surgery in this state is ineffective and very infrequently employed, and consequently there is no effective means of handling such disciplinary proceedings when they are necessary for the protection of the public health.
