

**RCW 48.31B.005 Definitions.** The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Affiliate" means an affiliate of, or person affiliated with, a specific person, and includes a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

(2) "Commissioner" means the insurance commissioner, the commissioner's deputies, or the office of the insurance commissioner, as appropriate.

(3) "Control," including the terms "controlling," "controlled by," and "under common control with," means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract other than a commercial contract for goods or nonmanagement services, or otherwise, unless the power is the result of an official position with or corporate office held by the person. Control is presumed to exist if any person, directly or indirectly, owns, controls, holds with the power to vote, or holds proxies representing, ten percent or more of the voting securities of any other person. This presumption may be rebutted by a showing made in a manner similar to that provided by RCW 48.31B.025(11) that control does not exist in fact. The commissioner may determine, after furnishing all persons in interest notice and opportunity to be heard and making specific findings of fact to support such determination, that control exists in fact, notwithstanding the absence of a presumption to that effect.
