

RCW 68.64.210 Organ and tissue donation awareness account. (1)

The organ and tissue donation awareness account is created in the custody of the state treasurer. All receipts from donations made under RCW 46.16A.090(2), and other contributions and appropriations specifically made for the purposes of organ and tissue donor awareness, shall be deposited into the account. Except as provided in subsection (2) of this section, expenditures from the account may be authorized by the director of the department of licensing or the director's designee and do not require an appropriation.

(2) The department of licensing shall submit a funding request to the legislature covering the reasonable costs associated with the ongoing maintenance associated with the electronic transfer of the donor information to the organ and tissue donor registry and the donation program established in RCW 46.16A.090(2). The legislature shall appropriate to the department of licensing an amount it deems reasonable from the organ and tissue donation awareness account to the department of licensing for these purposes.

(3) At least quarterly, the department of licensing shall transmit any remaining moneys in the organ and tissue donation awareness account to the foundation established in RCW 46.16A.090(2) for the costs associated with educating the public about the organ and tissue donor registry and related organ and tissue donation education programs.

(4) Funding for donation awareness programs must be proportional across the state regardless of which Washington state organ procurement organization may be designated by the United States department of health and human services to serve a particular geographic area. No funds from the account may be used to fund activities outside Washington state. [2010 c 161 s 1157; 2003 c 94 s 7. Formerly RCW 68.50.640.]
