

RCW 70.175.070 Cooperation of state agencies. (1) The secretary may call upon other agencies of the state to provide available information to assist the secretary in meeting the responsibilities under this chapter. This information shall be supplied as promptly as circumstances permit.

(2) The secretary may call upon other state agencies including institutions of higher education as authorized under Title 28B RCW to identify and coordinate the delivery of technical assistance services to participants in meeting the responsibilities of this chapter. The state agencies and institutions of higher education shall cooperate and provide technical assistance to the secretary to the extent that current funding for these agencies and institutions of higher education permits.
