131-16-021	Employees eligible to participate in retirement annuity purchase plan.
131-16-450	Exceptional faculty awards trust fund.

**WAC 131-16-021 Employees eligible to participate in retirement annuity purchase plan.** (1) Eligibility to participate in the TIAA/CREF plan is limited to persons who hold appointments to college district or state board staff positions as full-time or part-time faculty members or administrators exempt from the provisions of chapter 28B.16 RCW and, effective July 1, 1999, are assigned a cumulative total of at least fifty percent of full-time workload as defined by the collective bargaining agreement and/or the appointing authority at one or more college districts or the state board for at least two consecutive college quarters. (Part-time faculty workload is calculated in accordance with RCW 28B.50.489 and 28B.50.4891.)

(2) Participation in the plan is also permitted for current and former employees of college districts or the state board who are on leave of absence or who have terminated employment by reason of permanent disability and who are receiving a salary continuation insurance benefit through a plan made available by the state of Washington: Provided, That such noncontributory participation shall not be creditable toward the number of years of full-time service utilized in calculating eligibility for supplemental retirement benefits pursuant to WAC 131-16-061.

(3) Optional participation in tax-deferred annuities other than this qualified plan as offered by individual colleges is permitted consistent with the Internal Revenue Code: Provided, That the provisions of WAC 131-16-015, 131-16-050, and 131-16-061 shall not apply in such cases. Optional tax-deferred annuities are provided through a salary reduction agreement between the employee and employer. There is no employer contribution for optional tax-deferred annuities.

(4) An employee who moves from an ineligible to an eligible position for the same appointing authority may become a participant by so electing in writing within six months following such move.

(5) A participant who moves from an eligible position to an ineligible position for the same appointing authority may continue to be a participant by so electing within six months following such move.

(6) Participants shall continue participation regardless of the proportion of full-time duties assigned, except as otherwise provided in this section, as long as continuously employed within the community and technical college system. The community and technical college or state board employer shall notify, in writing, all newly hired employees of their potential right to participate. A participating employee, who changes employers without a break in service, shall have the responsibility to notify in writing the new college or state board employer of his or her eligibility. In no case will there be a requirement for retroactive contributions if an employee fails to inform his or her college or state board employer about eligibility previously established with another community and technical college system employer. For the purposes of this section, spring and fall quarters shall be considered as consecutive periods of employment.

(7) As a condition of employment, all employees who become eligible on and after January 1, 1997, shall participate in this plan upon initial eligibility. Notwithstanding this provision, all eligible new employees who at the time of employment are members of the Washington state teachers

retirement system or the Washington public employees retirement system may participate as provided in WAC 131-16-031(1).
