(1) **Type of alternative allowed.** In lieu of the surety bond required in WAC 208-630-030, an applicant or licensee may substitute one of the following alternatives with the approval of the director. Any alternative to the surety bond shall secure

the same obligations as would the surety bond. The amount of alternative substituted under (a), (b) and (c) of this subsection must be equal to or greater than the amount of the required surety bond.

(a) **Securities.** Substitute security assigned to the director. The value of the substitute security shall be based on the principal amount or market value, whichever is lower. The depositor is entitled to receive all interest and dividends on the substitute security, has the right, with the approval of the director, to substitute other qualified securities for those deposited, and shall be required to do so on written order of the director made for good cause shown.

(b) **Irrevocable letter of credit.** An irrevocable letter of credit issued in favor of the director. (d) **Demonstration of net worth.** A licensee or applicant for a small loan endorsement may demonstrate net worth in excess of three times the amount of the required bond. The licensee shall notify the director within ten business days of any date upon which its net worth decreases below the required amount. A licensee that fails to maintain the required level of net worth and continues to operate under a small loan endorsement will be required to maintain a surety bond for five years after the date of noncompliance. During this five-year period, the director will not accept a demonstration of net worth in lieu of a surety bond.

(i) **Reports required.** A licensee that maintains net worth in lieu of a surety bond shall submit to the director within forty-five days after the close of each quarter year-to-date financial statements prepared in accordance with generally accepted accounting principles. The financial statements must include at a minimum a statement of assets and liabilities and a profit and loss statement. The director may continue to require other documents, agreements or information necessary to properly evaluate and ensure that the licensee remains in compliance with this section.

(ii) **Bad debts and judgments.** A licensee that maintains net worth in lieu of a surety bond may not consider bad debts and certain judgments as assets. The director may approve exceptions in writing. The licensee must charge off its books any debt upon which any payment is six months or more past due. The licensee may not count as an asset any judgment more than two years old which has not been paid. Time consumed by an appeal from a judgment is not counted in the two-year limit.

(2) **Noncompliance.** A licensee that does not comply with this section must obtain and file with the director a

surety bond in the required amount in WAC 208-630-030 by the date specified by the director.

WAC 208-630-100 Trust accounts—Limitations and prohibitions. (1) At least monthly a licensee in the business of selling checks shall withdraw from the trust account an amount equal to fees earned for the corresponding period from the sale of monetary instruments. The remaining balance of the trust account must be sufficient to cover all monetary instruments that remain outstanding and drawn against the trust account.

(2) A licensee is prohibited from allowing the bank of account to charge back checks or drafts deposited to the trust account and subsequently dishonored against said trust account.

(3) Withdrawals from the trust account by a licensee, whose license has been suspended, terminated, or not renewed, will not be allowed, without the director's consent, until a closing audit report has been received according to WAC 208-630-090(2).
