WAC 208-630-100 Trust accounts—Limitations and prohibitions. (1) At least monthly a licensee in the business of selling checks shall withdraw from the trust account an amount equal to fees earned for the corresponding period from the sale of monetary instruments. The remaining balance of the trust account must be sufficient to cover all monetary instruments that remain outstanding and drawn against the trust account.

(2) A licensee is prohibited from allowing the bank of account to charge back checks or drafts deposited to the trust account and subsequently dishonored against said trust account.

(3) Withdrawals from the trust account by a licensee, whose license has been suspended, terminated, or not renewed, will not be allowed, without the director's consent, until a closing audit report has been received according to WAC 208-630-090(2).
