(a) The program must provide for parental involvement at a level including, but not limited to, parents working with children in cooperation with staff, parents participating in the program, and parents planning for the operation of the program.

(b) A policy council, separate from an agency board of directors, must be established by every agency contracting to operate early childhood education and assistance program. (ii) Comprised of volunteers or representatives elected to serve by parents and guardians of currently enrolled children;
