(2) No residence requirement is imposed which excludes from services any individual who is present in the state.

(3) Eligibility is based only upon:

(a) The presence of a severe physical or mental disability, which shall include a visual disability defined as follows:

(i) Legal blindness or visual impairment as they are customarily defined either in terms of a qualifying reduction in visual acuity and/or a qualifying reduction in visual field.

(ii) A visual impairment which is progressive in nature and can be expected to lead to blindness within a reasonable period of time.

(iii) Reduction in both visual acuity and visual fields is such that the effect is substantially that of legal blindness, or visual efficiency is reduced so as to have substantially the same effect as legal blindness.

(iv) A visual impairment which makes it impossible for the individual to perform successfully in one or more of life's functions;

(b) The presence of a severe limitation in ability to function independently in family or community or to engage or continue in employment; and

(c) A reasonable expectation that independent living rehabilitation services will significantly assist the individual to improve his or her ability to function independently in family or community or to engage or continue employment.

The individual shall be notified in writing of the determination of ineligibility and of his or her rights and the means by which he or she may express and seek remedy for any dissatisfactions, including the department's procedures for administrative review and fair hearings and the services available through the client assistance program.
