WAC 251-08-110 Salary—Promotion. An employee who is promoted shall be paid at the salary step which represents a two-step increase over the salary received immediately prior to the promotion. If the two-step pay increase falls between two steps of the new range, the increase shall be rounded up to the next higher step of the new range. The personnel officer may authorize more than a two-step increase. All promotional increases must be within the salary range for the class.

[Statutory Authority: RCW 28B.16.100. 89-08-003 (Order 176), § 251-08-110, filed 3/23/89, effective 5/1/89; 87-20-024 (Order 160), § 251-08-110, filed 9/30/87; Order 61, § 251-08-110, filed 8/30/77, effective 10/1/77; Order 29, § 251-08-110, filed 1/22/74; Order 21, § 251-08-110, filed 5/24/73; Order 18, § 251-08-110, filed 10/25/72, effective 7/1/73; Order 1, § 251-08-110, filed 9/15/69.]

WAC 251-08-112 Salary—Reallocation. (1) An employee occupying a position that is reallocated to an existing class with a higher salary range maximum shall receive an increase in the same manner as is provided for promotion in WAC 251-08-110. The periodic increment date shall be established as provided in WAC 251-08-100.

(2) An employee occupying a position that is reallocated to an existing class with a lower salary maximum shall be placed in the salary step in the new range which is closest to the current salary, provided such salary does not exceed the top step of the new salary range.

(3) When reallocation is necessary because the board or the director has created, abolished, or modified a class, the incumbent will remain in the position and therefore will not be afforded layoff rights. Employees will be affected as follows:

(a) An employee occupying a position reallocated to a class with a lower salary range maximum will retain his/her salary as of the date preceding the effective date of the board's action and will be allowed to achieve the salary maximum of the former class. The employee will lose the right to

such salary maintenance if he/she subsequently voluntarily demotes, promotes, or moves to another class;

(b) An employee occupying a position reallocated to a class with a higher salary range maximum will have his/her salary adjusted to the same step in the new range as was held in the previous range. The periodic increment date of the affected employee will remain unchanged;

(c) Reallocations due to the board's or the director's creation, abolishment, or modification of a class become effective on the effective date of the board's action.

WAC 251-08-115 Salary—Layoff, reversion, demotion. (1) When an employee who has been separated returns from the institution-wide layoff list to the same class occupied immediately prior to layoff, the employee shall return to the same salary step held at time of layoff, unless the employee is currently employed by the institution and to do so would cause him/her to suffer a reduction in salary.

(2) When an employee accepts a layoff option under WAC 251-10-030(4), the salary shall be retained provided it does not exceed the top step of the new range.

WAC 251-09-010 Hours of work—General. (1) Hours of work for classified employees of the higher education institutions are to be established by the employing official.

(2) Nothing in these rules shall preclude the assignment of overtime outside of normally scheduled shifts. Overtime worked is compensated per WAC 251-09-030 unless otherwise adjusted per WAC 251-09-090.

[Statutory Authority: RCW 28B.16.100. 90-02-053, § 251-09-010, filed 12/29/89, effective 2/1/90; Order 62, § 251-09-010, filed 8/30/77, effective 10/1/77.]

WAC 251-09-020 Work period designations. Each position will be assigned by the personnel officer to one of the work period designations identified below, and employees will be informed of their eligibility for overtime compensation.

(1) **Scheduled work periods**, within which there are three work schedules:

(2005 Ed.)

(a) **Regular work schedule.** The regular work schedule for full-time classified employees shall consist of five consecutive and uniformly scheduled eight hour days in a seven day period. Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days.

(b) **Alternate work schedule.** Operational necessity or employee convenience may require positions that are normally designated regular work schedule to work an alternate forty hour work schedule (other than five uniform and consecutive eight hour days in a seven day period), or as provided by the Washington state minimum wage law in conjunction with the federal law which provides for an eighty hour workweek in a fourteen day period for hospital personnel. Alternate work schedules shall be made available upon request of the director.

(c) **Emergency response fire officer work schedule.** Institutions which operate an emergency response fire department may establish work week schedules for emergency response personnel which provide for a daily work shift of twenty-four hours. The weekly schedule shall provide for at least forty-eight hours, but not more than fifty-six hours, as required to meet operational requirements. Emergency response personnel assigned to twenty-four hour schedules shall be subject to the following conditions:

- (i) All rules in chapter 251-22 WAC shall apply.
- (ii) Changes to the established work schedule shall be made as provided in WAC 251-09-025.
- (iii) Shift differential shall not be paid.
- (iv) Overtime shall be paid for work performed in excess of the scheduled daily work shift or the scheduled work week. The overtime compensation shall be as provided in WAC 251-09-030 (2) and (3).

(v) Holidays shall be as provided in WAC 251-22-040 and 251-22-045. When assigned to work on a designated holiday, emergency response personnel shall receive their regular daily pay plus eight hours of holiday pay. Compensation for the eight hours of holiday time shall be at the rate of time and one-half.

(2) **Nonscheduled work period.** The nonscheduled work period designation applies to those positions for which the hours cannot be scheduled but which work a forty hour week and do not meet any of the other work period designations. The personnel officer shall designate positions as nonscheduled in accordance with the institution's procedure approved by the director unless approval has been delegated to the personnel officer under WAC 251-04-060(4).

(3) **Excepted work period.** The excepted work period designation applies to classes and positions which meet the Fair Labor Standards Act definitions of executive, administrative, or professional employees. Each personnel officer will be responsible for determining the positions designated "excepted" at his/her institution.

[Statutory Authority: RCW 41.06.150. 95-19-099, § 251-09-020, filed 9/20/95, effective 11/1/95. (2005 Ed.)

WAC 251-09-025 Schedule changes. Changes to a scheduled work period employee's assigned hours may be made under the following condition(s):

(1) For temporary changes of work hours within the assigned week:

(a) By providing two calendar days notice to the employee. (The day notification is given constitutes a day of notice); or

(b) Because of emergency conditions; or

(c) When the change is requested by the employee and approved by the employing official; or

(d) For operational convenience (instances where the conditions above do not exist), in which case the employee shall have the right to work his/her regularly assigned schedule in addition to the modified schedule (in accordance with the provisions of WAC 251-09-030) unless:

(i) There is no work; or

(ii) There is a safety hazard to the employee or others; or

(iii) The resulting total hours worked would exceed one and one-half of the employee's regular shift.

(2) For changes in work hours or shift extending beyond seven calendar days for an indefinite period:

(a) By providing seven calendar days notice to the employee. (The day notification is given constitutes a day of notice); or

(b) Because of emergency conditions; or

(c) When the change is requested by the employee and approved by the employing official; or

(d) For operational convenience (instances where the conditions above do not exist), in which case the employee shall be paid premium pay (at time and one-half) for each hour outside of the regular shift (pro rata for part-time employees) for a maximum of seven calendar days from the date of the notice of the schedule change.

[Statutory Authority: RCW 28B.16.100. 92-05-034, § 251-09-025, filed 2/11/92, effective 4/1/92; Order 62, § 251-09-025, filed 8/30/77, effective 10/1/77.]

WAC 251-09-030 Overtime. (1) Any one of the following constitutes overtime:

(a) Work in excess of the daily work shift for full-time employees assigned to scheduled work period positions;

(b) Work in excess of forty hours in one work week for employees assigned to scheduled or nonscheduled work period positions; or

(c) For hospital personnel assigned to a fourteen-day schedule, work in excess of eight hours in a twenty-four hour period or eighty hours in a fourteen-day period.

(2) Overtime worked by employees assigned to scheduled or nonscheduled work period positions shall be compensated at a rate of one and one-half times the employee's base rate plus any additional payment(s) required to be included by the Fair Labor Standards Act, such as shift differential, and other applicable state/federal law.

(3) Employees assigned to scheduled or nonscheduled work period positions shall receive monetary payment as compensation for overtime worked; however, at the employee's request compensatory time off at one and one-half times the overtime hours worked may be granted in lieu of monetary payment, except that agricultural employees shall receive compensatory time off or monetary payment at

the option of the institution. The accumulation of unused compensatory time that exceeds two hundred forty hours (four hundred eighty for employees engaged in public safety or emergency response activity) must be paid in cash.

(4) If compensation is paid to an employee for accrued compensatory time, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Upon termination of employment, an employee will be paid for any unused compensatory time in accordance with the Fair Labor Standards Act.

(5) Use of accrued compensatory time shall be approved by the employing official with consideration being given to the work requirements of the department and the wishes of the employee. Compensatory time off shall be granted by the employing official at the request of employee to care for a spouse, parent, parent-in-law, or grandparent of the employee who has a serious health condition or an emergency health condition, or to care for a child with a health condition that requires treatment or supervision. Compensatory time off may be scheduled by the employing official during the final sixty days of a biennium.

(6) Employees assigned to excepted work period positions normally do not qualify for overtime pay. Under circumstances in which the employee is directed to work an excessive amount of overtime, the personnel officer may authorize additional compensation in cash or time off not to exceed one and one-half times the employee's regular rate. The employee may petition the personnel officer for compensation of the directed overtime.

(7) For purposes of computing overtime compensation, holidays or leave with pay during the employee's regular work schedule shall be considered as time worked.

(2) Classified employees occupying excepted work period positions normally do not qualify for holiday premium pay.

(2) Shift differential shall be paid for the entire daily or weekly shift which qualifies under subsection (1) of this section. Shift differential may also be computed and paid at the above monthly rate for employees permanently assigned to a qualifying afternoon or night shift.

(3) An employee assigned to a shift that qualifies for shift differential pay shall receive the same shift differential for authorized periods of paid leave.

The bonus pay shall be compensated at the regular rate; time worked shall be compensated at time and one-half. WAC 251-10-025 Layoff seniority—General provisions. (1) Layoff seniority is used to determine which employee(s) will be affected by a layoff.

(2) Layoff seniority is the number of calendar days an employee has been continuously employed in the classified service.

(3) Layoff seniority is based on the earliest date of continuous classified service. For the purposes of layoff seniority, classified service of less than full time shall be considered full-time service.

(4) Authorized leave of absence without pay shall not constitute a break in service; however, the time spent on such leave shall not be included in computing seniority except where required by statute or as stated in subsection (5) of this section.

[Title 251 WAC—p. 22]

(5) Leave of absence without pay granted for the following reasons does not constitute a break in service and shall be included when calculating layoff seniority:

(a) Leave taken to accommodate annual work schedules of employees occupying cyclic year positions as specified in WAC 251-19-130: or

(b) Leave taken for purposes of formal collective bargaining sessions under RCW 41.80.010 and chapter 41.06 RCW.

(6) Permanent employees who are veterans or their unmarried widows/widowers as identified in WAC 251-10-045 shall have added to their unbroken service the veteran's active military service to a maximum of five years' credit.

(7) Participation of current state employees in the state internship program pursuant to WAC 251-25-050(1) shall be included in calculating an employee's layoff seniority.

WAC 251-10-030 Layoff. (1) An appointing authority may layoff or reduce the number of working hours or the work year of an employee without prejudice because of lack of funds or lack of work and/or for good faith reorganization for efficiency purposes.

(2) Each institution shall develop for approval by the director a layoff procedure based upon layoff seniority as defined in WAC 251-01-245, to include as a minimum:

(a) Clearly defined layoff unit(s), in order to minimize the disruption of an institution's total operation, and

(b) Provision for veterans preference for eligible veterans and their unmarried widows/widowers as defined in WAC 251-10-045.

(3) A permanent status employee shall receive at least 20 calendar days written notice of layoff, including no less than three working days in which to select placement on layoff list(s) and/or an option in lieu of layoff as provided in subsections (4) and (5) of this section. Such written notice shall be furnished directly to the employee during his/her scheduled working hours or mailed by certified letter to the employee's last known address because the employee is not available for personal service. If the notification is furnished directly to the employee, the day it is furnished shall not be counted as a day of notice. If the notification is mailed, the day of mailing shall not be counted as a day of notice, and the notice shall be considered to be received the day after it is postmarked. If the notification is mailed, the employee shall be given no less than five working days in which to select placement on the layoff list(s) and/or an option in lieu of layoff.

(4) Within the layoff unit, a permanent status employee scheduled for layoff shall be offered employment options to position(s):

(a) For which he/she meets any specific position requirements;

(b) Which are comparable, as determined by the personnel officer; and

(c) Which are in:

(i) Class(es) in which the employee has held permanent status which have the same or lower salary range maximum as the current class;

(ii) Lower class(es) in those same class series for which the employee is qualified.

The employee may exercise either option subsection (4)(c)(i) or (ii) of this section provided that the employee being replaced is the least senior in a comparable position in the class and has less layoff seniority than the employee replacing him/her. A vacant position, if available, should be considered to be the position in the class held by the least senior person. The employee may elect to have access to less-than-comparable positions by so notifying the personnel officer in writing.

When determining layoff options, if a class in which an employee has previously held permanent status has been revised or abolished, the personnel officer shall determine the existing classification to offer as a layoff option provided it is at the same or lower salary range maximum as the current class. This determination shall be based upon the duties the employee was performing at the time they held permanent status in the class.

(5) Except as provided in WAC 251-10-035, a permanent employee scheduled for layoff who has no options available under subsection (4) of this section shall be offered position(s) as follows:

(a) The personnel officer will offer in writing not less than three positions from among the highest available classes (unless the total available is less than three); provided that any position(s) offered must be:

(i) At the same level or lower than the class from which the employee is being laid off; and

(ii) Vacant or held by a provisional, temporary, or probationary employee; and

(iii) In a class for which the employee being laid off meets the minimum qualifications and can pass the appropriate qualifying examination.

(b) The employee will be required to indicate within three working days his/her interest in a specific class(es) so that the personnel officer may schedule the appropriate examination(s).

(c) Upon satisfactory completion of the examination(s) the employee will be offered option(s) to specific position(s), including salary information.

(d) Employees appointed to positions through provisions of this subsection will be required to serve a trial service period.

(6) In order to be offered a layoff option or return from layoff to a position for which specific position requirements have been documented in accordance with WAC 251-18-255(1), the employee must demonstrate a satisfactory level of knowledge, skill, or ability on the specific position requirements.

(7) In a layoff action involving a position for which a particular sex is a bona fide occupational requirement, as approved by the Washington state human rights commission, the most senior employee meeting the occupational requirements may be retained in the position over more senior employees in such class who do not meet the occupational requirement.

(8) When it is determined that layoffs will occur within a unit, the personnel officer will:

(a) Provide a copy of the institution's reduction in force procedure to all employees subject to layoff;

(b) Advise each employee in writing of available options in lieu of layoff;

(c) Advise each employee in writing of the specific layoff list(s) upon which he/she may be placed as required per WAC 251-10-055 and 251-10-035;

(d) Provide information about the process by which the employee may make application for statewide layoff lists, as required per WAC 251-10-060(7);

(e) Advise each employee in writing of the right to appeal his/her layoff to the personnel appeals board per WAC 251-12-080.

(9) Layoff actions for employees of special employment programs as identified in WAC 251-19-150 shall be administered as provided in WAC 251-10-035.

(2) An appointing authority may layoff or reduce the number of working hours or the work year of a special employment program employee without prejudice because of lack of funds or lack of work, or when an incumbent must be laid off due to the salary or longevity requirements of Public Law 95-524.

(3) A permanent status special employment program employee scheduled for layoff shall receive written notice of any available options in lieu of layoff as provided in subsection (5) of this section. The employee shall be given no less than three working days to select an option, if available, or to elect to be laid off and/or be placed on the appropriate special employment program layoff list(s).

(4) The appointing authority must provide the employee at least fifteen calendar days written notice beyond the date of selection of an option or the completion of the option period, whichever is sooner. The notice shall inform the employee of his/her right to appeal the layoff action to the personnel appeals board per WAC 251-12-080.

(5) Within the special employment program layoff unit, a permanent status employee scheduled for layoff shall be offered the following:

WAC 251-14-052 Union shop representative election. (1) The director shall order a union shop representative election to be held upon petition from an employee organization which has been certified as the exclusive representative of the employees of a bargaining unit. If the employee organization does not already have the opinion of counsel required by WAC 251-14-020(2) on file with the director, the petition shall not be considered complete until such an opinion is provided.

(2) The director shall, after receipt of a petition for a union shop representative election, inform all affected employees of the union shop provisions contained in chapter 41.06 RCW.

(3) The director or designee, at a preelection conference, shall review with the employee organization and appointing authority or designee the standards and procedures for the conduct of the election and shall inform all affected employees of the conditions set forth therein.

(4) The election shall be held on state property during working hours unless otherwise determined during the preelection conference.

(5) All employees on the active payroll and employed within the bargaining unit on the date of election will be eligible to vote. Eligible employees unable to vote at the time of election may vote by absentee ballot.

(6) Absentee ballots may be requested prior to date of election but will be counted only if received by the director or designee no later than two regular working days following the closing date of election.

(7) Transportation to official places of voting shall be provided to the degree practicable as determined by preelection conference.

(8) Election signs and banners shall not be permitted in the area in which the balloting takes place, nor shall any person in the area discuss the advantages or disadvantages of a union shop.

(9) The director will certify the employee organization as the union shop representative if a majority of employees in the bargaining unit vote in favor of requiring membership in the employee organization to be a condition of employment.

(2005 Ed.)

(10) Another union shop representative election shall not be held concerning the same bargaining unit for at least twelve months from the date of the last previous union shop representative election.

[Statutory Authority: RCW 41.06.150. 02-15-048, § 251-14-052, filed 7/11/02, effective 9/1/02; 98-19-035, § 251-14-052, filed 9/10/98, effective 10/12/98. WAC 251-14-054 Union shop representative decertification election. (1) The director shall, upon petition of thirty percent of the members of a bargaining unit, order an election to determine if a majority of employees in such bargaining unit wish to rescind membership in the employee organization as a condition of employment, providing twelve months have lapsed since the original election which established the union shop representative. Such election shall be conducted in accordance with WAC 251-14-052 (2), (3), (4), (5), (6), (7), and (8).

(2) Another union shop representative decertification election shall not be held concerning the same bargaining unit for at least twelve months from the date of the last previous union shop decertification election.

(3) The director will issue a notice of union shop representative decertification, which will nullify the requirement of membership in an employee organization or the payment of a representation fee as a condition of employment when a majority of the employees in the bargaining unit vote to rescind membership in an employee organization as a condition of employment.

(4) When existing bargaining units are combined into one new unit and/or additional classes and/or positions are accreted to a bargaining unit, such action shall effect an automatic decertification of any union shop representative provision in effect except in the following instances:

(a) Where the same employee organization is certified as the union shop representative in each of the existing bargaining units that are being combined into one new unit;

(b) Where results of the union shop election previously held still represent a majority vote in favor of the union shop provision in the new unit. Majority vote will be determined by adding the number of employees not previously covered by a union shop provision to the total number of employees eligible to vote in the previous election.

[Statutory Authority: RCW 41.06.150. 02-15-048, § 251-14-054, filed 7/11/02, effective 9/1/02; Order 61, § 251-14-054, filed 8/30/77, effective 10/1/77; Order 25, § 251-14-054, filed 7/17/73.]

WAC 251-14-057 Election validity—Objections. (1)

The director, an appointing authority or designee, any employee of the bargaining unit, and/or any employee organization whose name appeared on the ballot as a choice, may question the validity of an election by objecting to the administration of the election or to improper conduct which may have affected the results of the election conducted under the provisions of chapter 251-14 WAC.

(2) The objections must contain a specific statement of the reasons therefor and be filed in the office of the director by the close of business on the fifth working day following the tabulation of the ballots. The party filing objections is required to submit evidence in support thereof at the time the objections are filed or forthwith upon request from the director.

(3) The director or designee will investigate the objections. Where the investigation reveals that the objections have merit, the director may set aside the results of the election and order a new election.

[Order 61, § 251-14-057, filed 8/30/77, effective 10/1/77; Order 44, § 251-14-057, filed 6/25/75.]

WAC 251-14-058 Union shop requirements. (1)

When a majority of employees within a bargaining unit determine by election to require as a condition of employment membership in the employee organization designated as the exclusive bargaining representative, all employees included in that bargaining unit are required to pay to such employee organization the regular dues of the organization, or pay a representation fee or a nonassociation fee, within thirty calendar days of the beginning of their employment within the bargaining unit or within thirty calendar days of the date of the union shop representative election, whichever is later.

(2) Membership in the employee organization is satisfied by the payment of monthly or other periodic dues, or representation fees, and does not require payment of initiation, reinstatement, or any other fees or fines, and includes full and complete membership rights.

(3) Employees who wish to exercise the right of nonassociation with an employee organization based on bona fide religious tenets, or teachings of a church or religious body of which they are a member, must present a request for nonassociation to the personnel office of the concerned institution. The appointing authority or designee and the union shop representative must be in agreement that the requests are based on such bona fide reasons. If agreement cannot be reached within a reasonable time, either party may submit the issues in dispute to the director or designee. Should the request for nonassociation be denied by the appointing authority or designee, the employee may submit the issue to the director or designee. The decision of the director regarding nonassociation shall be final.

(4) Employees who are granted the nonassociation right must pay a union shop nonassociation fee to the employee organization. Such fee is equivalent to the regular dues of the organization minus any included monthly premiums for union sponsored insurance programs.

(5) When an employee has qualified for nonassociation with an employee organization on religious grounds, the employee may designate which of the programs of the employee organization are in harmony with the employee's

conscience and may then designate that the nonassociation fee shall go to such programs.

(6) The employee who qualifies for the nonassociation clause shall not be a member of the employee organization, but is entitled to the same representation rights as a member of the employee organization.

(7) Employees who object to payment for activities of the exclusive representative which are supported by regular dues and which are not related to representation of the employees in the bargaining unit may pay a representation fee in lieu of regular dues. The representation fee is to be calculated by the representative in accordance with applicable constitutional and statutory requirements. See WAC 251-01-367.

(8) A condition of employment for an employee employed in a bargaining unit where an employee organization is the exclusive union shop representative is membership in that employee organization or the regular payment of a union shop representation fee or a nonassociation fee to such organization. Failure of an employee to become a member of the employee organization or make payment of the union shop representation or nonassociation fee within thirty calendar days following the beginning of employment within the bargaining unit or thirty calendar days after the date of the union shop representative election, whichever is later, constitutes cause for dismissal per the provisions of WAC 251-11-100.

(9) The union shop representative shall inform the appointing authority, in writing, of those employees who have not complied with this section.

(10) The requirement to be a member of an employee organization or the payment of a union shop representation fee or a nonassociation fee as a condition of employment will be nullified when the employee organization which is the union shop representative is decertified per WAC 251-14-054.

(11) The appointing authority or designee shall notify affected employees of existing union shop provisions prior to their hire or transfer into a bargaining unit where there is a requirement to be a member of a designated employee organization to pay a union shop representation fee or a nonassociation fee as a condition of employment.

(12) Payroll deductions for employee organization dues or union shop representation or nonassociation fees may be provided by the institution upon written authorization from the employee.

(1) Written agreements may contain provisions covering all personnel matters over which the institution/related board may lawfully exercise discretion.

(2) Written agreements shall include a grievance procedure for processing individual and group grievances within the bargaining unit and shall provide for mediation by the director or designee and for arbitration by the board. Media-

(3) Written agreements may contain provisions for payroll deduction of employee organization dues and/or union shop representation fees upon written authorization from the employee. Any employee may cancel his/her payroll deduction of employee organization dues by filing a written notice with the appointing authority or designee and the employee organization thirty calendar days prior to the effective date of such cancellation.

WAC 251-14-130 Arbitration—Grievance—Procedure. Whenever arbitration of a grievance is requested of the board pursuant to an agreement as authorized by WAC 251-14-060(2), the procedure set forth below shall apply:

(1) The request for arbitration shall be in the form of a complaint. It shall be filed on a form supplied by the board, or in a writing containing the same information as required on the form within thirty calendar days or less from the date the director of personnel or designee indicates in writing that the mediation is at impasse. The request shall state the following:

(a) The name, address and telephone number of the party filing the request, and the name, address and telephone number of any principal representative.

(b) The name, address and telephone number of the opposing party, and, if known, the opposing party's principal representative.

(c) Clear and concise statements of the facts upon which the grievance is based, including times, dates, places and participants in occurrences.

(d) A listing of the applicable sections of the collective bargaining agreement, rules, policies, etc., upon which the grievance is based and which are claimed to be violated. A copy of the collective bargaining agreement or of the pertinent sections of the agreement shall be attached to the request for arbitration.

(e) A statement of the specific issue(s) to be arbitrated.

(f) A statement of the relief sought.

(g) The signature and, if any, the title of the person filing the request for arbitration.

(h) A copy of the original grievance and the institution's last written response to the grievance shall be attached to the request for arbitration.

(2) By mutual agreement the parties to the grievance may extend the thirty-day time frame for requesting arbitration established in subsection (1) of this section. Agreements to extend the time frame shall be reported in writing by the parties to the director of personnel.

(3) The board's hearings coordinator shall review the request for arbitration to determine compliance with subsection (1) of this section. If the hearings coordinator determines the request is incomplete, the person filing the request is notified of the portions which need to be supplemented or changed to comply with subsection (1) of this section. When the hearings coordinator determines that the request substantially complies with subsection (1) of this section, he or she shall mail, or otherwise cause to be served, the request on the opposing party(ies). Any refusal by the hearings coordinator to serve the request for arbitration on the opposing party is reviewable by the board upon motion of the requesting party.

(4) After the request for arbitration is served on the opposing party(ies), the board or the board's designee may direct the parties or their representatives to engage in a pre-hearing conference(s) in accordance with WAC 251-12-232.

(5) The board's hearings coordinator shall schedule the arbitration for hearing pursuant to WAC 251-12-105.

(6) Within thirty calendar days from the date of service of the acknowledgment of the arbitration request, the respondent shall submit a written statement of issue(s) to be arbitrated. If no response is received, the petitioners' statement of issue(s) will be deemed to be the issue(s) at the arbitration hearing unless otherwise determined by the board.

(7) Upon stipulation between the parties, the board or designee may grant the grievant's request to waive the right to an evidentiary hearing and thereafter require the parties to submit written evidence upon which the board or designee may act without a hearing.

(8) If the matter is heard directly by the board, a final and binding decision will be issued. If the matter is heard by the board's designee, a recommended decision will be issued. Within thirty calendar days of its service, either party may request the board to review the designee's decision. The review will be limited to specific areas of the decision to which the party takes exception. The requesting party must provide written argument in support of the exceptions. The board will consider the exceptions and may in its discretion hear oral argument. Thereafter, the board will issue a decision which shall be final and binding on the parties. The designee's decision will become final and binding forty calendar days after it was served on the parties if no exceptions are filed, unless the board calls a hearing to reconsider the decision.

(9) The grievant shall have the burden of proof and go forward with the evidence.

(10) The board or its designee shall be the judge of relevancy and materiality of evidence offered. Technical rules of evidence shall not apply to the proceedings.

(11) The provisions of chapter 251-12 WAC (Appeals) shall apply to the conduct of grievance arbitration hearings, except as otherwise provided in this section.

WAC 251-19-060 Trial service period. (1) A trial service period of six months shall be required upon appointment of a permanent employee to a new class at the institution, unless

(a) With preemptive rights to the former position in which permanent status was last held, or to a vacant position in that class (except when reversion is from a position the

appointment to which was a result of disciplinary demotion or employee movement as specified in WAC 251-19-110). The personnel officer shall determine which position to preempt. However, if the employee was in a trial service appointment in another class prior to the current trial service period, the personnel officer may provide the employee the opportunity to complete the first interrupted trial service period.

(b) Reversion must be preceded by written notice at least one work day (eight hours), before the effective date.

(c) If the former position to which the employee has preemptive rights has been abolished and a vacant position in the class is not available, or if there is no class to which the reverted employee has preemptive rights, the affected employee shall be accorded such bumping rights and placement on layoff lists as would be provided in layoff from his/her former class.

An alternate appointment for research positions shall consist of the six month period following appointment from a layoff list or an option taken in lieu of layoff. This pro-

vides the employing official an opportunity to observe the employee's work and determine whether or not he/she can perform in that specific position. If it is determined that the employee cannot perform, as documented by a written performance review, the employee shall be placed on the appropriate layoff list or provided other transfer options as available.

(a) The action is by employee request; or

(b) The employee's position is being reallocated upward and the employee is not appointed to the reallocated position.

(2) Except as provided in subsection (4) of this section, permanent employees who wish to be considered for appointment to classes in which they have not held permanent status with an equal or lower salary range maximum than their current class must apply. (3) Former employees laid off from the institution, per WAC 251-10-030, who are on an institution-wide layoff list, also shall be included in the procedures developed per subsections (1)(a) and (2) of this section.

(4) In accordance with WAC 251-19-105, institutions shall provide for reasonable accommodation of employees. (3) When an employee moves into an apprenticeship program and he/she has a higher salary than is provided by the apprenticeship program, his/her salary shall be continued at the existing level until the employee has been in the apprenticeship program long enough to move onto the apprenticeship salary schedule without a reduction in salary.

(4) Incremental salary step increases shall be in accordance with the appropriate salary schedule but are not solely dependent upon time in grade. Objective evaluation of performance in on-the-job and related training may be justification to delay an incremental salary increase until training requirements for that step have been fulfilled. Conversely, objective evaluation of performance may be justification to advance incremental salary steps to the level equal to ability and training.

(5) Graduates from the apprenticeship program will be assigned to the mid-step of the journey scale and will remain until twelve months elapse before moving to the top step. Movement from the apprenticeship program into the journey class does not require competition and a trial service appointment is not required.

WAC 251-30-010 Purposes and scope. (1) The following rules are promulgated to implement a charitable CFD campaign for the efficient, long-term collection of voluntary employee and public agency retiree contributions to qualifying charitable, not-for-profit organizations. By establishing a uniform policy toward charitable fund raising efforts among state employees and public agency retirees, the state hopes to encourage generosity in voluntary financial support for the charitable services of the qualified participating organizations and participating federations.

(2) The intent of these rules is to:

(a) Lessen the burdens of government and of local communities in meeting the needs of human health and welfare;

(b) Provide a convenient channel through which state employees and public agency retirees may contribute to the efforts of the participating organizations and federations providing services in the community or region where the employees and public agency retirees live and work and overseas;

(c) Minimize both the disruption of the state work place and the costs to taxpayers caused by multiple charitable fund drives; and

(d) Ensure that participating organizations and federations are fiscally responsible in the uses of the moneys so raised.

(3) The CFD campaign is the only authorized formal solicitation of Washington state employees in the workplace on behalf of participating not-for-profit organizations and federations. A CFD campaign may be conducted during a seven-week period, from September 1 to December 15, as determined by each state agency and higher education institution in accordance with these rules. In extraordinary circumstances, the CFD committee may consider granting approval for solicitations at other times.

(4) These rules in WAC 251-30 do not apply to the collection of gifts-in-kind, such as food, clothing and toys.

[Statutory Authority: RCW 41.06.150. 04-11-045, amended and recodified as § 251-30-010, filed 5/13/04, effective 5/13/04; 02-17-114, § 251-30-020, filed 8/21/02, effective 9/30/02.]
