Any student suspended from the college for disciplinary reasons will normally be readmitted upon expiration of the time period for which the suspension was issued. If the student has been expelled or feels that circumstances warrant reconsideration of a temporary suspension prior to its expiration, or if the student was suspended with conditions imposed for readmission, the student may be readmitted following approval of a written petition submitted to the dean of student services. Such petition must state reasons which support a reconsideration of the matter. Before readmission may be granted, such petition must be reviewed and approved by the college president or designee.

Students who have been suspended pursuant to disciplinary procedures set forth in WAC 495B-120-120 and 495B-120-130 and whose suspension upon appeal is found to have been unwarranted shall be provided the opportunity to reestablish their academic and student standing to the extent possible within the abilities of the college, including an opportunity to retake examinations or otherwise complete course offerings missed by reason of such action.

WAC 495B-120-160 Disciplinary authority of the dean of student services and vice-president for instruction. (1) The dean of student services or, in his or her absence, the vice-president for instruction of the college, is responsible for initiating disciplinary proceedings for infractions of rules. The dean of student services or, in his or her absence, the vice-president for instruction, may delegate this responsibility to members of their staff and they may also establish committees or other hearing bodies to advise or act for them in disciplinary matters.

[Title 495B WAC—p. 9]

(2) In order that any informality in disciplinary proceedings not mislead a student as to the seriousness of the matter under consideration, the student involved shall be informed at the initial conference or hearing of the several sanctions that may be involved for the misconduct.

(3) After considering the evidence in a case and interviewing the student or students involved, the dean of student services, or in his or her absence, the vice-president for instruction, may take any of the following actions:

(a) Terminate the proceeding, exonerating the student or students;

(b) Dismiss the case after whatever counseling and advice may be appropriate;

(c) Impose disciplinary sanctions directly, subject to the student's right of appeal as described in this chapter. The student shall be notified in writing of the action taken except that disciplinary warnings may be given verbally;

(d) Refer the matter to the student disciplinary committee for appropriate action. The student shall be notified in writing that the matter has been referred to the committee.

(4) This section shall not be construed as preventing the appropriate official, as set forth in subsection (1) of this section, from summarily suspending a student. In the event of summary suspension, the student will be given oral or written notice of the charges, an explanation of the evidence, and an informal opportunity to present his or her side of the matter. The student will also be given an opportunity to invoke the formal hearing process set forth in this chapter.

(b) Two members of the faculty, appointed by the college president or a designee;

(c) Two representatives from the student council, appointed by the college president or a designee;

(d) A counselor appointed by the college president or a designee.

Decisions in this regard, including the selection of alternates, shall be made by the college president or a designee. The disciplinary committee chairperson will be elected by the members of the disciplinary committee.

(3) The committee may decide that the student involved:

(a) Be given a disciplinary warning;

(b) Be given a reprimand;

(c) Be placed on disciplinary probation;

(d) Be given a suspension;

(e) Be expelled;

(f) Be exonerated with all proceedings terminated and with no sanctions imposed;

WAC 495B-120-180 Procedural guidelines. (1) The student, if he or she wishes to appeal, has a right to a fair and impartial hearing before the committee on any charge of misconduct. The failure of a student to cooperate with the hearing procedures, however, shall not preclude the committee from making its findings of fact, reaching conclusions and imposing sanctions. Failure of the student to cooperate may be taken into consideration by the committee in recommending penalties.

(2) The student shall be given notice of the date, time and place of the hearing, the charges, a list of witnesses who will appear, and a description of any documentary or other physical evidence that will be presented at the hearing. This notice shall be given to the student in writing and shall be provided in sufficient time to permit him to prepare a defense. The notice may be amended at any time prior to the hearing, but if such amendment is prejudicial to the student's case, the hearing shall be rescheduled to a later date if so requested in writing by the student.

(3) The student or his or her representative shall be entitled to hear and examine the evidence against him or her and be informed of the identity of its sources; and shall be entitled to present evidence in his or her own behalf and question witnesses as to factual matters. The rules of evidence need not be applied at this hearing. The student shall have all authority which is possessed by the college to obtain information or to request the presence of witnesses or the production of other evidence relevant to the issues at the hearing.

(4) Only those matters presented at the hearing, in the presence of the student involved, will be considered in determining whether the student is guilty of the misconduct charged but the student's past record of conduct may be taken into account in formulating the committee's recommendation for disciplinary action.

(5) The student may be represented by counsel and/or accompanied by an advisor of his choice.

(6) Hearings conducted by the committee may be held in closed session at the discretion of the committee, the only exception being when the student involved invites particular persons or requests an open hearing. If at any time during the conduct of the hearing invited persons are disruptive of the proceedings, the chairperson of the committee may exclude such persons from the hearing room.

(7) A majority of the committee shall set the time, place and available seating capacity for a hearing.

(8) All proceedings of the committee will be conducted with reasonable dispatch and terminated as soon as fairness to all parties involved permits.

(9) An adequate summary of the proceedings will be kept. As a minimum, such summary would include a tape recording of testimony. Such record will be available for inspection and copying in the office of student services during regular business hours.

(10) The student will be provided with a copy of the findings of fact and the conclusions of the committee. The student will also be advised of his or her right to present, within

ten calendar days, a written statement of appeal to the president of the college before action is taken on the decision of the committee. In the case of an unmarried student under eighteen years of age, written notice of any action involving dismissal or disciplinary probation is sent to the parents or guardian of the student.

(11) The committee chairman shall establish general rules of procedures for conducting hearings consistent with these procedural guidelines.

(12) The president of the college or a designated representative, after reviewing the case, including the report of the committee and any statement filed by the student, shall either indicate his approval of the conclusions of the committee by sustaining its decision, shall give directions as to what other disciplinary action shall be taken by modifying its decision, or shall nullify previous sanctions imposed by reversing its decision. He or she shall then notify the official who initiated the proceedings, the student and the committee chairperson.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-120-180, filed 2/10/93, effective 3/13/93.]

WAC 495B-120-190 Appeals. Any disciplinary action may be appealed as described below. Notice of an appeal by a student shall be made in writing and addressed to the dean of student services within ten calendar days of the college's giving of the notice of the disciplinary action. Notice to the student of the disciplinary action shall be deemed complete when the final, written decision is either personally served, or is posted by either certified or registered mail to the address of record as maintained in the enrollment office.

(1) Disciplinary action by a faculty member or other college staff member may be appealed to and, if appealed, shall be reviewed by, the dean of student services, or in his or her absence, the vice-president for instruction.

(2) Disciplinary action by the appropriate disciplinary official may be appealed to and, if appealed, shall be reviewed by the student disciplinary committee.

(3) Disciplinary action by the student disciplinary committee may be appealed to and, if appealed, shall be reviewed by the college president or a designee.

(4) Disciplinary action by the president or designee shall either indicate approval of the conclusions by sustaining the decision or shall give directions as to what other disciplinary action shall be taken by modifying the decision, or shall nullify previous sanctions imposed by reversing its decision. The decision of the president or his or her designee shall be final.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-120-190, filed 2/10/93, effective 3/13/93.]

WAC 495B-120-200 Reporting, recording and maintaining records. Records of all disciplinary cases shall be kept by the disciplinary official taking or initiating the action. Except in proceedings where the student is exonerated, all documentary or other physical evidence produced or considered in disciplinary proceedings and all recorded testimony shall be preserved, insofar as is reasonably possible, for five years. No other records of proceedings wherein the student is exonerated, other than the fact of exoneration, shall be maintained in the student's file or other college repository after the date of the student's graduation or not more than five years.

WAC 495B-140-010 Use of college facilities. Bellingham Technical College serves Whatcom County by providing continued educational opportunity for its citizens. In keeping with this general purpose, the college believes that facilities should be available for a variety of uses which are of benefit to the general public if such general uses do not interfere with the educational mission of the college. However, a

state agency is under no obligation to make its public facilities available to the community for private purposes.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-140-010, filed 2/10/93, effective 3/13/93.]

WAC 495B-140-020 Limitation of use to college activities. (1) When allocating use of college facilities, the highest priority is always given to activities specifically related to the college's mission. No arrangements will be made that may interfere with or operate to the detriment of, the college's own teaching, research, or public service programs. In particular, college buildings, properties, and facilities, including those assigned to student programs, are used primarily for:

(a) The regularly established teaching, research, or public service activities of the college and its departments;

(b) Cultural, educational, or recreational activities of the students, faculty, or staff;

(c) Short courses, conferences, seminars, or similar events, conducted either in the public service or for the advancement of specific departmental professional interests, when arranged under the sponsorship of the college or its departments.

(d) Public events of a cultural or professional nature brought to the campus at the request of college departments or committees and presented with their active sponsorship and active participation;

(e) Activities or programs sponsored by educational institutions, by state or federal agencies, by charitable agencies or civic or community organizations whose activities are of widespread public service and of a character appropriate to the college.

(2) College facilities shall be assigned to student organizations for regular business meetings, social functions and for programs open to the public. Any recognized campus student organization may invite speakers from outside the college community. The appearance of an invited speaker on campus does not represent an endorsement by the college, its students, faculty, administration, or the board of trustees, implicitly or explicitly, of the speaker's views.

(3) Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to insure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Arrangements by both organizations and individuals must be made through the designated administrative officer. Allocation of space shall be made in accordance with college rules and on the basis of time, space, priority of request and the demonstrated needs of the applicant.

(4) The college may restrict an individual's or a group's use of college facilities if that person or group has, in the past, physically abused college facilities. Charges may be imposed for damage or for any unusual costs for the use of facilities. The individual, group or organization requesting space will be required to state in advance the general purpose of any meeting.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-140-020, filed 2/10/93, effective 3/13/93.]

(2009 Ed.)

WAC 495B-140-030 Statement of intentions. The college neither intends nor desires to compete with any local agency or private enterprise in making its facilities available to the community. Privately operated facilities exist which are well qualified to best meet many community needs. The college encourages the community to patronize local businesses or agencies. With this approach, the college will work cooperatively with local private enterprise to the mutual benefit of all concerned.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-140-030, filed 2/10/93, effective 3/13/93.]

WAC 495B-140-040 General policies limiting use. (1) College facilities may not be used for purposes of political campaigning by or for candidates who have filed for public office except for student-sponsored activities or forums.

(2) Religious groups shall not, under any circumstances, use the college facilities as a permanent meeting place. Use may be intermittent only.

(3) The college reserves the right to prohibit the use of college facilities by groups which restrict membership or participation in a manner inconsistent with the college's commitment to nondiscrimination as set forth in its written policies and rules.

(4) Activities of a political or commercial nature will not be approved if they involve the use of promotional signs or posters on buildings, trees, walls, or bulletin boards, or the distribution of samples outside the rooms or facilities to which access has been granted.

(5) These rules shall apply to recognized student groups using college facilities.

(6) Handbills, leaflets, and similar materials except those which are commercial, obscene, or unlawful may be distributed only in designated areas on the campus where, and at times when, such distribution will not interfere with the orderly administration of the college affairs or the free flow of traffic. Any distribution of materials as authorized by the designated administrative officer shall not be construed as support or approval of the content by the college community or the board of trustees.

(7) Use of audio amplifying equipment is permitted only in locations and at times which will not interfere with the normal conduct of college affairs as determined by the appropriate administrative officer.

(8) No person or group may use or enter onto college facilities having in their possession firearms or weapons, except as prescribed by law.

(9) The right of peaceful dissent within the college community will be preserved. The college retains the right to take steps to insure the safety of individuals, the continuity of the educational process, and the protection of property. While peaceful dissent is acceptable, violence or disruptive behavior is not a legitimate means of dissent. Should any person, group or organization attempt to resolve differences by means of violence, the college and its officials need not negotiate while such methods are employed.

(10) Orderly picketing and other forms of peaceful dissent are protected activities on and about the college premises. However, interference with free passage through areas where members of the college community have a right to be, interference with ingress and egress to college facilities,

interruption of classes, injury to persons, or damage to property exceeds permissible limits.

(11) Where college space is used for an authorized function (such as a class or a public or private meeting under approved sponsorship, administrative functions or service related activities), groups must obey or comply with directions of the designated administrative officer or individual in charge of the meeting.

(12) If a college facility abuts a public area or street, and if student activity, although on public property, unreasonably interferes with ingress and egress to college buildings, the college may choose to impose its own sanctions although remedies might also be available through local law enforcement agencies.

WAC 495B-140-050 Administrative control. The board hereby delegates to the president authority to set up administrative procedures for the use of college facilities; and to establish rental schedules where appropriate.

WAC 495B-140-060 Trespass. (1) Individuals who are not students or members of the faculty or staff and who violate these rules will be advised of the specific nature of the violation, and if they persist in the violation, they will be requested by the president, or his or her designee, to leave the college property. Such a request prohibits the entry of and withdraws the license or privilege to enter onto or remain upon any portion of the college facilities by the person or group of persons requested to leave. Such persons shall be subject to arrest under the provisions of chapter 9A.52 RCW.

(2) Members of the college community (students, faculty, and staff) who do not comply with these regulations will be reported to the appropriate college office or agency for action in accordance with these rules.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-140-060, filed 2/10/93, effective 3/13/93.]

WAC 495B-140-070 Prohibited conduct at college facilities. (1) The use or possession of unlawful drugs or narcotics, not medically prescribed, or of intoxicants on college property or at college functions, is prohibited. Students obviously under the influence of intoxicants, unlawful drugs or narcotics while in college facilities are subject to disciplinary action.

(2) The use of tobacco is prohibited in accordance with health regulations.

(3) Destruction of property is also prohibited by state law in reference to public institutions.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-140-070, filed 2/10/93, effective 3/13/93.]

WAC 495B-140-080 Control of pets in college facilities. Pets are not permitted in campus buildings or on the grounds except guide or service dogs for the visually or hearing impaired.

WAC 495B-140-090 Basis of fee assessment. (1) The basis for establishing and charging use fees reflects the college's assessment of the present market, the cost of operations, and an evaluation of the intended purpose and its relationship to the purposes of this college. The board of trustees has determined that groups or organizations affiliated with the college should be permitted access to facilities at the lowest charge on the fee schedule which may include complimentary use. A current fee schedule is available to interested persons from the business office.

(2) The college does not wish to compete with private enterprise. Therefore, the college reserves the right to deny applications for facility use when the administration and/or the board of trustees feels a commercial facility should be patronized. At no time will facility use be granted for a commercial activity at a rental rate, or upon terms, less than the full and fair rental value of premises used.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-140-090, filed 2/10/93, effective 3/13/93.]

WAC 495B-140-100 Application procedures. (1) At least seven working days prior to date of intended use of any college facility, an authorized representative of the requesting organization must submit proper and complete written application which may be obtained through the college's office of continuing education. A single application may be sufficient for a series of meetings by an organization unless those meetings vary significantly in some substantive way; if so, separate applications will be required.

(2) Upon approval of the application, an authorized representative of the using organization shall sign the rental agreement. By affixing a signature as representing the using organization, the signatory specifies he or she has authority to enter into agreement on behalf of the organization. If the organization fails to pay the amount due, the signatory becomes responsible for all charges, which may include interest payment for overdue accounts, as specified on the rental form but not less than one percent per month.

(3) For large events, events requiring expenditures on the part of the college, or where significant areas are blocked out for the renter, a minimum of up to fifty percent advance deposit may be required at the time of application.

(4) The college reserves the right to make pricing changes without prior written notice.

(5) Use of a facility is limited to the facilities specified on the agreement.

(6) The priorities for facility use place primary emphasis on regular college events and activities. The president and the board of trustees reserve the right to cancel any permit and refund any payments for use of college facilities and equipment when they deem such action advisable and in the college's best interests.

(7) In the event of a cancellation of a facility use permit by the applicant, that organization is liable for all college costs and expenses in preparing the facility for its use.

(8) Any admission charge is to be specified and approved by the college.

495B-300-020	Informal procedure.
495B-300-030	Formal procedure.
495B-300-040	Other remedies.

WAC 495B-300-010 Preamble. Bellingham Technical College is covered by Title IX of the Civil Rights Act of 1964 prohibiting sex discrimination in education. Any applicant for admission, enrolled student, applicant for employment or employee of Bellingham Technical College who believes she/he has been discriminated against on the basis of sex may lodge an institutional grievance by following the procedures below.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-300-010, filed 2/10/93, effective 3/13/93.]

WAC 495B-300-020 Informal procedure. All employees and students should feel free to discuss perceived discrimination with the individual immediately in charge, such as the first-line supervisor or instructor, to see if the situation can be resolved informally. Employees and students may also consult directly with the college affirmative action officer without making a formal written complaint, and this consultation will be considered confidential. Employees and students are not required to use the informal process and may go directly to the formal procedure.

Any college official receiving a discrimination complaint shall contact the affirmative action officer or designee as soon as reasonably convenient. The college official shall arrange for the complainant to receive a copy of the complaint procedure.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-300-020, filed 2/10/93, effective 3/13/93.]

WAC 495B-300-030 Formal procedure. Step one: Employees and students must make a written complaint concerning discriminatory behavior to the affirmative action officer or designee.

(1) Complaints will be held in confidence. No action against the person accused will be taken on behalf of the complainant unless the complainant consents to be identified to the one accused in connection with the investigation.

(2) The complainant may bring a person of his or her choice to the initial or subsequent complaint meetings.

(2009 Ed.)

(3) The affirmative action officer or designee shall give a copy of these regulations and any applicable board policy to the person making the formal complaint and to the accused.

(4) The result of that consultation and any investigation made will be communicated to the complainant before any further action is taken.

(5) An informal hearing may be substituted for investigation if the complainant and the accused agree. The affirmative action officer or designee will be responsible for investigating the complaint and discussing the complaint with the accused. The affirmative action officer will make a written recommendation to the president within a reasonable time following the close of the investigation or hearing.

(6) Appropriate corrective measures will be decided by the president of the college upon consultation with the affirmative action officer and the appropriate administrators or supervisors involved. If an accused employee or student disagrees with the determination or appropriateness of the corrective measures, that individual may contest those measures through the formal faculty or classified grievance procedures, if they are covered by an agreement, or the student disciplinary code.

(7) Information will be entered in the personnel or student file only to the extent that a formal reprimand or other disciplinary action has been taken. If no disciplinary action is taken, the affirmative action officer will keep a record of the investigation accessible to the president, the complainant and the accused for a period of three years and then that record will be destroyed. If a formal complaint is filed with an outside state or federal agency, files will be maintained until the complaint is resolved. When such files are used, written notice will be placed in the file indicating the person using the file and the date used.

[Statutory Authority: RCW 28B.10.140, 42.30.075 and chapter 34.05 RCW. 93-05-018, § 495B-300-030, filed 2/10/93, effective 3/13/93.]

WAC 495B-300-040 Other remedies. These procedures outlined in WAC 495B-300-010 through 495B-300-030, are internal college procedures and, as such, serve to resolve complaints within the college's administrative framework. These procedures do not replace an individual's timely complaint with an external agency such as the office of civil rights, equal employment opportunity commission, or the Washington state human rights commission.
