The person or organization claiming an exemption from the licensing requirements must provide the department proof of entitlement to the exemption at the licensor's request.

(a) The seriousness of the violation;

(c) The violation represents a potential threat to the health, safety, and/or welfare of children in care.

(4) The department may impose a civil penalty in addition to or in conjunction with other disciplinary actions against a child care license including probation, suspension, or other action.

(2) You must continue to post the notice until the department receives your payment.

WAC 170-151-095 May the department assess civil penalties on unlicensed programs? The department may contact the program, send a letter, or make an on-site visit to determine that the agency is operating without a license. Where the department has determined that an agency is operating without a license, the department must send written notification to the unlicensed program by certified mail or other means showing proof of service. This notification must contain the following:

(1) Notice to the agency of the basis for the department's determination that the agency is providing child care without a license and the need for the department to license the agency;
(2) The citation of the applicable law;
(3) The assessment of seventy-five dollars per day penalty for each day the agency provides unlicensed care. The department makes the fine effective and payable within thirty days of the agency's receipt of the notification;
(4) How to contact the department;
(5) The unlicensed agency's need to submit an application to the department within thirty days of receipt of the department's notification;
(6) That the department may forgive the penalty if the agency submits an application within thirty days of the notification; and
(7) The unlicensed agency's right to an adjudicative proceeding as a result of the assessment of a monetary penalty and the appropriate procedure for requesting an adjudicative proceeding.

WAC 170-151-096 May the department impose civil penalties for separate violations? Each violation of a law or rule constitutes a separate violation. The department may penalize each violation. The department may impose a penalty for each day the violation continues.

WAC 170-151-097 What if I do not pay the civil penalty? The department may suspend, revoke or not renew a license for failure to pay a civil monetary penalty the department has assessed within ten days after such assessment becomes final.
