Chapter 246-834 WAC  MIDWIVES

WAC 246-834-010 Definitions. (1) Academic director as used in these rules means the individual who is responsible for planning, organizing and implementing all aspects of the curriculum of a midwifery education program.

(2) Health care provider as used in RCW 18.50.108 means any licensed physician who is engaged in active clinical obstetrical practice.

(3) Nursing education as used in these rules means completion of courses for credit in a school that is approved to train persons for licensure as registered nurses or licensed practical nurses, or courses in other formal training programs which include instruction in basic nursing skills.

(4) Practical midwifery experience as used in these rules means performance in midwifery functions, prior to obtaining a license, that is verified by affidavit, testimony or other sworn written documentation that verifies that the experience and its documentation is equivalent to that required of regularly enrolled midwifery students.

(5) Preceptor. A preceptor is a licensed or legally practicing obstetric practitioner who assumes responsibility for supervising the practical (clinical obstetric) experience of a student midwife. The preceptor shall be physically present whenever the student is managing a birth, and shall evaluate in writing the student's overall performance.

(6) Supervision means the observation and evaluation of a student midwife's practical performance. A supervisor need not be physically present in nonbirth situations. However, when a student midwife undertakes managing a birth, the supervisor must be physically present.

(7) Survey visit is an information gathering and observational visit intended to provide the basis for the director's assessment of a school's compliance with all aspects of chapter 18.50 RCW.

246-834-050 Examination requirements for licensure as a midwife. This rule provides the minimum examination requirements for licensure as a midwife.

(1) The midwifery examination offered by the North American Registry of Midwives (NARM) is the official examination for midwifery licensure. All applicants must complete this examination with a passing score. This examination shall be offered by the department of health midwifery program twice a year. If the applicant passes the examination within two years prior to applying for a Washington license, the department will accept the results.

(2) In addition to the NARM examination, all applicants must pass the Washington state specific component examination.

WAC 246-834-060 Application requirements for licensure as a midwife. This rule provides the requirements for application for a midwife license.

(9/20/11)
(1) All applicants must submit a Washington state application for licensure, along with the applicable fees specified in WAC 246-830-990 and additional documentation as specified below. Applications must be received fifty-six days prior to the examination.

(2) Applicants must submit the following documentation:

(a) Transcripts sent directly from an approved school which indicate the applicant has received a certificate or diploma in midwifery. Those applicants applying under WAC 246-834-220 will be exempted from this requirement.

(b) One current passport type photograph, signed and dated across the bottom of the photo or on the back.

(c) Proof of high school graduation or passing the general educational development test.

(d) A current plan for consultation, emergency transfer and transport.

(e) Verification of seven clock hours of AIDS education as required in chapter 246-12 WAC, Part 8.

(f) Applicants with disabilities who wish to request special accommodations must do so when submitting their application.

(g) Applicants who have passed the NARM examination within the past two years must have verification of the examination results sent directly from NARM to the department.

(3) It is the applicant's responsibility to complete an application for the NARM examination and submit the application along with the NARM examination fee directly to NARM. A NARM application and instructions will be provided in the state application packet sent to the applicant.

WAC 246-834-065 Application for examination—Out-of-state education. (1) A midwife not licensed in the state of Washington may sit for the licensing examination without completing the required coursework or the midwife-in-training program provided the midwife meets the following requirements:

(a) Has completed a program preparing candidates to practice as a midwife provided such program is equivalent to the minimum course requirements of approved midwifery programs in Washington at the time of applicant's program completion. Proof of equivalency shall be submitted by the applicant with the application.

(b) The transcript of the applicant's completed midwifery program verifies that:

(i) All courses were completed with a grade of C (pass) or better; and

(ii) At least fifteen managed births were completed under the preceptorship of an experienced midwife approved by the candidate's educational program.

(c) If managed births completed under the preceptorship in (b)(ii) of this subsection are less than fifty, then affidavits of births the applicant has managed must be submitted in a sufficient number to prove that the applicant has managed a total of at least fifty births.

(2) The applicant shall submit to the department:

(i) A complete notarized application with the required fee.

(ii) Notarized copies of educational preparation or an official transcript verifying educational preparation or an official transcript verifying educational preparation to practice midwifery.

(iii) Declarations of managed births as required in subsection (1)(c) of this section.

(3) Applicants must demonstrate completion of seven clock hours of AIDS education as provided in chapter 246-12 WAC, Part 8.

[Statutory Authority: RCW 43.70.280. 98-05-060, § 246-834-065, filed 2/13/98, effective 3/16/98. Statutory Authority: RCW 18.50.135. 89-16-037 (Order PM 856), § 308-115-065, filed 7/25/89, effective 8/25/89.]

WAC 246-834-070 Release of examination results. (1) Applicants shall be notified of examination results. All notices shall be by mail. The minimum passing score for both the NARM examination and the Washington state specific component examination is 75.

(2) Applicants who pass both the NARM examination and the Washington state specific component examination and meet all eligibility requirements shall receive a license to practice as a midwife, unless there are grounds for disciplinary action under chapter 18.130 RCW.

(3) Applicants who fail shall receive notice of their eligibility to be reexamined, and of the procedure for applying for reexamination.

(4) Results of the examination will not be released to anyone except as provided above unless release is authorized by the applicant in writing.

WAC 246-834-080 Failures. (1) An applicant who has failed either the NARM examination or the Washington state specific component examination or both must retake and pass the examination(s) which he or she failed. The applicant may sit for the examination if he or she:

(a) Applies to the department at least fifty-six days prior to the next scheduled examination; and

(b) Pays any required fee as specified in WAC 246-834-990.

(2) Applicants who fail the second retest shall be required to submit evidence to the secretary of completion of an individualized program of study approved in advance by the department prior to retaking the examination.

(3) Applicants may have their examination hand-scored by submitting a request and appropriate fee directly to NARM within ninety days of the examination administration. A copy of their request must be sent to the department. The department will inform the applicant of the results of the hand-scored examination.

[Ch. 246-834 WAC—p. 2]
WAC 246-834-090 Purpose of accreditation of midwifery educational programs. The secretary provides for accreditation of midwifery educational programs for the following reasons:

1. To ensure that only qualified midwives will be licensed to practice in the state of Washington.

2. To ensure the safe practice of midwifery by setting minimum standards for midwifery educational programs that prepare persons for licensure as midwives.

3. To ensure that each midwifery educational program has flexibility to develop and implement its program of study and that it is based on minimum standards for accredited schools of midwifery provided herein.

4. To ensure that standards for each accredited midwifery program promote self-evaluation.

5. To assure the graduates of accredited schools of their eligibility for taking the licensing examination for midwives.

WAC 246-834-100 Philosophy, purpose and objectives of an accredited midwifery educational program. The philosophy, purpose and objectives of an accredited midwifery educational program shall be stated clearly and shall be in written form.

WAC 246-834-110 Advisory body. Each institution that offers a midwifery educational program shall appoint an advisory body composed of health professionals, midwives and public members. The group should have a minimum of five members and should meet regularly. Functions of the advisory body shall include but not be limited to the following:

1. Promoting communication between the community and the school;

2. Making recommendations on the curriculum, student selection and faculty;

3. Informing the school about needs in midwifery education and practices; and

4. Being informed about the school’s finances.

In institutions whose advisory bodies are provided for by statute, or rule as in the case of public community colleges, universities and vocational-technical institutes, it can be presumed that the advisory body provided for meets these requirements.

WAC 246-834-120 Learning sites. (1) Learning sites utilized by accredited midwifery educational programs shall:

(a) Include a variety of sites in addition to the school that may be used for student experience. These may include, but need not be limited to, hospitals, clinics, offices of health professionals and health centers.

(b) Provide learning experiences of sufficient number and variety that students can achieve the course/curriculum objectives and requirements of the statute.

(2) Written agreements shall be maintained between the school and any supervising clinicians and faculty. Such agreements shall be reviewed periodically by the parties and shall state the responsibilities and privileges of each party.

WAC 246-834-130 Staffing and teacher qualifications. At the time of application for accreditation pursuant to WAC 246-834-180, the school shall provide proof of the following:

1. That the academic director for the midwifery program is either (a) a midwife licensed under chapter 18.50 RCW or (b) a nurse midwife (ARNP) licensed under chapter 18.88 RCW or (c) has been educated in a midwifery program having standards comparable to standards in Washington and has experience in legal midwifery clinical practice.

2. That the clinical faculty and preceptors either (a) hold a current license in the jurisdiction where they practice and demonstrate expertise in the subject area to be taught, or (b) are legally engaged in an active clinical practice and demonstrate expertise in the subject area to be taught.

3. That each member of the faculty either (a) holds a certificate or degree in midwifery or the subject area to be taught, or (b) has no less than three years of experience in the subject area to be taught.

WAC 246-834-140 Curriculum. (1) The basic curriculum shall be at least three academic years, and shall consist of both didactic and clinical instruction sufficient to meet the educational standards of the school and of chapter 18.50 RCW. However, the school may shorten the length of time for the program after consideration of the student's documented education and experience in the required subjects, if the applicant is a registered nurse under chapter 18.88 RCW, a licensed practical nurse under chapter 18.78 RCW, or has had previous nursing education or practical midwifery experience. The midwifery training shall not be reduced to a period of less than two academic years. Each student must undertake the care of not less than fifty women in each of the prenatal, intrapartum and early postpartum periods. The care of up to thirty five women in each of the periods may be undertaken as part of previous nursing education or practical midwifery experience as defined in WAC 246-834-010(5). No less than fifteen women must be cared for in each period while enrolled in the school from which the student

(9/20/11)
graduates. The student need not see the same women throughout each of the periods. A candidate for licensure must observe an additional fifty women in the intrapartum period in order to qualify for licensure. Up to thirty-five of these observations may be as part of previous nursing education or practical midwifery experience as defined in WAC 246-834-010(5). No less than fifteen women must be observed in the intrapartum period while enrolled in the school from which the student graduates.

(2) Each school must ensure that the students receive instructions in the following instruction area:

(a) Instruction in basic sciences (including biology, physiology, microbiology, anatomy with emphasis on female reproductive anatomy, genetics and embryology) normal and abnormal obstetrics and gynecology, family planning techniques, childbirth education, nutrition during pregnancy and lactation, breast feeding, neonatology, epidemiology, community care, and medicolegal aspects of midwifery.

(b) Instruction in basic nursing skills and clinical skills, including but not limited to vital signs, perineal prep, enema, catheterization, aseptic techniques, administration of medications both orally and by injection, local infiltration for anesthesia, venipuncture, administration of intravenous fluids, infant and adult resuscitation, and charting.

(c) Clinical practice in midwifery which includes care of women in the prenatal, intrapartal and early postpartum periods, in compliance with RCW 18.50.040.

(3) Provision shall be made for systematic, periodic evaluation of the curriculum.

(4) Any proposed major curriculum revision shall be presented to the secretary at least three months prior to implementation.

[WAC 246-834-150 Students. (1) Written policies and procedures for selection, admission, promotion, graduation and withdrawal of students shall be available.

(2) Courses completed prior to enrollment in the midwifery school should have been completed within ten years of enrollment and must be documented by official transcript in order for reduction of basic requirements to be considered.

(3) Students who seek admission by transfer from another midwifery educational program shall meet the equivalent of the school’s current standards for those regularly enrolled. The school may grant credit for the care of up to thirty-five women in each of the periods undertaken as a part of previous midwifery education. No less than fifteen women must be cared for in each period while enrolled in the school from which the student graduates. The student need not see the same women throughout each of the periods. A candidate for licensure must observe an additional fifty women in the intrapartum period in order to qualify for licensure. Up to thirty-five of these observations may be as part of previous midwifery education. No less than fifteen women must be observed in the intrapartum period while enrolled in the school from which the student graduates.

(4) Individuals may request advanced placement on the basis of their previous practical midwifery experience as specified in RCW 18.50.040(2) and WAC 246-834-010(5) but in no case shall a school grant credit for more than thirty-five of the fifty required managed births. At least fifteen of the managed births must be undertaken while enrolled in the school granting advanced placement.

(5) Each school shall maintain a comprehensive system of student records.

[WAC 246-834-160 Student midwife permit. (1) A permit may be issued to any individual who has:

(a) Successfully completed an accredited midwifery program as specified in RCW 18.50.040 (2)(a) and (b); and

(b) Undertaken the care of not less than fifty women in each of the prenatal, intrapartum and early postpartum periods as required by RCW 18.50.040 (2)(c) and by these rules; and

(c) Satisfactorily completed the licensing examination required by RCW 18.50.060; and

(d) Filed a completed application for student midwife permit accompanied by a nonrefundable fee as specified in WAC 246-834-990.

(2) The student midwife permit authorizes the individuals to practice and observe fifty women in the intrapartum period under the supervision of a licensed midwife, licensed physicians or CRN (nurse midwife).

[WAC 246-834-170 Reports to the department of health by accredited midwifery educational programs. (1) An annual report on the program and its progress for the period July 1 to June 30 shall be submitted to the department by each midwifery educational program on forms supplied by the department.

(2) Written notification shall be sent to the department regarding major changes relating to, but not limited to, the following:

(a) Change in the administrator or academic director.

(b) Organizational change.

(c) Changes in extended learning sites.

The information submitted to the department of health shall include the reason for the proposed change.

(3) The secretary may require submission of additional reports.

WAC 246-834-190 School survey visits. The secretary's designee shall make survey visits to midwifery educational programs:

(1) At least annually during the first three years of operation, and

(2) At least every two years after the new school's first three years of operation or more often at the discretion of the secretary.

(3) The cost of a survey visit to a midwifery educational program outside the state of Washington shall be borne by the program requesting accreditation.

[Statutory Authority: RCW 18.50.135 and 18.50.045. 92-02-018 (Order 224), § 246-834-190, filed 12/23/91, effective 1/23/92. WAC 246-834-210 Closure of an accredited school of midwifery. (1) When an organization decides to discontinue its school of midwifery, written notification of the planned closure should be sent to the department.

(2) A school in the process of closing shall remain accredited until the students who are enrolled at the time the department receives the notice of planned closure have been graduated, provided that the minimum standards are maintained by the school.

(3) When a closing midwifery school's last students graduate, its accreditation shall terminate.

(4) A closing midwifery school shall provide for safe storage of vital school records and should confer with the secretary concerning the matter.

WAC 246-834-220 Credit toward educational requirements for licensure. (1) Applicants not meeting the minimum requirements set forth in WAC 246-834-060 may apply to the department for licensure by submitting the following:

(a) A completed, notarized application on a form provided by the department accompanied by a nonrefundable fee as specified in WAC 308-115-405;

(b) Credit for academic courses:

(i) Certification by an accrediting body, which has been approved by the department, of completed academic and continuing education courses as required in RCW 18.50.040 (2)(b) for which the applicant has received a grade of "C" or better. A certified copy of the courses taken and grades or scores achieved shall be submitted by the accrediting body directly to the department; or

(ii) Completion of challenge examinations approved by the department with a minimum score of 75% for any academic subject required in RCW 18.50.040 (2)(b). Challenge examinations shall be administered a minimum of twice a year. An applicant for challenge examination must file a completed application for each examination along with the required fee with the department at least 45 days prior to the examination.

(c) A prospectus for permission to undertake a midwife-in-training program. Such a program shall be on such terms as the department finds necessary to assure that the applicant meets the minimum statutory requirements for licensure set forth in RCW 18.50.040, and shall include, but not be limited to the following:

(i) The program shall be under the guidance and supervision of a preceptor, and shall be conducted for a period of not more than five years;

(ii) The program shall be designed to provide for individual learning experiences and instruction based upon the applicant's academic background, training, and experience;

(iii) The prospectus for the program shall be submitted on an approved form, signed by the preceptor, and approved by the department prior to the commencement of the program. Any changes in the program shall be reported within thirty days in writing to the department, and the department may withdraw the approval given, or alter the conditions under which approval was originally given, if the department finds that the program as originally submitted and approved has not been or is not being followed.

(2) The midwife-in-training program prospectus must include the following components:

(a) A plan for completion of required academic subjects required in RCW 18.50.040 (2)(b);

(b) Planned reading and written assignments;

(c) A project including at least one problem-solving component to be submitted in writing. The problem-solving
component should include the definition of an acknowledged problem, the method of approach to the problem, the listing of possible alternatives, the actions taken, evaluation, and final recommendations to improve care given;

(d) Other planned learning experiences including acquisition of knowledge about other health and welfare agencies in the community;

(e) A quarterly written report, on an approved form, submitted to the department by the trainee, which shall include a detailed outline of progress toward meeting the objectives of the prospectus during the reporting period;

(f) The program must provide for a broad range of experience with a close working relationship between preceptor and the trainee. Toward that end, as a general rule, no program will be approved which would result in an individual preceptor supervising more than two midwives-in-training simultaneously. Exception to this rule may be granted by the department in unusual circumstances;

(g) The department may, in an individual case, require additional approved education, based upon assessment of the individual applicant's background, training and experience.

(3) Upon approval of the application, a trainee permit will be issued which enables the trainee to practice under the supervision of a preceptor. The permit shall expire within one year of issuance and may be extended as provided by rule.

(4) The trainee shall provide documentation of care given as follows:

(a) Records of no more than thirty-five women to whom the trainee has given care in each of the prenatal, intrapartum, and early postpartum periods, although the same women need not have been seen through all three periods. These records must contain affidavits from the clients certifying that the care was given. If a client is unavailable to sign an affidavit, an affidavit from a preceptor or a certified copy of the birth certificate may be substituted. The care may have been given prior to the beginning of the midwife-in-training program or during the trainee period;

(b) After being issued a trainee permit, the trainee must manage care in the prenatal, intrapartum, and early postpartum period of fifteen women under the supervision of the preceptor. These women shall be in addition to the women whose records were used to meet the conditions of (a) of this subsection. The preceptor shall submit, on approved forms, completed check-lists of skills and experiences when this requirement has been met;

(c) Evidence, on an approved form, of observing fifty deliveries in addition to those specified in (b) of this subsection. The deliveries may have been observed prior to the beginning of the midwife-in-training program or may be observed during the trainee period.

(5) Upon satisfactory completion of subsections (1)(a) through (4)(c) of this section, the trainee is eligible to apply for the examination.

WAC 246-834-230 Preceptor for midwife-in-training program. (1) In reviewing a proposed midwife-in-training program, the department shall use the following criteria in assessing the qualifications and determining the responsibilities of the preceptor:

(a) Qualifications of preceptor:
   (i) The preceptor shall have demonstrated the ability and skill to provide safe, quality care;
   (ii) The preceptor shall have demonstrated continued interest in professional development beyond the requirements of basic licensure;
   (iii) The preceptor shall participate in and successfully complete any preceptor workshop or other training deemed necessary by the department; and,
   (iv) The preceptor shall be licensed in the state of Washington. Exception to this rule may be granted by the department in unusual circumstances.

(b) Responsibilities of the preceptor:
   (i) The preceptor shall monitor the educational activities of the trainee and shall have at least one conference with the trainee quarterly to discuss progress;
   (ii) The preceptor shall submit quarterly progress reports on approved forms to the department, and;
   (iii) The preceptor shall maintain and submit the check-lists as specified in WAC 246-834-220 (4)(b).
