WAC 392-144-020 Definitions. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise:

(1) "School bus driver" means a person, who is employed by a school district including contracted drivers under WAC 392-144-040 (1) and (2) and as part of that employment or contract, operates a school bus as defined in WAC 392-143-010, or other motor vehicles for the regularly scheduled transportation of students between home and school. School buses shall be operated by authorized school bus drivers when transporting students. An authorized school bus driver may also transport students on field trips and other school related activities.

(2) "A school bus driver's authorization" means an authorization issued by the superintendent of public instruction indicating that the person has met the requirements to

operate a school bus or other motor vehicle for the purpose of transporting students to and from school routinely on scheduled routes and/or school activities. A school bus driver must be authorized prior to transporting students and such authorization shall continue in effect as long as the person continues to meet the requirements of this chapter. A school bus driver authorization is not valid if suspended, revoked or lapsed.

(3) "School bus driver instructor's authorization" means an authorization issued by the superintendent of public instruction to a person successfully completing the superintendent of public instruction approved school bus driver instructor course. This authorization qualifies a person to train and verify the training of school bus drivers. This authorization shall lapse unless the holder successfully completes an annual school bus driver instructor's in-service course.

(4) "School bus driver training course" means a course established by the superintendent of public instruction and taught by an authorized school bus driver instructor. This course shall be successfully completed by all applicants for a school bus driver's authorization.

(5) "School bus driver annual in-service training course" means an annual course taught by an authorized school bus driver instructor. The content and minimum time requirements of such course shall be annually determined by the superintendent of public instruction and shall be required to be completed no earlier than August 1st and no later than November 1st by all authorized school bus drivers.

(6) "School bus driver instructor's course" means a training program authorized by the superintendent of public instruction to qualify a person as a school bus driver instructor.

(7) "School bus driver instructor's annual in-service course" means an annual required course, the content of which shall be determined by the superintendent of public instruction. Successful completion of this course prevents the instructor's authorization from lapsing.

(8) "Serious behavioral problem" includes, but is not limited to, conduct which indicates unfitness to carry out the responsibilities related to the occupation or job performance of transporting children, such as: Dishonesty; immorality; or misuse of alcohol, a controlled substance, or a prescription drug; or furnishing alcohol or controlled substances to a minor or student. It does not include the orderly exercise during off-duty hours of any rights guaranteed under the law to citizens generally, except where such conduct indicates a safety risk for the transportation of students.

(9) "Medical examiner's certificate" means a written verification of passing a medical examination in accordance with the standards established in 49 C.F.R. 391.41 through 391.49, of the Federal Motor Carrier Safety Regulations.

(a) School bus drivers must provide verification of passing a medical examination at a minimum of every twenty-four months.

(b) School bus drivers must continue to meet these medical requirements during the time between examinations.

(c) A school district may require more frequent examinations of any school bus driver. If a school district requires a school bus driver to be examined by a district selected physician, the school district must pay for the cost of such exam. If the driver objects to the district selected physician, a physician must be selected that is mutually acceptable.

(d) An individual who is a diabetic being treated with insulin may hold a school bus driver authorization if they meet the following requirements:

(i) Possess a valid commercial driver license intrastate medical waiver for diabetes from the Washington state department of licensing or a valid interstate exemption certificate for diabetes issued by the Federal Motor Carrier Safety Administration;

(ii) Provide at a minimum of every twenty-four months to the authorizing school district(s) or employer a completed, signed copy of Form SPI 1643, Application Section, and a completed, signed copy of Form SPI 1643, Physician Evaluation Section indicating the driver's medical condition allows them to safely operate a school bus while using insulin. The Physician Evaluation Section must indicate that within the past three years, the driver has completed instruction including diabetes management and driving safety; the signs and symptoms of hypoglycemia and hyperglycemia, and what procedures must be followed if complications arise. Physician verification of participation in a diabetes education program covering these topics is required at least every three years in order to remain qualified for a school bus driver authorization;

(iii) Provide at a minimum of every twelve months to the authorizing school district(s) or employer a completed, signed copy of Form SPI 1643, Vision Evaluation Section indicating the driver does not have any vision problems that might impair safe driving;

(iv) Provide at a minimum of every six months to the authorizing school district(s) or employer a completed, signed copy of Form SPI 1643, HbA1c Report Section indicating values more than 5.9 and less than 9.6 (unless accompanied by the signed medical opinion that the event was incidental and not an indication of failure to control glucose levels);

(v) Self-monitor blood glucose using an FDA approved device and demonstrate conformance with requirements (more than 100 mg/dl and less than 300 mg/dl):

(A) Within one hour before driving vehicles transporting students; and

(B) Approximately every four hours while on duty;

(vi) Maintain a daily log of all glucose test results for the previous six-month period and provide copies to the authorizing school district(s) or employer, and the medical examiner or physician upon request;

(vii) Carry a source of readily absorbable/fast-acting glucose while on duty;

(viii) Report immediately to their employer, any failure to comply with specific glucose level requirements as listed in (d)(iv) or (v) of this subsection, or loss of consciousness or control;

not qualify for a school bus driver authorization for one year, provided there has not been a recurrent hypoglycemic reaction requiring assistance of another person within the previous five years;

(x) A school bus driver is no longer authorized to operate a school bus and must be immediately removed from driving duties for any of the following:

(A) Results of the most recent HbA1c test indicating values less than 6.0 or greater than 9.5 unless accompanied by the signed medical opinion that the event was incidental and not an indication of failure to control glucose levels;

(B) Results of self-monitoring indicate glucose levels less than 100 mg/dl or greater than 300 mg/dl, until self-monitoring indicates compliance with specifications;

(C) Experiencing a loss of consciousness or control relating to diabetic condition;

(D) Failing to maintain or falsifying the required records, including self-monitoring records and any section of Form SPI 1643;

(xi) The authorizing school district or employer may request medical review of any or all signed, completed sections of Form SPI 1643, Washington State Authorized School Bus Driver Diabetes Exemption Program, and the driver's daily glucose test logs by a medical examiner or physician of their choice. The cost of this review shall be paid by the school district or employer.

WAC 392-144-130 Discipline—Grounds for denial, suspension, or revocation of authorization—Emergency suspension—Appeals—Adjudicative proceedings. (1) A request for an authorization may be denied or an authorization issued under this chapter may be suspended or revoked for failure to meet any of the minimum requirements set forth in WAC 392-144-101 and 392-144-102 or for disqualifying conditions set forth in WAC 392-144-103, established by a preponderance of the evidence.

(2) Conduct, which by a preponderance of the evidence, amounts to a serious behavioral problem which endangers the educational welfare or personal safety of students, teachers, school bus drivers, or other colleagues is grounds for denial, suspension, or revocation whether or not the conduct constitutes a crime. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to denial, suspension, or revocation action. Upon such conviction, however, the judgment and sentence is conclusive evidence at the ensuing hearing of the guilt of the authorized driver or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based.

(3)(a) Any person in a court-ordered treatment program for alcohol or other drug misuse shall have his or her authorization suspended until treatment is satisfactorily completed and the completion is confirmed by a state-approved alcohol or drug treatment program at which time the authorization will be reinstated.

(b) In all cases of deferred prosecution under chapter 10.05 RCW, the authorization shall be suspended until the court confirms successful completion of the court approved

treatment program at which time the authorization will be reinstated.

(4) Emergency suspension. If the superintendent of public instruction finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, emergency suspension of an authorization may be ordered pending proceedings for revocation or other action. In such cases, the superintendent of public instruction shall expedite all due process actions as quickly as possible.

(5)(a) Appeals and adjudicative proceedings. Any person desiring to appeal a denial, suspension, or revocation of a school bus driver authorization may do so to the superintendent of public instruction or designee in accordance with the adjudicative proceedings in RCW 34.05.413 through 34.05.-494, and the administrative practices and procedures of the superintendent of public instruction in chapter 392-101 WAC.

(b) The superintendent of public instruction may assign the adjudicative proceeding to the office of administrative hearings and may delegate final decision-making authority to the administrative law judge conducting the hearing.

(c) The superintendent of public instruction may appoint a person to review initial orders and to prepare and enter final agency orders in accordance with RCW 34.05.464.

(d) Any person who disagrees with the school district's determination of failure to meet any school bus driver authorization qualifications may request that the school district forward the pertinent records to the superintendent of public instruction. After review or investigation, the superintendent of public instruction shall grant, deny, suspend, or revoke the authorization.
