(2) An eligible student who enrolls in grade twelve may enroll in an institution of higher education while in the twelfth grade for no more than the course work equivalent to one academic year of enrollment as an annual average full-time equivalent running start student (i.e., three college or university quarters as a full-time equivalent community college or university student, or two semesters as a full-time equivalent college or university student and nine months as a full-time technical college student).

(3) Enrollment in an institution of higher education is limited to the fall, winter and spring quarters, and the fall and spring semesters.

(4) As a general rule a student's eligibility for running start program enrollment terminates at the end of the student's twelfth grade regular academic year, notwithstanding the student's failure to have enrolled in an institution of higher education to the full extent permitted by subsections (1) and (2) of this section: Provided, That a student who has failed to meet high school graduation requirements as of the end of the student's twelfth grade regular academic year (September-June) due to the student's absence, the student's failure of one or more courses, or another similar reason may continue running start program enrollment for the sole and exclusive purpose of completing the particular course or courses required to meet high school graduation requirements, subject to the enrollment limitation established by subsection (2) of this section.

(1) An eligible student's concurrent enrollment in both the regular high school program, and in running start or an institution of higher education under this chapter, may exceed the equivalent of full-time enrollment: Provided, That a designated school district representative and a designated college or university representative may jointly limit a student's concurrent high school and institution of higher education enrollment, but not to less than the equivalent of full-time enrollment, for bona fide academic reasons based upon a joint evaluation of the student's capabilities and the total course work the student seeks to enroll in.

(2) For purposes of limiting a student's combined regular high school and running start program enrollment for bona fide academic reasons under subsection (1) of this section thirty hours per week shall constitute full-time high school or technical college enrollment, and fifteen quarter credit hours or fifteen semester hours shall constitute full-time college or university enrollment. Thus, for example, a student enrolled in the regular high school program for ten hours per week (one-third FTE) and in a college for ten quarter credit hours (two-thirds FTE) is enrolled the equivalent of full-time.

[Ch. 392-169 WAC—p. 4]

Provided further, That this limitation on the assessment of tuition and fees does not apply to a student's college and university enrollment beyond the limitations which may be claimed for state basic education funding under running start in accordance with WAC 392-121-136.

[Statutory Authority: RCW 28A.150.305. 13-02-006, § 392-169-060, filed 12/19/12, effective 1/19/13.
