WAC 16-139-001 Promulgation and purpose. This chapter is promulgated by the director of agriculture for the purpose of establishing fair, uniform and equitable means for assessing civil penalties and licensing actions authorized under RCW 16.49.444, 19.32.060, 69.04.880, 69.07.060, 69.07.110, 69.07.150(2), 69.10.030 and 69.10.050. The rules adopted in WAC 16-139-005 through 16-139-060 apply to violations of chapters 16.49 RCW (Custom slaughtering), 19.32 RCW (Food lockers), 69.04 RCW (Intrastate commerce in food, drugs, and cosmetics), 69.07 RCW, (Washington Food Processing Act) and 69.10 RCW (Food storage warehouses). The director also declares:

(1) Education and technical assistance play an important role in the prevention, correction or abatement of food safety violations and are the department's preferable alternative to regulatory action. However, at times regulatory action is necessary to deter violations of food safety laws and rules, to educate persons about the consequences of such violations, and to compel compliance with food safety laws for the protection of consumers. The department initiates such actions when educational measures, technical assistance, warning letters, compliance agreements or other remedial measures fail to achieve compliance; and

(2) Any regulatory action taken by the department against any person who violates the provisions of chapters 16.49, 19.32, 69.04, 69.07 and 69.10 RCW, and rules adopted thereunder shall be commensurate with the seriousness of the violation under the circumstances; and

(3) Each person shall be treated fairly in accordance with the rules set forth in this chapter.

[Statutory Authority: RCW 16.49.680, 19.32.030, 69.04.730, 69.07.020 and 69.10.055. WSR 98-02-023, § 16-139-001, filed 12/31/97, effective 1/31/98.]

(b) "Prior violation" means the same or a similar violation committed by a person within the previous three years.

(c) "Critical violation" means a violation resulting in food adulteration that could cause injury or illness in consumers or that has the potential to contribute to conditions resulting in such adulteration.

(12/31/97)

(d) "Significant violation" means a violation resulting in food adulteration or food being prepared under unsanitary conditions not apparently related to a public health danger or that has the potential to contribute to conditions resulting in such adulteration and if not corrected could lead to a critical violation.

(e) "Economic violation" means a violation which affects the purchaser economically, either due to misbranding or adulteration where inferior or substandard quality product is substituted, by hiding defects or by false or misleading labeling.

(f) "Other violation" means a violation of chapter 16.49, 19.32, 69.04, 69.07 or 69.10 RCW, not covered under the penalty schedules in WAC 16-139-020 or 16-139-030, including, but not limited to, violation of embargo, mutilation of embargo notices, sale of food from an unlicensed processor, operating without a required license, refusal of inspection or access, interference with the director or the director's designee, or economic and labeling violations.

(g) "Same," with respect to violations, means an identical recurrence or an exact repetition of a previous violation, or a continuation of a previous violation.

(h) "Similar," with respect to violations, means related in appearance or nature; alike though not identical.

WAC 16-139-010 Calculation of penalty. (1) Median penalty selection. In the disposition of administrative cases, the department shall determine the penalty as follows:

[Ch. 16-139 WAC p. 1]

(a) The department shall first determine the correct penalty assignment schedule table listed in either WAC 16-139-020 (critical violations), WAC 16-139-030 (significant violations), or WAC 16-139-040 (economic and other violations), that is applied based on the type of violation alleged.

(b) The department shall then determine the penalty range based on whether there have been prior violations in last three years.

(c) The department shall then determine:

(i) The probability of a violation causing a risk to health under WAC 16-139-020 (critical violations); or

(ii) The probability of a violation resulting in food adulteration under WAC 16-139-030 (significant violations); or

(iii) Whether the violation was knowing under WAC 16-139-040 (economic and other violations).

(d) The scheduled penalty is then applied unless a proportionate adjustment is made. In no case will a penalty less than the minimum penalty listed for the violation be applied.

(2) Proportionate adjustment of median penalty. The department reserves the right to proportionately increase the civil penalty and proportionately decrease the licensing action under certain circumstances. Such circumstances include situations where licensing action as a deterrent is ineffective and includes but is not limited to violations by persons who are not licensed. Likewise, the department reserves the right to proportionately decrease the civil penalty and proportionately increase the licensing action when circumstances in a particular case demonstrate the ineffectiveness of a civil penalty action as a deterrent.
