PART I GENERAL PROVISIONS

WAC 16-157-010 Purpose. This chapter is adopted under RCW 15.86.060 wherein the director is authorized to adopt rules for the proper administration of the Organic Food Products Act, and under RCW 15.86.070 wherein the director is authorized to adopt rules establishing a certification program for producers, processors, and handlers of organic and transitional food.

[Statutory Authority: RCW 15.86.060 and 15.86.070. WSR 06-23-108, § 16-157-010, filed 11/17/06, effective 12/18/06. Statutory Authority: Chapter 15.86 RCW. WSR 02-10-090, § 16-157-010, filed 4/29/02, effective 5/30/02.]

(7/21/09)

WAC 16-157-020 Adoption of the National Organic Program. The Washington state department of agriculture adopts the standards of the National Organic Program, 7 C.F.R. Part 205, effective October 9, 2008, for the production and handling of organic crops, livestock, and processed food products. The National Organic Program rules may be obtained from the department.

[Statutory Authority: Chapter 15.86 and 34.05 RCW. WSR 09-15-152, § 16-157-020, filed 7/21/09, effective 8/21/09. Statutory Authority: RCW 15.86.060 and 15.86.070. WSR 06-23-108, § 16-157-020, filed 11/17/06, effective 12/18/06. Statutory Authority: Chapters 15.86 and 34.05 RCW. WSR 04-24-015, § 16-157-020, filed 11/22/04, effective 12/23/04. Statutory Authority: Chapter 15.86 RCW. WSR 03-03-044, § 16-157-020, filed 1/10/03, effective 2/10/03; WSR 02-10-090, § 16-157-020, filed 4/29/02, effective 5/30/02.]

WAC 16-157-030 Definitions. As used in this chapter: "Department" means the Washington state department of agriculture.

"Director" means the director of the department of agriculture or his or her duly authorized representative.

"Facility" includes, but is not limited to, any premises, plant, establishment, facility and associated appurtenances where organic food is prepared, handled, or processed in any manner for resale or distribution to retail outlets, restaurants, and any other such facility selling or distributing to consumers.

"Gross annual income" means the total monetary value received during a twelve-month period of time. The twelve-month period of time may be a fiscal year or a calendar year.

"Handler" means any person engaged in the business of handling agricultural products, including producers who handle crops or livestock of their own production.

"Handling operation" means any operation or portion of an operation that receives or otherwise acquires agricultural products and processes, packages, or stores such products.

"New applicant" means any person who applies for organic certification for the first time, or any person who has surrendered an organic certification or had an organic certification suspended or revoked.

"Person" means any individual, partnership, limited liability company, association, cooperative, or other entity.

"Processor" means any handler engaged in the canning, freezing, drying, dehydrating, cooking, pressing, powdering, packaging, baking, heating, mixing, grinding, churning, separating, extracting, cutting, fermenting, eviscerating, preserving, jarring, slaughtering or otherwise processing organic food.

"Producer" means a person who engages in the business of growing or producing food, fiber, feed, and other agricultural-based consumer products.

"Production operation" means a farm, ranch, or other business that grows, gathers, or raises crops, wild crops, or livestock.

"Renewal applicant" means any person that has received organic certification from the department in the previous year.

"Retailer" means any handler that sells organic food products directly to consumers.

"Sale" means selling, offering for sale, holding for sale, preparing for sale, trading, bartering, offering a gift as an inducement for sale of, and advertising for sale in any media.

"Site" means a contiguous defined field, orchard, block, pasture, paddock, garden, circle, plot or other designated area under the same management practices (e.g., organic, transitional).

"Transitional product" means any agricultural product that (a) is marketed using the term transitional in its labeling and advertising and (b) satisfies all of the requirements of organic except that it has had no applications of prohibited substances within one year prior to the harvest of the crop.

[Statutory Authority: RCW 15.86.060 and 15.86.070. WSR 06-23-108, § 16-157-030, filed 11/17/06, effective 12/18/06. Statutory Authority: Chapter 15.86 RCW. WSR 03-03-044, § 16-157-030, filed 1/10/03, effective 2/10/03; WSR 02-10-090, § 16-157-030, filed 4/29/02, effective 5/30/02.]

PART II ORGANIC PRODUCTION AND HANDLING STANDARDS

WAC 16-157-120 Organic mushroom standard. (1)

The producer must maintain a production environment that prevents contact between organically produced mushrooms and prohibited substances throughout the entire growing cycle, harvesting and post-harvesting process. The producer must not use lumber treated with arsenate or other prohibited materials for new installations or replacement purposes in contact with the growth substrate.

(2) Organic and nonorganic production must be in separate facilities and have separate ventilation systems.

(3) The producer must use organically produced spawn.

(4) The producer may use nonorganic agar medium that may contain antibiotics not to exceed 1/25th of a gram per liter of agar mix.

(5) Agricultural materials including grain and straw that are used in production substrate must be organically produced. Sawdust, logs or other materials derived from wood used as a growth substrate must originate from trees that have been grown in areas free of prohibited materials for at least three years, and must not have been treated with a prohibited substance after tree harvest. Producers may include nonsynthetic, nonagricultural materials in substrate used to produce mushrooms.

(6) All growing medium amendments must be certified organic.

(7) Manure and any nonorganic agricultural material used as a growth substrate must be from an organic source. Compost used as a growth substrate must consist of certified organic feedstocks.

[Statutory Authority: Chapter 15.86 RCW. WSR 02-10-090, § 16-157-120, filed 4/29/02, effective 5/30/02.]

[Ch. 16-157 WAC p. 2]

PART III ORGANIC CERTIFICATION

WAC 16-157-210 Confidentiality. Except for applications and laboratory analyses submitted for certification under this chapter, the department keeps confidential any business-related information obtained under this chapter. All business-related information submitted to the department under this chapter is exempt from public inspection and copying consistent with RCW 15.86.110 and 42.56.210.

[Statutory Authority: RCW 15.86.060 and 15.86.070. WSR 06-23-108, § 16-157-210, filed 11/17/06, effective 12/18/06. Statutory Authority: Chapter 15.86 RCW. WSR 02-10-090, § 16-157-210, filed 4/29/02, effective 5/30/02.]

WAC 16-157-215 General requirements for certification. (1) Except for operations exempt or excluded in the National Organic Program (7 C.F.R. 205.101), each production or handling operation or specified portion of a production or handling operation must be certified if it produces or handles crops, livestock, livestock products, or other agricultural products intended to be sold, labeled, or represented as "one hundred percent organic," "organic," or "made with organic (specified ingredients or food group(s))."

(a) If you have an operation that meets the definition of "production operation," you must be certified as a producer.

(b) If you have an operation that meets the definition of "handling operation," you must be certified as a handler or processor unless you are a certified producer who cleans, washes, grades, dries, packages, transports, or does similar preparation of your own production.

(c) If you are a certified producer who changes crops, wild crops, or livestock products of your own production into new distinct products by physically, chemically, or otherwise changing the original product, you must also be certified as a processor.

(2) If you are seeking to receive or maintain organic certification, you must submit an application on forms approved by the department.

(a) Application forms must be signed by an authorized representative of the business operation and must be accompanied by the appropriate fees in order to be considered.

(b) Application forms are available upon request from the department.

(3) If you are a new applicant, you must include a complete organic system plan with your application.

(4) If you are a certified operation, you must submit an update to your organic system plan on an annual basis. Certified operations may be required by the department to submit a new complete organic system plan whenever there are significant changes to the operation.

(5) Applications for certification must include a list of all organic products produced and/or handled, including sample labels and complete product profiles for each distinctly labeled organic product.

(a) Certified operations must not use an organic label or make organic claims for any product not included in the operation's organic system plan.

(b) Certified operations may add new products to their organic certification by submitting sample labels and complete product profiles to the department where applicable.

(7/21/09)

(c) Product profiles must include a complete list of ingredients in the product and processing aids used in manufacturing the product.

(6) Certified operations that do not submit a renewal application and fees to continue certification or do not comply annually with 7 C.F.R. 205.406 may have their certification suspended.

[Statutory Authority: RCW 15.86.060 and 15.86.070. WSR 06-23-108, § 16-157-215, filed 11/17/06, effective 12/18/06.]

WAC 16-157-220 Producer fee schedule. (1) If you wish to apply for the organic producer certification program, you must submit an application and fees to the department each year.

(2) **Annual fees:** The cost per producer application is based on the following fee schedule.

(a) **New applicants:** Application fees are based on an estimate of the gross annual income from organic agricultural products.

(i) In the event that the actual gross annual income from organic agricultural products exceeds the estimated gross annual income from organic agricultural products, the department may bill the producer for the additional fee.

(ii) In the event that the actual gross annual income from organic agricultural products is less than the estimated gross annual income from organic agricultural products, the producer may request a refund for the reduced fee.

(b) **Renewal applicants:** Application fees are based on the previous year's gross annual income from organic agricultural products.

(i) In the event that the current year's gross annual income from organic agricultural products exceeds the previous year's gross annual income from organic agricultural products, the department may bill the producer for the additional fee.

(ii) In the event that the current year's gross annual income is less than the previous year's gross annual income from organic agricultural products, the producer may request a refund for the reduced fee.

(c) **Late fees:** Renewal applications postmarked after February 1 must include a late fee in addition to the renewal fee.

If your application is postmarked after February 1 but before:

The late fee is:

March 1	\$100.00
April 1	\$200.00
May 1	\$300.00
June 1	\$400.00
July 1	\$500.00
August 1	\$600.00

(3) Site fee:

(a) Each site that is involved in organic production must be inspected on an annual basis.

(b) All sites involved in organic production must be included as part of the producer's organic system plan.

(c) The producer of each site that is included in the organic system plan must pay a site inspection fee of twenty dollars per year.

(4) **Transitional certification fee:** In addition to the producer application fee, if you are requesting transitional certification, you must pay a fifty dollar transitional certification fee for each site request.

(5) **New application fee:** New applicants must pay a two hundred fifty dollar new application fee in addition to the annual fees.

[Statutory Authority: RCW 15.86.060 and 15.86.070. WSR 06-23-108, § 16-157-220, filed 11/17/06, effective 12/18/06. Statutory Authority: Chapters 15.86 and 34.05 RCW. WAC 16-157-230 Processor fee schedule. (1)(a) If you wish to apply for organic processor certification, you must submit an application and fees to the department each year.

(b) If you are a producer who processes your own organic products, you may pay application and certification fees under WAC 16-157-220 or apply separately as a processor.

(2) Application fees:

(a) **New applicants:** New applicants must pay an application fee of two hundred dollars per application and a new applicant fee of two hundred fifty dollars.

(b) **Renewal applicants:** Application fees are two hundred dollars per renewal application.

(c) **Late fees:** Renewal applications postmarked after March 1 must include a late fee in addition to the renewal fee.

If your application is postmarked after March 1 but before:	The late fee is:
April 1	\$100.00
May 1	\$200.00
June 1	\$300.00
July 1	\$400.00
August 1	\$500.00
September 1	\$600.00

(3) Certification fees:

(a) **Category I - Organic food products:** Products labeled as "organic" or "one hundred percent organic" are assessed 0.30% of the previous year's gross annual income for the first million dollars and 0.11% for gross annual income above one million dollars.

(b) **Category II - Made with organic food products:** Products labeled as "made with organic ingredients" are assessed 0.20% of the previous year's gross annual income for the first million dollars and 0.07% for gross annual income above one million dollars.

(c) **Category III - Food products with organic ingredients:** Products packaged for retail sales that limit organic claims to the information panel are assessed 0.11% of the previous year's gross annual income for the first million dollars and 0.04% for gross annual income above one million dollars.

(d) **Category IV - Custom organic food products:** Products produced by processors who charge a service fee to organic manufacturers for processing organic food are assessed at 0.40% of the previous year's service fees received for processing organic food for the first million dollars and 0.11% for service fees above one million dollars.

(e) In the event that the current year's gross annual income exceeds the previous year's gross annual income or estimate of income, the department may bill the applicant for the additional certification fee.

(f) In the event that the current year's gross annual income is less than the previous year's gross annual income or estimate of sales, the applicant may request a refund for the reduced certification fee.

WAC 16-157-250 Inspections. (1)(a) The director shall make one or more inspections per year of each certified producer, processor, or handler to determine compliance with this chapter and chapter 15.86 RCW.

(b) Inspections may include a survey of required records, examination of fields, facilities and storage areas, and inspection of any other information deemed necessary by the requirements of this chapter.

(2) The annual on-site inspection and any additional inspections conducted for collecting samples or for surveillance within the state of Washington are provided for under the application and certification fees.

(a) Additional inspections, if necessary to determine compliance or requested, will be charged to the certified producer, processor, or handler at the rate of forty dollars per hour plus associated travel costs as set by the state office of financial management.

(b) Out-of-state inspections, if necessary or requested, shall be at the rate of forty dollars per hour plus associated travel costs.

(3) Expedited inspections and evaluations are defined as inspections and evaluations that are conducted outside of the normal inspection and evaluation schedule. Expedited inspections and evaluations are conducted in less than two weeks from the receipt of a written notice.

(a) Applicants for certification and certified operations may request expedited inspections or evaluations.

[Ch. 16-157 WAC p. 5]

(b) The department may provide expedited inspections and evaluations if sufficient staff is available to expedite the work.

(c) Expedited inspections and evaluations shall be at the rate of forty dollars per hour, plus associated travel costs.
