MISCELLANEOUS REQUIREMENTS

WAC 284-17-600 Licensing requirements for insurance producers who maintain more than one place of business in the state. (1)(a) If an individual insurance producer transacts the business of insurance out of more than one place of business in this state, in addition to complying with the requirements of RCW 48.17.450, each place of business must be under the charge of an individual properly licensed for the insurance transactions being conducted at the location.

(b) A business entity insurance producer that maintains more than one place of business in this state must have an individual licensed as an insurance producer physically present in the location when the location is open for the transaction of insurance to the same extent as would be expected of an insurance licensee operating at a single location.

(2) Each insurance producer involved in an insurance transaction must have all authority necessary for each insurance transaction, whether by direct appointment from the insurer or by affiliation with a business entity.

(3) If a surplus line broker maintains more than one place of business in this state, transactions in any location which require the services of a surplus line broker must be conducted only by a properly licensed individual.

(4) Each failure to comply with this section is an unfair practice pursuant to RCW 48.30.010.

WAC 284-17-605 Purpose. (1) The purpose of this section is to set forth standards to protect consumers from misleading and fraudulent marketing practices with respect to the use of senior-specific certifications and professional designations in the solicitation, sale or purchase of, or advice made in connection with a life insurance or annuity product. Consumers are misled and harmed when insurance producers use designations and certifications that imply the existence of a level of expertise in senior affairs and financial matters that, in fact, does not exist.

(2) It is an unfair or deceptive practice pursuant to RCW 48.30.010 for an insurance producer to use a senior-specific certification or professional designation that indicates or implies in such a way as to mislead a purchaser that the insurance producer has special certification or training in advising or servicing seniors in connection with the solicitation, sale, or purchase of a life insurance or annuity product or in the provision of advice as to the value of or the advisability of purchasing or selling a life insurance or annuity product, either directly or indirectly through publications or writings, or by issuing or promulgating analyses or reports related to a life insurance or annuity product.

(3) The prohibited use of senior-specific certifications or professional designations includes, but is not limited to, the following:

(a) Use of a certification or professional designation by an insurance producer who has not actually earned or is otherwise ineligible to use such certification or designation;

(b) Use of a nonexistent or self-conferred certification or professional designation;

(c) Use of a certification or professional designation that indicates or implies a level of occupational qualifications obtained through education, training or experience that the insurance producer using the certification or designation does not have; and

(d) Use of a certification or professional designation that was obtained from a certifying or designating organization that:

(i) Is primarily engaged in the business of instruction in sales or marketing;

(ii) Does not have reasonable standards or procedures for assuring the competency of its certificants or designees;

(iii) Does not have reasonable standards or procedures for monitoring and disciplining its certificants or designees for improper or unethical conduct; or

(iv) Does not have reasonable continuing education requirements for its certificants or designees in order to maintain the certificate or designation.

(4) There is a rebuttable presumption that a certifying or designating organization is not disqualified solely for purposes of subsection (3)(d) of this section when the certification or designation issued from the organization does not primarily apply to sales or marketing and when the organization or the certification or designation in question has been accredited by:

(a) The American National Standards Institute (ANSI);

(b) The National Commission for Certifying Agencies; or

(c) Any organization that is on the U.S. Department of Education's list entitled "Accrediting Agencies Recognized for Title IV Purposes."

(5) In determining if a combination of words, or an acronym standing for a combination of words, constitutes a certification or professional designation indicating or implying that a person has special skill, knowledge, experience or qualifications in advising or servicing seniors, factors implying such include, but are not limited to, the following:

(a) Use of the word "senior," "retirement," "elder," or similar words combined with one or more words such as "certified," "registered," "chartered," "advisor," "specialist," "consultant," "planner," or similar words in the name of the certification or professional designation; and

(b) The manner in which those words are combined.

(6) For purposes of this section, a job title within an organization that is licensed or registered by a state or federal financial services regulatory agency is not a certification or professional designation, unless it is used in a manner that would confuse or mislead a reasonable consumer, when the job title:

(a) Indicates seniority or standing within the organization; or

(b) Specifies an individual's area of specialization within the organization.

WAC 284-17-610 Insurance producers and business entities home state. (1) An individual insurance producer may claim only one state as the home state at a time.

(a) Individual insurance producers that claim multiple states as their home state must choose one state to be their home state for all insurance licensing purposes. This will usually be the state chosen for tax reporting.

(b) Insurance producers or business entities that do not claim Washington to be their home state are Washington nonresidents for purposes of Titles 48 RCW and 284 WAC.

(2) Business entities that have a location in this state must have a resident license.

WAC 284-17-620 Loans from insurance clients—Reasonable arrangements. RCW 48.17.530 (1)(m) permits the commissioner to define certain reasonable arrangements where an insurance producer may obtain a loan from an insurance client. The commissioner finds that a reasonable arrangement exists when an insurance producer and an insurance client enter into an arms-length commercial transaction, such as for the purchase of real property, and the financial arrangement is based on fair market value.

WAC 284-17-625 Documentation of consent to remuneration in addition to a fee where insurance is purchased over the telephone or by electronic means. RCW 48.17.270(5) provides that when insurance is purchased over the telephone or by electronic means for which written consent under RCW 48.17.270(3) cannot be reasonably obtained, consent documented by the insurance producer is acceptable in lieu of the signed written disclosure required by RCW 48.17.270 (3), (4), and (5).

(1) Documentation confirming the consent of the applicant or insured after communication of the information required by RCW 48.17.270(3) is acceptable under RCW 48.17.270(5) if:

(a) The insurance producer sends to the applicant or insured written confirmation of the disclosure;

(b) The written confirmation is sent no later than ten business days after the telephone or electronic purchase; and

(c) A copy of the confirmation is retained by the insurance producer.

(2) In addition, consent documented by a recording that meets the standards of RCW 9.73.030 is acceptable under RCW 48.17.270(5). The recording must be made and maintained in a retrievable format.

(3) The signature of the applicant or insured is not required for consent under this section.

(4) Documentation created under this section must be retained by the insurance producer for five years.

WAC 284-17-630 Display of licenses. RCW 48.17.460 requires the display of the license or licenses of each insurance producer, title insurance agent, or adjuster in a conspicuous place in that part of the place of the licensee's business which is customarily open to the public. Licensees whose personal residence is shown on their licenses may obscure
