WSR 84-14-038 (Order 84-21), § 392-162-005, filed 6/28/84.]

WAC 392-162-010 Purpose. The purpose of this chapter is to set forth policies and procedures for the administration of and to ensure district compliance with state requirements for a program designed to provide extended learning opportunities to public school students in grades kindergarten through twelve who score below standard for his or her grade level on the statewide assessments and assessments in the basic skills administered by local school districts.

The learning assistance program requirements in this chapter are designed to:

- (1) Provide the means by which a school district becomes eligible for learning assistance program funds and the distribution of those funds;
- (2) Promote the use of assessment data when developing programs to assist underachieving students;
- (3) Guide school districts in providing the most effective and efficient practices when implementing supplemental instruction and services; and
- (4) Guide school districts in providing extended learning opportunities to assist underachieving students and students in grades eleven and twelve who are at risk of not meeting state and local graduation requirements.

WAC 392-162-033 Definition—Underachieving students. As used in this chapter, the term "underachieving students" means students with the greatest academic deficits in basic skills as identified by the statewide assessments and assessments in the basic skills areas administered by the local school district.

[Statutory Authority: RCW 28A.165.075. WSR 08-21-053, § 392-162-033, filed 10/9/08, effective 11/9/08. Statutory Authority: RCW 28A.300.070. WSR 07-02-015, § 392-162-033, filed 12/21/06, effective 1/21/07.]

WAC 392-162-034 Accelerated learning plans. Accelerated learning plans are to be developed and implemented for participating students. Accelerated learning plans may be developed as part of an existing student achievement plan process such as student plans for achieving state high school graduation standards, individual student academic plans, or the achievement plans for groups of students. Accelerated learning plans shall include:

- (1) Achievement goals for students in the content area(s) served;
- (2) Roles for the student(s), parents, or guardians and teachers in the plan;
- (3) Communication procedures used to inform parents or guardians, and teachers of a student's accomplishments and progress toward achieving goals. These may include, but are not limited to:

- (a) When conferences will occur;
 - (b) When grade and progress reports will be sent;
 - (c) How the parents may be contacted;
 - (d) How teachers and administrators may be contacted;
 - (e) Access to the web site and its contents;
 - (f) How to access grade reports online; and
 - (g) Other ongoing progress monitoring.
- (4) Evidence of the accelerated student learning plan review and adjustment processes.

WAC 392-162-068 Program plan. (1) A participating school district shall submit the district's plan for using learning assistance funds to the office of the superintendent of public instruction for approval to the extent required under subsection (2) of this section. The program plan must identify the program activities to be implemented from RCW 28A.165.035 and implement all of the elements in (a) through (h) of this subsection. The school district plan shall include the following:

(a) District and school-level data on reading, writing, and mathematics achievement as reported pursuant to chapter 28A.655 RCW and relevant federal law;

(b) Processes used for identifying the underachieving students to be served by the program, including the identification of school or program sites providing program activities;

(c) How accelerated learning plans are developed and implemented for participating students. Accelerated learning plans may be developed as part of an existing student achievement plan process such as student plans for achieving state high school graduation standards, individual student academic plans, or the achievement plans for groups of students. Accelerated learning plans shall include:

(i) Achievement goals for students;

(ii) Roles of the student, parents or guardians, and teachers in the plan;

(iii) Communication procedures regarding student accomplishments; and

(iv) Plan reviews and adjustments processes;

(d) How state level and classroom assessments are used to inform instruction;

(e) How focused and intentional instructional strategies have been identified and implemented;

(f) How highly qualified instructional staff are developed and supported in the program and in participating schools;

(g) How other federal, state, district, and school resources are coordinated with school improvement plans and the district's strategic plan to support underachieving students; and

(h) How a program evaluation will be conducted to determine direction for the following school year.

(2) If a school district has received approval of its plan once, it is not required to submit a plan for approval under RCW 28A.165.045 or this section unless the district has made a significant change to the plan. If a district has made a significant change to only a portion of the plan, the district need only submit a description of the change made and not the entire plan. Plans or descriptions of changes to the plan must be submitted by July 1st as required under this section. The office of the superintendent of public instruction shall establish guidelines for what a "significant change" is.

WAC 392-162-072 Program plan—Approved activities. Through the identification of best practices, which maximize the opportunities for student success, services and activities which support the learning assistance program include:

(1) Extended learning time through extended day, week or year activities;

(2) Instructional services to provide extended learning opportunities for eligible eleventh and twelfth grade students who are at risk of not meeting local or state graduation requirements as well as eighth grade students who need additional assistance for a successful entry into high school. The instruction services may include, but are not limited to, the following:

(a) Individual or small group instruction;

(b) Instruction in English language arts and/or mathematics that eligible students need to pass all or part of the Washington assessment of student learning;

(c) Inclusion in remediation programs, including summer school;

(d) Language development instruction for English language learners;

(e) Online curriculum and instructional support, including programs for credit retrieval;

(3) Professional development for certificated and classified staff that focuses on the needs of diverse student populations, specific literacy and mathematics content and instructional strategies, and the use of student work to guide effective instruction;

(4) Consultant teacher to assist in implementing effective instructional practices by teachers serving participating students;

(5) Tutoring support for participating students; and

(6) Outreach activities and support for parents of participating students.

WAC 392-162-075 Program approval. A participating school district shall submit a program plan to the office of the superintendent of public instruction for approval. The program plan must address all of the elements in RCW 28A.165.025 and identify the program activities to be implemented from RCW 28A.165.035.

School districts achieving state reading and mathematics goals as prescribed in chapter 28A.655 RCW shall have their program approved once the program plan and activities submittal is completed.

School districts not achieving state reading and mathematics goals as prescribed in chapter 28A.655 RCW and that are not in a state or federal program of school improvement shall be subject to program approval once the plan components are reviewed by the office of the superintendent of public instruction for the purpose of receiving technical assistance in the final development of the plan.

School districts with one or more schools in a state or federal program of school improvement shall have their plans and activities reviewed and approved in conjunction with the state or federal program school improvement program requirements.

The superintendent of public instruction shall review and approve each district's program. A district's learning assistance program shall not be implemented prior to approval. If a district does not make significant changes to its learning assistance plan, it is only required to develop and submit a new budget and inform the superintendent of public instruction that no significant changes to the program were made by July 1st. If significant program changes have been made, a new application must be submitted to the superintendent of public instruction. Examples of significant changes include, but are not limited to, changes in the required components in WAC 392-162-068, description of intended uses of funds and the amounts to be expended for approved activities in WAC 392-162-072, number of students to be served by content area and amounts distributed to individual buildings. These changes must be submitted to the superintendent of public instruction by July 1st.
