Outstanding academic achievement shall be determined by the following criteria:

(1) An academic achievement index based upon a combination of the combined high school grade point average (calculated as provided in WAC 180-57-055) in the academic core subjects of English, mathematics, science, social studies, the arts, and languages other than English which may include American Indian languages and the combined verbal and quantitative composite scores on the Scholastic Aptitude Test (SAT) or the American College Test (ACT);

(11/3/06)

(3) Completion of at least seventy-five percent of the graduation requirements for the high school in which the candidate is enrolled; and
