WAC 182-08-180 Premium payments and premium refunds. Premiums are due as described in this section, except when an employing agency is correcting its enrollment error as described in WAC 182-08-187 (2) or (3).

(1) **Premium payments.** Public employees benefits board (PEBB) insurance coverage premiums become due the first of the month in which insurance coverage is effective.

Premium is due from the subscriber for the entire month of insurance coverage and will not be prorated during any month.

(a) If an employee elects optional coverage as described in WAC 182-08-197 (1)(a) or (3)(a), the employee is responsible for payment of premiums from the month that the optional coverage begins.

(b) Unpaid or underpaid accounts must be paid, and are due from the employing agency, subscriber or beneficiary to the health care authority (HCA). If a subscriber's account is past due and it is determined by the authority that full payment of the unpaid balance in a lump sum would be considered a hardship, the authority may develop a reasonable repayment plan with the subscriber or beneficiary upon request.

(2) **Premium refunds.** PEBB premiums will be refunded using the following method:

[Ch. 182-08 WAC p. 4]

(a) When a subscriber submits an enrollment change affecting subscriber or dependent eligibility, HCA may allow up to three months of accounting adjustments. HCA will refund to the individual or the employing agency any excess premium paid during the three month adjustment period, except as indicated in WAC 182-12-148(4).

(b) If a PEBB subscriber, dependent, or beneficiary submits a written appeal as described in WAC 182-16-025, showing proof of extraordinary circumstances beyond his or her control such that it was effectively impossible to submit the necessary information to accomplish an enrollment change within sixty days after the event that created a change of premium occurred, the PEBB deputy director or the PEBB appeals committee may approve a refund which does not exceed twelve months of premium.

(c) If a federal government entity determines that an enrollee is retroactively enrolled in coverage (for example medicare) the subscriber or beneficiary may be eligible for a refund of all premiums paid during the time he or she was enrolled under the federal program if approved by the PEBB deputy director or designee.

(d) HCA errors will be corrected by returning all excess premiums paid by the employing agency, subscriber, or beneficiary.

(e) Employing agency errors will be corrected by returning all excess premiums paid by the employee or beneficiary.

WAC 182-08-185 What are the requirements regarding premium surcharges? (1) A subscriber's account will incur a premium surcharge when any enrollee engages in tobacco use.

(a) A subscriber must attest to whether any enrollee on his or her public employees benefits board (PEBB) medical plan engages in tobacco use. The subscriber must attest during the following times:

(i) When an employee who is newly eligible or regains eligibility for the employer contribution toward PEBB benefits submits an enrollment form to add PEBB medical as described in WAC 182-08-197 (1) or (3). If the attestation results in a surcharge it will take effect the same time PEBB medical begins;

(ii) When there is a change in the tobacco use status of any enrollee on the subscriber's PEBB medical plan. If the change in status results in a surcharge being added or removed, the change to the surcharge will take effect the first day of the month following receipt of the attestation. If that

day is the first of the month, the change to the surcharge begins on that day;

(iii) When a subscriber submits an enrollment form to add a dependent to his or her PEBB medical as described in WAC 182-12-262. If enrolling the dependent results in a surcharge being added, it will take effect the same time PEBB medical begins;

(iv) When an enrollee elects to continue health plan coverage as described in WAC 182-12-146. If the attestation results in a surcharge it will take effect the same time PEBB medical begins. This action is required only if the enrollee has not previously attested as described in (a) of this subsection;

(v) When an employee or retiree submits an enrollment form to enroll in PEBB medical as described in WAC 182-12-171 (1)(a), 182-12-200 (2)(a) and (b), or 182-12-205 (4)(a), (b), and (d). If the attestation results in a surcharge it will take effect the same time PEBB medical begins. This action is required only if the retiree has not previously attested as described in (a) of this subsection; and

(vi) When a survivor spouse, registered domestic partner, or dependent child submits an enrollment form to enroll in PEBB medical as described in WAC 182-12-250(5) or 182-12-265. If the attestation results in a surcharge it will take effect the same time PEBB medical begins. This action is required only if the survivor has not previously attested as described in (a) of this subsection.

Exception: (1) A subscriber enrolled in both medicare parts A and B and in the medicare risk pool is not required to provide an attestation and no premium surcharge will be imposed on the subscriber's account.
(2) An employee who waives medical enrollment according to WAC 182-12-128 is not required to provide an attestation and no premium surcharge will be applied to his or her account until the employee enrolls in a PEBB medical plan.

(b) A subscriber's account will incur a premium surcharge when a subscriber fails to attest to the tobacco use status of all enrollees as described in subsection (1)(a) of this section.

(c) The PEBB program will provide a reasonable alternative for enrollees who use tobacco products so a subscriber can avoid the tobacco use premium surcharge:

(i) All enrollees have access to a free tobacco cessation program through their medical plan. A subscriber can avoid the surcharge if enrollees who use tobacco products are enrolled in their plan's tobacco cessation program.

(ii) A subscriber may contact the PEBB program to accommodate a physician's recommendation that addresses an enrollee's use of tobacco products or for information on how to avoid the tobacco use premium surcharge.

(2) A subscriber's account will incur a premium surcharge if an enrolled spouse or registered domestic partner chose not to enroll in employer-based group medical insurance that has premiums less than ninety-five percent of the UMP Classic's premiums and benefits with an actuarial value of at least ninety-five percent of the actuarial value of the UMP Classic's benefits.

(a) A subscriber with a spouse or registered domestic partner enrolled under his or her PEBB medical must attest during the following times:

(i) When an employee who is newly eligible or regains eligibility for the employer contribution toward PEBB benefits submits an enrollment form to add PEBB medical as described in WAC 182-08-197 (1) or (3). If the attestation results in a surcharge it will take effect the same time PEBB medical begins;

(ii) When a subscriber submits an enrollment form to add a spouse or registered domestic partner to his or her PEBB medical as described in WAC 182-12-262. If enrolling the spouse or registered domestic partner results in a surcharge being added, the surcharge will take effect the first day of the month following receipt of the attestation. If that day is the first of the month, the change to the surcharge begins on that day;

(iii) During the annual open enrollment. If attesting results in a surcharge being added or removed, the change to the surcharge begins January 1st of the following year; and

(iv) When there is a change in the spouse's or registered domestic partner's employer-based group medical insurance. If attesting results in a surcharge being added or removed, the change to the surcharge will take effect the first day of the month following receipt of the attestation. If that day is the first of the month, the change to the surcharge begins on that day.

Exception: (1) A subscriber enrolled in both medicare parts A and B and in the medicare risk pool is not required to provide an attestation and no premium surcharge will be imposed on the subscriber's account.
(2) An employee who waives medical enrollment according to WAC 182-12-128 is not required to provide an attestation and no premium surcharge will be applied to his or her account until the employee enrolls in a PEBB medical plan.
(3) An employee who covers his or her spouse or registered domestic partner who has waived his or her own PEBB medical must attest, but a premium surcharge will not be applied.

(b) A premium surcharge will be applied to the account of subscribers who do not attest as described in (a) of this subsection.

WAC 182-08-187 How do employing agencies correct enrollment errors and is there a limit on retroactive enrollment? If an employing agency fails to notify an employee of his or her eligibility for public employees benefits board (PEBB) benefits and the employer contribution as required in WAC 182-12-113 or the employer group contract, or fails to accurately enroll insurance coverage, the agency is

authorized and required to correct the error as described in this section.

The employing agency or PEBB designee must enroll the employee in PEBB benefits as described in subsection (1) of this section, reconcile premium payments as described in subsection (2) of this section, and provide recourse as described in subsection (3) of this section.

Note: If the employing agency failed to provide the notice required in WAC 182-12-113 or the employer group contract before the end of the employee's thirty-one day enrollment period described in WAC 182-08-197 (1)(a), the employing agency must provide the employee a written notice of eligibility for PEBB benefits and offer a new enrollment period. Employees who do not return enrollment forms default to enrollment according to WAC 182-08-197 (1)(b).

(1) Enrollment.

(a) Medical and dental enrollment is effective the first day of the month following the date the enrollment error is identified, unless the authority determines additional recourse is warranted, as described in subsection (3) of this section. If the enrollment error is identified on the first day of the month, the enrollment correction is effective that day;

(b) Basic life and basic long-term disability (LTD) insurance enrollment is retroactive to the first day of the month following the day the employee became newly eligible, or the first day of the month the employee regained eligibility, as described in WAC 182-08-197. If the employee became newly eligible on the first working day of a month, basic life and basic LTD insurance coverage begins on that date;

(c) Optional life and optional LTD insurance is retroactive to the first day of the month following the day the employee became newly eligible if the employee elects to enroll in this coverage (or if previously elected, the first of the month following the signature date of the employee's application for this coverage). If an employing agency enrollment error occurred when the employee regained eligibility for the employer contribution following a period of leave as described in WAC 182-08-197(3):

(i) Optional insurance coverage is enrolled the first day of the month the employee regained eligibility, at the same level of coverage the employee continued during the period of leave, without evidence of insurability.

(ii) If the employee was not eligible to continue optional LTD insurance coverage during the period of leave, optional LTD insurance coverage is reinstated the first day of the month the employee regained eligibility, to the level of coverage the employee was enrolled in prior to the period of leave, without evidence of insurability.

(iii) If the employee was eligible to continue optional insurance coverage under the period of leave but did not, the employee must provide evidence of insurability and receive approval from the contracted vendor.

(d) If the employee is eligible and elects (or elected) to enroll in the medical flexible spending account (FSA) or dependent care assistance program (DCAP), enrollment is limited to three months prior to the date enrollment is processed, but not earlier than the current plan year. If an employee was not enrolled in FSA or DCAP as elected, the

employee may adjust his or her election. The employee may either participate at the amount originally elected with a corresponding increase in contributions for the balance of the plan year, or participate at a reduced amount for the plan year by maintaining the per-pay period contribution in effect.

(2) Premium payments.

(a) The employing agency must remit to the authority the employer contribution and the employee contribution for health plan premiums, basic life, and basic LTD from the date insurance coverage begins as described in subsections (1) and (3)(a)(i) of this section. If a state agency failed to notify a newly eligible employee of his or her eligibility for PEBB benefits, the state agency may only collect the employee contribution for coverage for months following notification of a new enrollment period.

(b) When an employing agency fails to correctly enroll the amount of optional life insurance or optional LTD insurance coverage elected by the employee, premiums will be corrected as follows:

(i) When additional premiums are due to the authority, the employee is responsible for premiums for the most recent twenty-four months of coverage. The employing agency is responsible for additional months of premiums.

(ii) When premium refunds are due to the employee, the optional life insurance or optional LTD insurance vendor is responsible for premium refunds for the most recent twenty-four months of coverage. The employing agency is responsible for additional months of premium refunds.

(3) Recourse.

(a) Eligibility for PEBB benefits begins on the first day of the month following the date eligibility is established as described in WAC 182-12-114. When retroactive correction of an enrollment error is limited as described in subsection (1) of this section, the employing agency must work with the employee, and the authority, to implement retroactive insurance coverage within the following parameters:

(i) Retroactive enrollment in a PEBB health plan;

(ii) Reimbursement of claims paid;

(iii) Reimbursement of amounts paid for medical and dental premiums; or

(iv) Other recourse, upon approval by the authority.

(b) Recourse must not contradict a specific provision of federal law or statute and does not apply to requests for non-covered services or in the case of an individual who is not eligible for PEBB benefits.

WAC 182-08-190 The employer contribution is set by the health care authority (HCA) and paid to the HCA for all eligible employees. State agencies and employer groups that participate in the public employees benefits board (PEBB) program under contract with the health care authority (HCA) must pay premium contributions to the HCA for insurance coverage for all eligible employees and their dependents.

(1) Employer contributions for state agencies set by the HCA are subject to the approval of the governor for availability of funds as specifically appropriated by the legislature for

that purpose. Insurance and health care contributions for ferry employees shall be governed by RCW 47.64.270.

(2) Employer contributions must include an amount determined by the HCA to pay administrative costs to administer insurance coverage for employees of these groups.

(3) Each employee of a state agency eligible under WAC 182-12-131 or each eligible employee of a state agency on leave under the federal Family and Medical Leave Act (FMLA) is eligible for the employer contribution as described in WAC 182-12-138. The entire employer contribution is due and payable to HCA even if medical is waived.

(4) Employees of employer groups eligible under criteria stipulated under contract with the HCA are eligible for the employer contribution. The entire employer contribution is due and payable to the HCA even if medical is waived.

(5) Washington state patrol officers disabled while performing their duties as determined by the chief of the Washington state patrol are eligible for the employer contribution for PEBB medical insurance as authorized in RCW 43.43-040. No other retiree or disabled employee is eligible for the employer contribution for PEBB benefits unless they are an eligible employee as defined in WAC 182-12-114 or 182-12-131.

(6) The terms of payment to HCA for employer groups shall be stipulated under contract with the HCA.

(a) Employees must notify their employing agency of their new health plan choice.

(b) All other subscribers must notify the PEBB program of their new health plan choice.

(c) The effective date of the change in health plan will be the first day of the month following the later of the date the health plan becomes unavailable or the date the form is received.

(2) The PEBB program will change health plan enrollment as follows if the subscriber fails to select a new health plan as required under subsection (1) of this section:

WAC 182-08-197 When must a newly eligible employee, or an employee who regains eligibility for the employer contribution, select public employees benefits board (PEBB) benefits and complete enrollment forms?

An employee who is newly eligible or who regains eligibility for the employer contribution toward public employees benefits board (PEBB) benefits enrolls as described in this section.

(1) When an employee is newly eligible for PEBB benefits:

(a) An employee must complete the required forms indicating enrollment elections and return the forms to his or her employing agency. Forms must be received by the employing agency no later than thirty-one days (sixty days for life insurance) after the employee becomes eligible for PEBB benefits under WAC 182-12-114.

(i) An employee may enroll in optional life and optional long-term disability (LTD) insurance up to the guaranteed issue without evidence of insurability if enrollment forms are returned to the employee's employing agency as required. An employee may apply for enrollment in optional life and LTD insurance coverage over the guaranteed issue at any time during the calendar year by submitting the evidence of insurability form to the vendor for approval.

(ii) If an employee is eligible to participate in the state's salary reduction plan (see WAC 182-12-116) the employee will automatically enroll in the premium payment plan upon enrollment in medical so employee medical premiums are taken on a pretax basis. To opt out of the premium payment plan, a new employee must complete the required form and return it to his or her state agency. The form must be received by his or her state agency no later than thirty-one days after the employee becomes eligible for PEBB benefits.

(iii) If an employee is eligible to participate in the state's salary reduction plan (see WAC 182-12-116) the employee may enroll in the state's medical flexible spending arrangement (FSA) or dependent care assistance program (DCAP) or both, except as limited by subsection (4) of this section. To enroll in these optional PEBB benefits, the employee must return the required enrollment form to his or her state agency or PEBB designee. The form must be received by the state agency or PEBB designee no later than thirty-one days after the employee becomes eligible for PEBB benefits.

(b) If a newly eligible employee's employing agency does not receive the employee's forms indicating medical, dental, and LTD choice within thirty-one days and life insurance choice within sixty days of the employee becoming eligible, his or her coverage will be enrolled as follows:

(i) Medical enrollment will be Uniform Medical Plan Classic;

(ii) Dental enrollment will be Uniform Dental Plan;

(iii) Basic life insurance;

(iv) Basic long-term disability insurance; and

(v) Dependents will not be enrolled.

(2) The employer contribution toward insurance coverage ends according to WAC 182-12-131. When an employee's employment ends, participation in the state's salary reduction plan ends.

(3) When an employee loses and later regains eligibility for the employer contribution toward insurance coverage following a period of leave described in WAC 182-12-133(1) and 182-12-142 (1) and (2):

(a) The employee must complete and return the required forms indicating enrollment elections to his or her employing agency except as described in (d) of this subsection. Forms must be received no later than thirty-one days after the employee regains eligibility, except as described in subsection (3)(b) of this section:

(i) An employee who self-paid for optional life insurance coverage after losing eligibility will have that level of coverage reinstated without evidence of insurability;

(ii) An employee who was eligible to continue optional life under continuation coverage but discontinued that insurance coverage must submit evidence of insurability;

(iii) An employee who was eligible to continue optional LTD under continuation coverage but discontinued that insurance coverage must submit evidence of insurability for optional LTD insurance when he or she regains eligibility for the employer contribution.

(b) An employee in any of the following circumstances does not have to return an optional LTD insurance election form. His or her optional LTD insurance will be automatically reinstated:

(i) The employee continued to self-pay for his or her optional LTD insurance after losing eligibility for the employer contribution;

(ii) The employee was not eligible to continue optional LTD insurance after losing eligibility for the employer contribution.

Exception: An employee's insurance coverage elections remain the same when an employee transfers from one employing agency to another employing agency without a break in PEBB coverage. This includes movement of employees between any entities described in WAC 182-12-111 and participating in PEBB benefits. Insurance coverage elections also remain the same when employees have a break in employment that does not interrupt his or her employer contribution toward PEBB insurance coverage.

(c) If an employee's employing agency does not receive the forms within thirty-one days of the employee regaining

eligibility, medical, dental, life, and LTD enrollment will be as described in subsection (1)(b) of this section, except as described in (b) of this subsection.

(d) If an employee is eligible to participate in the state's salary reduction plan (see WAC 182-12-116) the employee may enroll in the state's medical FSA or DCAP or both, except as limited by subsection (4) of this section. To enroll in these optional PEBB benefits, the employee must return the required enrollment form to his or her state agency or PEBB designee. The form must be received by the employee's state agency or PEBB designee no later than thirty-one days after the employee becomes eligible for PEBB benefits.

(4) If an employee who is eligible to participate in the state's salary reduction plan (see WAC 182-12-116) is hired into a new position that is eligible for PEBB benefits in the same year, the employee may not resume participation in DCAP or medical FSA until the beginning of the next plan year, unless the time between employments is less than thirty days and the employee notifies the new state agency and the DCAP or FSA administrator of his or her employment transfer within the current plan year.

WAC 182-08-198 When may a subscriber change health plans? Subscribers may change health plans at the following times:

(1) **During annual open enrollment:** Subscribers may change health plans during the public employees benefits board (PEBB) annual open enrollment period. The subscriber must submit the required enrollment forms to change his or her health plan. Employees submit the enrollment forms to their employing agency. All other subscribers submit the enrollment forms to the PEBB program. The required enrollment forms must be received no later than the last day of the annual open enrollment. Enrollment in the new health plan will begin January 1st of the following year.

(2) **During a special open enrollment:** Subscribers may change health plans outside of the annual open enrollment if a special open enrollment event occurs. The change in enrollment must be allowable under Internal Revenue Code (IRC) and correspond to and be consistent with the event that creates the special open enrollment for the subscriber, the subscriber's dependent, or both. To make a health plan change, the subscriber must submit the required enrollment forms (and a completed disenrollment form, if required). The forms must be received no later than sixty days after the event occurs. Employees submit the enrollment forms to their

employing agency. All other subscribers submit the enrollment forms to the PEBB program. Subscribers must provide evidence of the event that created the special open enrollment. New health plan coverage will begin the first day of the month following the later of the event date or the date the form is received. If that day is the first of the month, the change in enrollment begins on that day. If the special open enrollment is due to the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption of a child, health plan coverage will begin the month in which the birth, adoption, or assumption of legal obligation for total or partial support in anticipation of adoption occurs. Any one of the following events may create a special open enrollment:

- (a) Subscriber acquires a new dependent due to:
 - (i) Marriage or registering a domestic partnership;
 - (ii) Birth, adoption or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption;
 - (iii) A child becoming eligible as an extended dependent through legal custody or legal guardianship; or
 - (iv) A child becoming eligible as a dependent with a disability;
- (b) Subscriber or a subscriber's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);
- (c) Subscriber or a subscriber's dependent has a change in employment status that affects the subscriber's or the subscriber's dependent's eligibility for their employer contribution toward employer-based group health insurance;
- (d) Subscriber or a subscriber's dependent has a change in residence that affects health plan availability. If the subscriber moves and the subscriber's current health plan is not available in the new location the subscriber must select a new health plan. If the subscriber does not select a new health plan, the PEBB program may change the subscriber's health plan as described in WAC 182-08-196(2);
- (e) A court order or national medical support notice (see also WAC 182-12-263) requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former registered domestic partner is not an eligible dependent);
- (f) Subscriber or a subscriber's dependent becomes entitled to coverage under medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under medicaid or CHIP;
- (g) Subscriber or a subscriber's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or a state children's health insurance program (CHIP);
- (h) Subscriber or a subscriber's dependent becomes entitled to coverage under medicare, or the subscriber or a subscriber's dependent loses eligibility for coverage under medicare, or enrolls in or cancels enrollment in a medicare Part D plan. If the subscriber's current health plan becomes unavailable due to the subscriber's or a subscriber's dependent's entitlement to medicare, the subscriber must select a new health plan as described in WAC 182-08-196(1);

(i) Subscriber or a subscriber's dependent's current health plan becomes unavailable because the subscriber or enrolled dependent is no longer eligible for a health savings account (HSA). The health care authority (HCA) may require evidence that the subscriber or subscriber's dependent is no longer eligible for an HSA;

(j) Subscriber or a subscriber's dependent experiences a disruption of care that could function as a reduction in benefits for the subscriber or the subscriber's dependent for a specific condition or ongoing course of treatment. The subscriber may not change their health plan election if the subscriber's or dependent's physician stops participation with the subscriber's health plan unless the PEBB program determines that a continuity of care issue exists. The PEBB program will consider but not limit its consideration to the following:

- (i) Active cancer treatment such as chemotherapy or radiation therapy for up to ninety days or until medically stable; or
- (ii) Transplant within the last twelve months; or
- (iii) Scheduled surgery within the next sixty days (elective procedures within the next sixty days do not qualify for continuity of care); or
- (iv) Recent major surgery still within the postoperative period of up to eight weeks; or
- (v) Third trimester of pregnancy.

If the employee is having premiums taken from payroll on a pretax basis, a plan change will not be approved if it would conflict with provisions of the salary reduction plan authorized under RCW 41.05.300.

- (2) **During annual open enrollment:** An eligible employee may enroll in or change his or her election under the state's premium payment plan, medical FSA or DCAP

during the annual open enrollment. For the state's premium payment plan, the required enrollment form must be submitted to his or her employing agency. To enroll or reenroll in medical FSA or DCAP the employee must submit the required enrollment form to his or her employing agency or public employees benefits board (PEBB) designee. All required forms must be received no later than the last day of the annual open enrollment. The enrollment or new election will be effective January 1st of the following year.

(3) **During a special open enrollment:** An employee may enroll or change his or her election under the state's premium payment plan, medical FSA or DCAP outside of the annual open enrollment if a special open enrollment event occurs. The enrollment or change in election must be allowable under Internal Revenue Code (IRC) and correspond to and be consistent with the event that creates the special open enrollment. To make a change or enroll, the employee must submit the required enrollment forms as instructed on the forms. The required enrollment forms must be received no later than sixty days after the event occurs. The employee must provide evidence of the event that created the special open enrollment.

For purposes of this section, an eligible dependent includes any person who qualifies as a dependent of the employee for tax purposes under IRC Section 152 without regard to the income limitations of that section. It does not include a registered domestic partner unless the domestic partner otherwise qualifies as a dependent for tax purposes under IRC Section 152.

(a) **Premium payment plan.** An employee may enroll or change his or her election under the premium payment plan when any of the following special open enrollment events occur, if the requested change corresponds to and is consistent with the event. The enrollment or change in election will be effective the first day of the month following the later of the event date or the date the form is received. If that day is the first of the month, the enrollment or change in election begins on that day. If the special open enrollment is due to the birth, adoption or assumption of legal obligation for total or partial support in anticipation of adoption of a child, the enrollment or change in election will begin the first of the month in which the event occurs.

(i) Employee acquires a new dependent due to:

- Marriage;
- Registering a domestic partnership when the dependent is a tax dependent of the subscriber;

- Employee has a change in marital status;
- Employee's domestic partnership with a registered domestic partner who is a tax dependent is dissolved or terminated;
- An eligible dependent child turns age twenty-six or otherwise does not meet dependent child eligibility criteria;

- An eligible dependent ceases to be eligible as an extended dependent or as a dependent with a disability; or

- An eligible dependent dies.

(iii) Employee or an employee's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(iv) Employee or an employee's dependent has a change in employment status that affects the employee's or a dependent's eligibility for their employer contribution toward employer-based group health insurance;

(v) Employee or an employee's dependent has a change in enrollment under another employer-based group health insurance plan during its annual open enrollment that does not align with the PEBB program's annual open enrollment;

(vi) Employee or an employee's dependent has a change in residence that affects health plan availability;

(vii) Employee's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States;

The health care authority (HCA) may require evidence that the employee or employee's dependent is no longer eligible for an HSA;

(xiii) Employee or an employee's dependent experiences a disruption of care that could function as a reduction in benefits for the employee or the employee's dependent for a specific condition or ongoing course of treatment. The employee may not change their health plan election if the employee's or dependent's physician stops participation with the employee's health plan unless the PEBB program determines that a continuity of care issue exists. WAC 182-08-200 Which employing agency is responsible to pay the employer contribution for eligible employees changing agency employment or for faculty employed by more than one institution of higher education? Employing agencies responsible for paying the employer contribution:

(1) **For eligible employees changing agencies:** When an eligible employee's employment relationship terminates with an employing agency at any time before the end of the month for which a premium contribution is due and that employee transfers to another agency, the losing agency is responsible for the payment of the contribution for that employee for that month. The receiving agency is not liable for any employer contribution for that eligible employee until the month following the transfer.

(2) **For eligible faculty employed by more than one institution of higher education:**

(a) When a faculty is eligible for the employer contribution during an anticipated work period (quarter, semester or instructional year), under WAC 182-12-131(3), one institution will pay the entire cost of the employer contribution if the employee is eligible by virtue of employment at that single institution. Otherwise:

(i) Each institution contributes based on its percentage of the employee's total work at all institutions during the anticipated work period.

(ii) The institution with the greatest percentage coordinates with the other institutions and is responsible for sending the total premium payment to the health care authority (HCA).

(b) When a faculty is eligible for the employer contribution during the summer or off-quarter/semester, under WAC 182-12-131 (3)(c), one institution will pay the entire cost of the employer contribution if the employee is eligible by virtue of employment at that single institution. Otherwise:

(i) Each institution contributes based on its percentage of the employee's total work at all institutions throughout the instructional year or equivalent nine-month period.

(ii) The institution with the greatest percentage coordinates with the other institutions and is responsible for sending the total premium payment to HCA.

(c) When a faculty is eligible through two-year averaging under WAC 182-12-131 (3)(d) for the employer contribution, one institution will pay the entire cost of the employer contribution if the employee is eligible by virtue of employment at that single institution. Otherwise:

(i) Each institution contributes to coverage based on its percentage of the employee's total work at all institutions throughout the preceding two academic years. This division of the employer contribution begins the summer quarter or semester following the second academic year and continues through that academic year or until eligibility under two-year averaging ceases.

Note: "Academic year" means summer, fall, winter, and spring quarters or summer, fall, and spring semesters, in that order.

(ii) The institution with the greatest percentage coordinates with the other institutions and is responsible for sending the total premium payment to HCA.

WAC 182-08-235 Employer group application process. This section applies to employer groups as defined in WAC 182-08-015. An employer group may apply to obtain insurance coverage through a contract with the health care authority (HCA). With the exception of school districts and educational service districts, the authority will approve or deny applications through the evaluation criteria described in WAC 182-08-240. To apply, employer groups must submit the documents and information described in this rule to the public employees benefits board (PEBB) program at least sixty days before the requested coverage effective date. School districts and educational service districts are only required to provide the documents described in subsections (1), (2), and (3) of this section. If school districts or educational service districts are required by the superintendent of public instruction to purchase insurance coverage provided by the authority, they are required to submit documents and information described in subsections (1)(c), (2), and (3) of this section.

(1) A letter of application that includes the information described in (a) through (d) of this subsection:

(a) A reference to the employer group's authorizing statute;

(b) A description of the organizational structure of the employer group and a description of the employee bargaining unit(s) or group of nonrepresented employees for which the employer group is applying;

(c) Employer tax ID number (TIN); and

(d) A statement of whether the employer group is requesting only medical or medical, dental, life and LTD insurance. School districts and educational service districts must purchase medical, dental, life, and LTD insurance.

(2) A resolution from the employer group's governing body authorizing the purchase of PEBB insurance coverage.

(3) A signed governmental function attestation document that attests to the fact that employees for whom the employer group is applying are governmental employees whose services are substantially all in the performance of essential governmental functions.

(4) A member level census file for all of the employees for whom the employer group is applying. The file must be provided in the format required by the authority and contain the following demographic data, by member, with each member classified as employee, spouse or registered domestic partner, or child:

(a) Employee ID (any identifier which uniquely identifies the employee; for dependents the employee's unique identifier must be used);

(b) Age;

(c) Gender;

(d) First three digits of the member's zip code based on residence;

(e) Indicator of whether the employee is active or retired, if the employer group is requesting to include retirees; and

(f) Indicator of whether the member is enrolled in coverage.

(5) If the application is for a subset of the employer group's employees (e.g., bargaining unit), the employer group must provide a member level census file of all employees eligible under their current health plan who are not included on the member level census file in subsection (4) of this section. This includes retired employees participating under the employer group's current health plan. The file must include the same demographic data by member.

(6) In addition to the requirements of subsections (1) through (5) of this section, additional information is required based upon the total number of employees that the employer group employs who are eligible under their current health plan:

(a) Employer groups with fewer than eleven eligible employees must provide proof of current coverage or proof of prior coverage within the last twelve months.

(b) Employer groups with three hundred one to two thousand five hundred eligible employees must provide the following:

(i) Large claims history for twenty-four months, by quarter that excludes the most recent three months; and

(ii) Ongoing large claims management report for the most recent quarter provided in the large claims history.

(c) Employer groups with greater than two thousand five hundred eligible employees must submit to an actuarial evaluation of the group. The employer group must pay for the cost of the evaluation. This cost is nonrefundable. An employer group that is approved will not have to pay for an additional actuarial evaluation if it applies to add another bargaining unit within two years of the evaluation. Employer groups of this size must provide the following:

(i) Large claims history for twenty-four months, by quarter that excludes the most recent three months;

(ii) Ongoing large claims management report for the most recent quarter provided in the large claims history;

(iii) Executive summary of benefits;

(iv) Summary of benefits and certificate of coverage; and

(v) Summary of historical plan costs.

(d) The following definitions apply for purposes of this section:

(i) "Large claim" is defined as a member that received more than twenty-five thousand dollars in allowed cost for services in a quarter; and

(ii) An "ongoing large claim" is a claim where the patient is expected to need ongoing case management into the next quarter for which the expected allowed cost is greater than twenty-five thousand dollars in the quarter.

(e) If the current health plan does not have a case management program then the primary diagnosis code designated by the authority must be reported for each large claimant and if the code indicates a condition which is expected to continue into the next quarter, the claim is counted as an ongoing large claim.

WAC 182-08-237 May a local government entity or tribal government entity applying for participation in public employees benefits board (PEBB) insurance coverage include their retirees? A local government or tribal government that applies for participation in public employees benefits board (PEBB) insurance coverage under WAC 182-08-235 may request inclusion of retired employees who are covered under its retiree health plan at the time of application.

(1) The authority will use the following criteria to approve or deny a request to include retirees:

(a) The local government or tribal government retiree health plan must have existed at least three years before the date of the employer group application;

(b) Eligibility for coverage under the local government's or tribal government's retiree health plan must have required immediate enrollment in retiree health plan coverage upon termination of employee coverage; and

(c) The retirees must have maintained continuous enrollment in the local government or tribal government retiree health plan.

(2) Retirees and dependents included in the transfer unit are subject to the enrollment and eligibility rules outlined in chapters 182-08, 182-12 and 182-16 WAC.

(3) Employees eligible for retirement subsequent to the local government or tribal government transferring to PEBB health plan coverage must meet retiree eligibility as outlined in chapter 182-12 WAC.

(4) To protect the integrity of the risk pool, if total local government or tribal government retiree enrollment exceeds ten percent of the total PEBB retiree population, the PEBB program may:

(a) Stop approving inclusion of retirees with local government or tribal government unit transfers; or

(b) Adopt a new rating methodology reflective of the cost of covering local government or tribal government retirees.

WAC 182-08-240 How will the health care authority (HCA) decide to approve or deny an employer group application? Employer group applications for participation in insurance coverage provided through the public employees benefits board (PEBB) program are approved or denied by the health care authority (HCA) based upon the information and documents submitted by the employer group and the employer group evaluation (EGE) criteria described in this rule. The authority may automatically deny an employer group application if the employer group fails to provide the required information and documents described in WAC 182-08-235.

(1) Employer groups are evaluated as a single unit. To support this requirement the employer group must provide census data for all employees eligible to participate under the employer group's current health plan. This includes retired employees participating under the employer group's current health plan.

(2) An employer group must pass the EGE criteria or the actuarial evaluation required in subsection (3) of this section as a single unit before the application can be approved. For purposes of this section a single unit includes all employees eligible under the employer group's current health plan. If the application is only for a bargaining unit, then the bargaining unit must be evaluated using the EGE criteria in addition to all eligible employees of employer group as a single unit. If the employer group passes the EGE criteria as a single unit, but an individual bargaining unit does not, the employer group may only participate if all eligible employees of the entity participate.

(3) The authority will determine which of the criteria in (a) through (d) of this subsection is used to evaluate the employer group based upon the total number of eligible employees in the single unit.

(a) **Micro groups** (a single unit of one to ten employees) must meet the following criteria in order to pass the EGE evaluation:

(i) Provide proof of current coverage or proof of prior coverage within the last twelve months; and

(ii) The member level census file demographic data must indicate a relative underwriting factor that is equal to or better than the relative underwriting factor for the nonmedicare PEBB risk pool as determined by the authority.

(b) **Small and medium groups** (a single unit of eleven to three hundred employees) must meet the following criterion in order to pass the EGE evaluation: The member level census file demographic data must indicate a relative underwriting factor that is equal to or better than the relative underwriting factor for the nonmedicare PEBB risk pool as determined by the authority.

(c) **Large groups** (a single unit of three hundred one to two thousand five hundred employees) must meet the following criteria in order to pass the EGE evaluation:

(i) The member level census file demographic data must indicate a relative underwriting factor that is equal to or better than the relative underwriting factor for the nonmedicare PEBB risk pool as determined by the authority;

(ii) One of the following two conditions must be met:

- The frequency of large claims must be less than or equal to the historical benchmark frequency for the PEBB nonmedicare population; and

- The ongoing large claims management report must demonstrate that the frequency of ongoing large claims is less than or equal to the recurring benchmark frequency for the PEBB nonmedicare population.

(d) **Jumbo groups** (a single unit of two thousand five hundred one or more employees) must meet the following criteria in order to pass the actuarial evaluation:

(i) The member level census file demographic data must indicate a relative underwriting factor that is equal to or better than the relative underwriting factor for the nonmedicare PEBB risk pool as determined by the authority;

(ii) One of the following two conditions must be met:

- The frequency of large claims must be less than or equal to the PEBB historical benchmark frequency for the PEBB nonmedicare population;

- The ongoing large claims management report must demonstrate that the frequency of ongoing large claims is less than or equal to the recurring benchmark frequency for the PEBB nonmedicare population;

(iii) Provide an executive summary of benefits;

(iv) Provide a summary of benefits and certificate of coverage;

(v) Provide a summary of historical plan costs; and

(vi) The evaluation of criteria in (d)(iii), (iv) and (v) of this subsection must indicate that the historical cost of benefits for the employer group is equal to or less than the historical cost of the PEBB nonmedicare population for a comparable plan design.

(4) The group evaluation for a jumbo group is valid for two years after approval by the authority. If an employer group applies to add additional bargaining units after two years the group must be reevaluated.

(5) An entity whose employer group application is denied may appeal the authority's decision to the PEBB appeals committee through the process described in WAC 182-16-038.

(6) An entity whose employer group application is approved may purchase insurance for its employees under the participation requirements described in WAC 182-08-245.

WAC 182-08-245 Employer group participation requirements. This section applies to an employer group as defined in WAC 182-08-015 that is approved to purchase insurance for its employees through a contract with the health care authority (HCA).

(1) Prior to enrollment of employees in public employees benefits board (PEBB) insurance coverage, the employer group must:

(a) Remit to the authority the required start-up fee in the amount publicized by the PEBB program;

(b) Sign a contract with the authority;

(c) Determine employee and dependent eligibility and terms of enrollment for insurance coverage in accordance with the criteria outlined in the employer group's contract with the authority;

(d) Determine eligibility in order to ensure the PEBB program's continued status as a governmental plan under Section 3(32) of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. This means that only employees whose services are substantially all in the performance of essential governmental functions, but not in the performance of commercial activities, whether or not those activities qualify as essential governmental functions may be considered eligible by the employer group; and

(e) Ensure PEBB health plans are the only employer-sponsored health plans available to groups of employees eligible for PEBB insurance coverage under the contract.

(2) Pay premiums in accordance with its contract with the authority based on the following premium structure:

(a) The premium rate structure for school districts and educational service districts will be a composite rate equal to the rate charged to state agencies plus an amount equal to the employee premium based on health plan choice and family enrollment. School districts and educational service districts must collect an amount equal to the premium surcharge(s) applied to an employee's account by the authority from their employees and include the funds in their payment to the authority.

Exception: The authority will allow districts that enrolled prior to September 1, 2002, to continue participation based on a tiered rate structure. The authority may require the district to change to a composite rate structure with ninety days advance written notice.

(b) The premium rate structure for employer groups other than districts described in (a) of this subsection will be a tiered rate based on health plan choice and family enrollment. Employer groups must collect an amount equal to the premium surcharge(s) applied to an employee's account by the authority from their employees and include the funds in their payment to the authority.

Exception: The authority will allow employer groups that enrolled prior to January 1, 1996, to continue to participate based on a composite rate structure. The authority may require the employer group to change to a tiered rate structure with ninety days advance written notice.

(3) If an employer group wants to make subsequent changes to the contract, the changes must be submitted to the authority for approval.

(4) The employer group must maintain participation in PEBB insurance coverage for at least one full year. An employer group may only end participation at the end of a plan year unless the authority approves a mid-year termination. To end participation, an employer group must provide

(9/25/14)

written notice to the PEBB program at least sixty days before the requested termination date.

(5) Upon approval to purchase insurance through a contract with the authority, the employer group must provide a list of employees and dependents that are enrolled in COBRA benefits and the remaining number of months available to them based on their qualifying event. These employees and dependents may enroll in PEBB medical and dental as COBRA enrollees for the remainder of the months available to them based on their qualifying event.

(6) Enrollees in PEBB insurance coverage under one of the continuation of coverage provisions allowed under chapter 182-12 WAC or retirees included in the transfer unit as allowed under WAC 182-08-237 cease to be eligible as of the last day of the contract and may not continue enrollment beyond the end of the month in which the contract is terminated.

Exception: If an employer group, other than a school district or educational service district, ends participation, retired and disabled employees who began participation before September 15, 1991, are eligible to continue enrollment in PEBB insurance coverage if the employee continues to meet the procedural and eligibility requirements of WAC 182-12-171. Employees who enrolled after September 15, 1991, who are enrolled in PEBB retiree insurance coverage cease to be eligible under WAC 182-12-171, but may continue health plan enrollment under COBRA (see WAC 182-12-146).
