WAC 182-12-114 How do employees establish eligibility for PEBB benefits? Eligibility for an employee whose work circumstances are described by more than one of the eligibility categories in subsections (1) through (5) of this section shall be determined solely by the criteria of the category that most closely describes the employee's work circumstances.

Hours that are excluded in determining eligibility include standby hours and any temporary increases in work hours, of six months or less, caused by training or emergencies that have not been or are not anticipated to be part of the employee's regular work schedule or pattern. Employing agencies must request the PEBB program's approval to include temporary training or emergency hours in determining eligibility.

For how the employer contribution toward insurance coverage is maintained after eligibility is established under this section, see WAC 182-12-131.

(1) Employees are eligible for PEBB benefits as follows, except as provided in subsections (2) through (5) of this section:

(a) **Eligibility.** An employee is eligible if he or she works an average of at least eighty hours per month and works for at least eight hours in each month for more than six consecutive months.

(b) **Determining eligibility.**

(i) **Upon employment:** An employee is eligible from the date of employment if the employing agency anticipates the employee will work according to the criteria in (a) of this subsection.

(ii) **Upon revision of anticipated work pattern:** If an employing agency revises an employee's anticipated work hours such that the employee meets the eligibility criteria in (a) of this subsection, the employee becomes eligible when the revision is made.

(iii) **Based on work pattern:** An employee who is determined to be ineligible, but later meets the eligibility criteria in (a) of this subsection, becomes eligible the first of the month following the six-month averaging period.

(c) **Stacking of hours.** As long as the work is within one state agency, employees may "stack" or combine hours worked in more than one position or job to establish eligibility and maintain the employer contribution toward insurance coverage. Employees must notify their employing agency if they believe they are eligible through stacking. Stacking includes work situation in which:

(i) The employee works two or more positions or jobs at the same time (concurrent stacking);

(ii) The employee moves from one position or job to another (consecutive stacking); or

(iii) The employee combines hours from a seasonal position to hours from a nonseasonal position or job. An employee who establishes eligibility by stacking hours from a seasonal position or job with hours from a nonseasonal position or job shall maintain the employer contribution toward insurance coverage under WAC 182-12-131(1).

(d) **When PEBB insurance coverage begins.** Medical and dental insurance coverage, basic life, and basic long-term disability insurance coverage begin on the first day of the month following the date an employee becomes eligible. If the employee becomes eligible on the first working day of a month, then insurance coverage begins on that date.

(2) **Seasonal employees,** as defined in WAC 182-12-109, are eligible as follows:

(a) **Eligibility.** A seasonal employee is eligible if he or she works an average of at least eighty hours per month and works for at least eight hours in each month of the season. A

season is any recurring, cyclical period of work at a specific time of year that lasts three to eleven months.

(b) Determining eligibility.

(i) **Upon employment:** A seasonal employee is eligible from the date of employment if the employing agency anticipates that he or she will work according to the criteria in (a) of this subsection.

(ii) **Upon revision of anticipated work pattern.** If an employing agency revises an employee's anticipated work hours such that the employee meets the eligibility criteria in (a) of this subsection, the employee becomes eligible when the revision is made.

(iii) **Based on work pattern.** An employee who is determined to be ineligible for benefits, but later works an average of at least eighty hours per month and works for at least eight hours in each month and works for more than six consecutive months, becomes eligible the first of the month following a six-month averaging period.

(c) **Stacking of hours.** As long as the work is within one state agency, employees may "stack" or combine hours worked in more than one position or job to establish eligibility and maintain the employer contribution toward insurance coverage. Employees must notify their employing agency if they believe they are eligible through stacking. Stacking includes work situations in which:

(i) The employee works two or more positions or jobs at the same time (concurrent stacking);

(ii) The employee moves from one position or job to another (consecutive stacking); or

(iii) The employee combines hours from a seasonal position or job to hours from a nonseasonal position or job. An employee who establishes eligibility by stacking hours from a seasonal position or job with hours from a nonseasonal position or job shall maintain the employer contribution toward insurance coverage under WAC 182-12-131(1).

(d) **When PEBB insurance coverage begins.** Medical and dental insurance coverage and basic life and basic long-term disability insurance coverage begin on the first day of the month following the day the employee becomes eligible. If the employee becomes eligible on the first working day of a month, then insurance coverage begins on that date.

(3) Faculty are eligible as follows:

(a) **Determining eligibility.** "Half-time" means one-half of the full-time academic workload as determined by each institution, except that half-time for community and technical college faculty employees is governed by RCW 28B.50.489.

(i) **Upon employment:** Faculty who the employing agency anticipates will work half-time or more for the entire instructional year, or equivalent nine-month period, are eligible from the date of employment.

(ii) **For faculty hired on quarter/semester to quarter/semester basis:** Faculty who the employing agency anticipates will not work for the entire instructional year, or equivalent nine-month period, are eligible at the beginning of the second consecutive quarter or semester of employment in which he or she is anticipated to work, or has actually worked, half-time or more. Spring and fall are considered consecutive quarters/semesters when first establishing eligibility for faculty that work less than half-time during the summer quarter/semester.

(iii) **Upon revision of anticipated work pattern:** Faculty who receive additional workload after the beginning of the anticipated work period (quarter, semester, or instructional year), such that their workload meets the eligibility criteria of (a)(i) or (ii) of this subsection become eligible when the revision is made.

(b) **Stacking.** Faculty may establish eligibility and maintain the employer contribution toward insurance coverage by working as faculty for more than one institution of higher education. Faculty workloads may only be stacked with other faculty workloads to establish eligibility under this section or maintain eligibility under WAC 182-12-131(3). When a faculty works for more than one institution of higher education, the faculty must notify his or her employing agencies that he or she works at more than one institution and may be eligible through stacking.

(c) When PEBB insurance coverage begins.

(i) Medical and dental insurance coverage and basic life and basic long-term disability insurance coverage begin on the first day of the month following the day the faculty becomes eligible. If the faculty becomes eligible on the first working day of a month, then insurance coverage begins on that date.

(ii) For faculty hired on a quarter/semester to quarter/semester basis under (a)(ii) of this subsection, medical and dental insurance coverage and basic life and basic long-term disability insurance coverage begin the first day of the month following the beginning of the second consecutive quarter/semester of half-time or more employment. If the first day of the second consecutive quarter/semester is the first working day of the month, then insurance coverage begins at the beginning of the second consecutive quarter/semester.

(4) Elected and full-time appointed officials of the legislative and executive branches of state government are eligible as follows:

(a) **Eligibility.** A legislator is eligible for PEBB benefits on the date his or her term begins. All other elected and full-time appointed officials of the legislative and executive branches of state government are eligible on the date their terms begin or the date they take the oath of office, whichever occurs first.

(b) **When PEBB insurance coverage begins.** Medical and dental insurance coverage and basic life and basic long-term disability insurance coverage for an eligible employee begin on the first day of the month following the day he or she becomes eligible. If the employee becomes eligible on the first working day of a month, then insurance coverage begins on that date.

(5) Justices and judges are eligible as follows:

(a) **Eligibility.** A justice of the supreme court and judges of the court of appeals and the superior courts become eligible for PEBB benefits on the date they take the oath of office.

(b) **When PEBB insurance coverage begins.** Medical and dental insurance coverage and basic life and basic long-term disability insurance coverage for an eligible employee begin on the first day of the month following the day he or she becomes eligible. If the employee becomes eligible on the first working day of a month, then insurance coverage begins on that date.

WAC 182-12-123 Dual enrollment is prohibited. Public employees benefits board (PEBB) health plan coverage is limited to a single enrollment per individual.

(1) Effective January 1, 2002, individuals who have more than one source of eligibility for enrollment in PEBB health plan coverage (called "dual eligibility") are limited to one enrollment.

Exception: An enrolled dependent who becomes eligible for PEBB benefits as an employee as described in WAC 182-12-114 may be dual-enrolled in PEBB coverage for one month. This exception is only allowed for the first month the dependent is enrolled as an employee, and only if the dependent becomes enrolled as an employee on the first working day of a month that is not the first day of the month.

(2) An eligible employee may waive medical and enroll as a dependent on the coverage of his or her eligible spouse, eligible registered domestic partner, or eligible parent as stated in WAC 182-12-128.

(3) Children eligible for medical and dental under two subscribers may be enrolled as a dependent under the health plan of only one subscriber.

(4) An employee who is eligible for the employer contribution towards insurance coverage due to employment in more than one PEBB-participating employing agency must choose to enroll under only one employing agency.

Exception: Faculty who seek to establish or maintain eligibility under WAC 182-12-114(3) with two or more state institutions of higher education will be enrolled under the employing agency responsible to pay the employer contribution according to WAC 182-08-200(2).

WAC 182-12-128 When may employees waive or enroll in public employees benefits board (PEBB) medical? Employees must enroll in dental, basic life, and basic long-term disability insurance (unless the employing agency does not participate in these public employees benefits board (PEBB) insurance coverages). However, employees may waive PEBB medical if they are enrolled in other employer-based group medical insurance.

(1) Employees may waive enrollment in PEBB medical by submitting the required enrollment form to their employing agency during the following times:

(a) **When the employee becomes eligible:** Employees may waive medical when they become eligible for PEBB benefits. Employees must indicate they are waiving medical on the required enrollment form they submit to their employing agency. The enrollment form must be received no later than thirty-one days after the date they become eligible (see WAC 182-08-197). Medical will be waived as of the date the employee becomes eligible for PEBB benefits.

(b) **During the annual open enrollment:** Employees may waive medical during the annual open enrollment period. The required enrollment form must be received by their employing agency before the end of the annual open enrollment. Medical will be waived beginning January 1st of the following year.

(c) **During a special open enrollment:** Employees may waive medical during a special open enrollment as described in subsection (4) of this section.

(2) If an employee waives medical, the employee's eligible dependents may not be enrolled in medical.

(3) Once medical is waived, enrollment is only allowed during the following times:

(a) During the annual open enrollment;

(b) During a special open enrollment created by an event that allows for enrollment outside of the annual open enrollment as described in subsection (4) of this section. In addition to the required forms, the PEBB program will require the employee to provide evidence of eligibility and evidence of the event that creates a special open enrollment.

(4) **Special open enrollment:** Employees may waive enrollment in medical or enroll in medical if a special open enrollment event occurs. The change in enrollment must be allowable under the Internal Revenue Code (IRC) and correspond to and be consistent with the event that creates the special open enrollment for the employee, the employee's dependent, or both. Employees must provide evidence of the event that created the special open enrollment. Any one of the following events may create a special open enrollment:

(a) Employee acquires a new dependent due to:

(i) Marriage or registering a domestic partnership;

(ii) Birth, adoption or when the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption;

(iii) A child becoming eligible as an extended dependent through legal custody or legal guardianship; or

(iv) A child becoming eligible as a dependent with a disability;

(b) Employee or an employee's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(c) Employee or an employee's dependent has a change in employment status that affects the employee's or employee's dependent's eligibility for their employer contribution toward employer-based group medical insurance;

(d) Employee or an employee's dependent has a change in enrollment under another employer-based group medical insurance plan during its annual open enrollment that does not align with the PEBB program's annual open enrollment;

(e) Employee's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States;

(f) A court order or national medical support notice (see also WAC 182-12-263) requires the employee or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former registered domestic partner is not an eligible dependent);

(g) Employee or an employee's dependent becomes entitled to coverage under medicaid or a state children's health insurance program (CHIP), or the employee or an employee's dependent loses eligibility for coverage under medicaid or CHIP;

(h) Employee or an employee's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or a state children's health insurance program (CHIP).

To waive or enroll during a special open enrollment, the employee must submit the required forms to his or her employing agency. The forms must be received by the employing agency no later than sixty days after the event that creates the special open enrollment.

Medical will be waived the end of the month following the later of the event date or the date the form is received. If the later day is the first of the month, medical will be waived the last day of the previous month. If the special open enrollment is due to the birth, adoption or assumption of legal obligation for total or partial support in anticipation of adoption of a child, medical will be waived the first of the month in which the event occurs.

Enrollment in medical will begin the first day of the month following the later of the event date or the date the form is received. If that day is the first of the month, coverage is effective on that day. If the special open enrollment is due to the birth, adoption or assumption of legal obligation for total or partial support in anticipation of adoption of a child, enrollment in medical will begin the first of the month in which the event occurs.

WAC 182-12-129 What happens when an employee moves from an eligible to an otherwise ineligible position or job due to a layoff? This section applies to employees employed by state agencies (as defined in this chapter), including benefits-eligible seasonal employees, and is intended to address situations where an employee moves from one position or job to another due to a layoff, as described in WAC 182-12-109. This section does not apply to employees with an anticipated end date.

If an employee moves from an eligible to an otherwise ineligible position due to layoff, the employee may retain his or her eligibility for the employer contribution toward insurance coverage for each month that the employee is in pay status for at least eight hours. To maintain eligibility using this section the employee must:

- Be hired into a position with a state agency within twenty-four months of the original eligible position ending; and

- Upon hire, notify the employing state agency that he or she is potentially eligible to use this section.

This section ceases to apply if the employee is employed in a position eligible for public employees benefits board (PEBB) benefits under WAC 182-12-114 within twenty-four months of leaving the original position.

After the twenty-fourth month, the employee must reestablish eligibility under WAC 182-12-114.

WAC 182-12-131 How do eligible employees maintain the employer contribution toward insurance coverage? The employer contribution toward insurance coverage begins on the day that public employees benefits board (PEBB) benefits begin under WAC 182-12-114. This section describes under what circumstances employees maintain eligibility for the employer contribution toward insurance coverage.

(1) **Maintaining the employer contribution.** Except as described in subsections (2), (3), and (4) of this section, employees who have established eligibility for benefits under WAC 182-12-114 are eligible for the employer contribution each month in which they are in pay status eight or more hours per month.

(2) **Maintaining the employer contribution - Benefits-eligible seasonal employees.**

(a) Benefits-eligible seasonal employees (eligible under WAC 182-12-114(2)) who work a season of less than nine months are eligible for the employer contribution in any month of the season in which they are in pay status eight or more hours during that month. The employer contribution

toward insurance coverage for seasonal employees returning after their off season begins on the first day of the first month of the season in which they are in pay status eight hours or more.

(b) Benefits-eligible seasonal employees (eligible under WAC 182-12-114(2)) who work a season of nine months or more are eligible for the employer contribution:

(i) In any month of the season in which they are in pay status eight or more hours during that month; and

(ii) Through the off season following each season worked.

(3) Maintaining the employer contribution - Eligible faculty.

(a) Benefits-eligible faculty anticipated to work the entire instructional year or equivalent nine-month period (eligible under WAC 182-12-114 (3)(a)(i)) are eligible for the employer contribution each month of the instructional year, except as described in subsection (7) of this section.

(b) Benefits-eligible faculty who are hired on a quarter/semester to quarter/semester basis (eligible under WAC 182-12-114 (3)(a)(ii)) are eligible for the employer contribution each quarter or semester in which employees work half-time or more.

(c) Summer or off-quarter/semester coverage: All benefits-eligible faculty (eligible under WAC 182-12-114(3)) who work an average of half-time or more throughout the entire instructional year or equivalent nine-month period and work each quarter/semester of the instructional year or equivalent nine-month period are eligible for the employer contribution toward summer or off-quarter/semester insurance coverage.

Exception: Eligibility for the employer contribution toward summer or off-quarter/semester insurance coverage ends on the end date specified in an employing agency's termination notice or an employee's resignation letter, whichever is earlier, if the employing agency has no anticipation that the employee will be returning as faculty at any institution of higher education where the employee has employment. If the employing agency deducted the employee's premium for insurance coverage after the employee was no longer eligible for the employer contribution, insurance coverage ends the last day of the month for which employee premiums were deducted.

(d) Two-year averaging: All benefits-eligible faculty (eligible under WAC 182-12-114(3)) who worked an average of half-time or more in each of the two preceding academic years are potentially eligible to receive uninterrupted employer contribution to insurance coverage. "Academic year" means summer, fall, winter, and spring quarters or summer, fall, and spring semesters and begins with summer quarter/semester. In order to be eligible for the employer contribution through two-year averaging, the faculty must provide written notification of his or her potential eligibility to his or her employing agency or agencies within the deadlines established by the employing agency or agencies. Faculty continue

to receive uninterrupted employer contribution for each academic year in which they:

(i) Are employed on a quarter/semester to quarter/semester basis and work at least two quarters or two semesters; and

(ii) Have an average workload of half-time or more for three quarters or two semesters.

Eligibility for the employer contribution under two-year averaging ceases immediately if the eligibility criteria is not met or if the eligibility criteria becomes impossible to meet.

(e) Faculty who lose eligibility for the employer contribution: All benefits-eligible faculty (eligible under WAC 182-12-114(3)) who lose eligibility for the employer contribution will regain it if they return to a faculty position where it is anticipated that they will work half-time or more for the quarter/semester no later than the twelfth month after the month in which they lost eligibility for the employer contribution. The employer contribution begins on the first day of the month in which the quarter/semester begins.

(4) Maintaining the employer contribution - Employees on leave and under the special circumstances listed below.

(a) Employees who are on approved leave under the federal Family and Medical Leave Act (FMLA) continue to receive the employer contribution as long as they are approved under the act.

(b) Unless otherwise indicated in this section, employees in the following circumstances receive the employer contribution only for the months they are in pay status eight hours or more:

(i) Employees on authorized leave without pay;

(ii) Employees on approved educational leave;

(iii) Employees receiving time-loss benefits under workers' compensation;

(iv) Employees called to active duty in the uniformed services as defined under the Uniformed Services Employment and Reemployment Rights Act (USERRA); or

(v) Employees applying for disability retirement.

(5) Maintaining the employer contribution - Employees who move from an eligible to an otherwise ineligible position due to a layoff maintain the employer contribution toward insurance coverage under the criteria in WAC 182-12-129.

(6) Employees who are in pay status less than eight hours in a month. Unless otherwise indicated in this section, when there is a month in which employees are not in pay status for at least eight hours, employees:

(a) Lose eligibility for the employer contribution for that month; and

(b) Must reestablish eligibility for PEBB benefits under WAC 182-12-114 in order to be eligible for the employer contribution again.

(7) The employer contribution toward insurance coverage ends in any one of these circumstances for all employees:

(a) When employees fail to maintain eligibility for the employer contribution as indicated in the criteria in subsection (1) through (6) of this section.

(b) When the employment relationship is terminated. As long as the employing agency has no anticipation that the employee will be rehired, the employment relationship is terminated:

(i) On the date specified in an employee's letter of resignation; or

(ii) On the date specified in any contract or hire letter or on the effective date of an employer-initiated termination notice.

(c) When employees move to a position that is not anticipated to be eligible for benefits under WAC 182-12-114, not including changes in position due to a layoff.

The employer contribution toward PEBB benefits cease for employees and their enrolled dependents the last day of the month in which employees are eligible for the employer contribution under this section.

Exception: If the employing agency deducted the employee's premium for insurance coverage after the employee was no longer eligible for the employer contribution, insurance coverage ends the last day of the month for which employee premiums were deducted.

(8) Options for continuation coverage by self-paying.

During temporary or permanent loss of the employer contribution toward insurance coverage, employees have options for providing continuation coverage for themselves and their dependents by self-paying the full premium set by the health care authority (HCA). These options are available according to WAC 182-12-133, 182-12-141, 182-12-142, 182-12-146, 182-12-148, and 182-12-270.

WAC 182-12-133 What options for continuation coverage are available to employees on certain types of leave or whose work ends due to a layoff? Employees who have established eligibility for public employees benefits board (PEBB) benefits under WAC 182-12-114 have options for providing continuation coverage for themselves and their dependents by self-paying the full premium set by the health care authority (HCA) during temporary or permanent loss of the employer contribution toward insurance coverage.

(1) When an employee is no longer eligible for the employer contribution toward insurance coverage due to an event described in (a) through (f) of this subsection, insurance coverage may be continued by self-paying the full premium set by the HCA, with no contribution from the employer. Employees may self-pay for a maximum of twenty-nine months. The employee must pay the premium amounts for insurance coverage as premiums become due. If premiums are more than sixty days delinquent, insurance coverage will end as of the last day of the month for which a full premium was paid. Employees may continue any combination of medical, dental and life insurance; however, only employees on approved educational leave or called in to

active duty in the uniformed services as defined under the Uniformed Services Employment and Reemployment Rights Act (USERRA) may continue either basic or both basic and optional long-term disability insurance. Employees in the following circumstances qualify to continue coverage under this subsection:

(a) The employee is on authorized leave without pay;

(b) The employee is on approved educational leave;

(c) The employee is receiving time-loss benefits under workers' compensation;

(d) The employee is called to active duty in the uniformed services as defined under the Uniformed Services Employment and Reemployment Rights Act (USERRA);

(e) The employee's employment ends due to a layoff as defined in WAC 182-12-109; or

(f) The employee is applying for disability retirement.

(2) The number of months that an employee self-pays the premium while eligible under subsection (1) of this section will count toward the total months of continuation coverage allowed under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). An employee who is no longer eligible for continuation coverage as described in subsection (1) of this section but who has not used the maximum number of months allowed under COBRA may continue medical and dental for the remaining difference in months by self-paying the premium under COBRA as described in WAC 182-12-146.

WAC 182-12-136 May employees on approved educational leave waive continuation coverage? In order to avoid duplication of group health plan coverage, the following shall apply to employees during any period of approved educational leave. Employees eligible for continuation coverage provided in WAC 182-12-133 who obtain other employer-based group medical or dental insurance, or both, may waive continuation of such coverage for each full calendar month in which they maintain coverage under the other insurance. These employees have the right to reenroll in a public employees benefits board (PEBB) health plan effective the first day of the month after the date the other employer-based group medical or dental insurance ends, provided evidence of such other coverage is provided to the PEBB program upon application for reenrollment.

WAC 182-12-138 What options are available if an employee is approved for the federal Family and Medical Leave Act (FMLA)? (1) Employees on approved leave under the federal Family and Medical Leave Act (FMLA) may continue to receive the employer contribution toward insurance coverage in accordance with the federal FMLA. These employees may also continue current optional life and optional long-term disability. The employee's employing agency is responsible for determining if the employee is eligible for leave under FMLA and the duration of such leave. If the employee's contribution toward premiums is more than sixty days delinquent, insurance coverage will end as of the last day of the month for which a full premium was paid.

(2) If an employee exhausts the period of leave approved under FMLA, insurance coverage may be continued by self-paying the full premium set by the HCA, with no contribution from the employer, under WAC 182-12-133(1) while on approved leave.

WAC 182-12-141 If an employee reverts from an eligible position, what happens to his or her insurance coverage? (1) If an employee reverts for reasons other than a layoff and is not eligible for the employer contribution toward insurance coverage under this chapter, he or she may continue PEBB insurance coverage by self-paying the full premium set by the HCA for up to eighteen months under the same terms as an employee who is granted leave without pay under WAC 182-12-133(1).

(2) If an employee is reverted due to a layoff, the employee may be eligible for the employer contribution toward insurance coverage under the criteria of WAC 182-12-129. If determined not to be eligible under WAC 182-12-129, the employee may continue PEBB insurance coverage by self-paying the full premium set by the HCA under WAC 182-12-133.

(1) Faculty may continue any combination of medical, dental and life insurance coverage by self-paying the full premium set by the HCA, with no contribution from the employer, for a maximum of twelve months between periods of eligibility. The employee must pay the premium amounts associated with insurance coverage as premiums become due. If premiums are more

(2) **Benefits-eligible seasonal employees** may continue any combination of medical, dental, and life insurance coverage by self-paying the full premium set by the HCA, with no contribution from the employer, for a maximum of twelve months between periods of eligibility. (3) **COBRA.** An employee who is no longer eligible for continuation coverage as described in subsections (1) and (2) of this section, but who has not used the maximum number of months allowed under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA), may continue medical and dental for the remaining difference in months by self-paying the full premium set by the HCA under COBRA as described in WAC 182-12-146. The number of months that a faculty or seasonal employee self-pays premiums under the criteria in subsection (1) or (2) of this section will count toward the total months of continuation coverage allowed under COBRA.

(2) An employee or an employee's dependent who loses eligibility for continuation coverage in WAC 182-12-133, 182-12-138, 182-12-141, 182-12-142, or 182-12-148 but who has not used the maximum number of months allowed under COBRA may continue medical, dental, or both for the remaining difference in months.

(3) A retired or disabled employee who loses eligibility for PEBB retiree insurance because an employer group, with the exception of school districts and educational service districts, ceases participation in insurance coverage may continue medical, dental, or both.

(4) A retired or disabled employee, or a dependent of a retired or disabled employee, who is no longer eligible to continue coverage under WAC 182-12-171 may continue medical, dental, or both.

(5) An individual licensee or vendor who ceases to actively operate a facility as described in WAC 182-12-111 (5)(a) may continue enrollment in public employees benefits board (PEBB) medical for the maximum number of months allowed under COBRA as described in this section.

WAC 182-12-148 What options for continuation coverage are available to employees during their appeal of dismissal? (1) Employees awaiting hearing of a dismissal action before any of the following may continue their insurance coverage by self-paying the full premium set by the health care authority (HCA), with no contribution from the employer, on the same terms as an employee who is granted leave as described in WAC 182-12-133:

- (a) The personnel resources board;
- (b) An arbitrator; or

(c) A grievance or appeals committee established under a collective bargaining agreement for union represented employees.

(2) If the dismissal is upheld, all insurance coverage will end at the end of the month in which the decision is entered, or the date to which premiums have been paid, whichever is later, with the exception described in subsection (3) of this section.

(3) If the dismissal is upheld and the employee is eligible under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA), the employee may continue medical and dental for the remaining months available under COBRA. See WAC 182-12-146 for information on COBRA. The number of months the employee self-paid premiums during the appeal will count toward the total number of months allowed under COBRA.

(4) If the board, arbitrator, committee, or court sustains the employee in the appeal and directs reinstatement of employer paid insurance coverage retroactively, the employing agency must forward to HCA the full employer contribution for the period directed by the board, arbitrator, committee, or court and collect from the employee the employee's share of premiums due, if any.

(a) HCA will refund to the employee any premiums the employee paid that may be provided for as a result of the reinstatement of the employer contribution only if the employee makes retroactive payment of any employee contribution amounts associated with the insurance coverage. In the alternative, at the request of the employee, HCA may deduct the employee's contribution from the refund of any premiums self-paid by the employee during the appeal period.

(b) All optional life and optional long-term disability insurance which was in force at the time of dismissal shall be reinstated retroactively only if the employee makes retroactive payment of premium for any such optional coverage which was not continued by self-payment during the appeal process. If the employee chooses not to pay the retroactive premium, evidence of insurability will be required to restore such optional coverage.

WAC 182-12-171 When are retiring employees eligible to enroll in public employees benefits board (PEBB) retiree insurance coverage? (1) **Procedural requirements.** Retiring employees must meet these procedural requirements to enroll or defer enrollment in public employees benefits board (PEBB) retiree insurance coverage, as well as have substantive eligibility under subsection (2) or (3) of this section:

(a) The employee's form to enroll or defer enrollment in retiree insurance coverage must be received by the PEBB program no later than sixty days after the employee's employer paid or COBRA coverage ends. The effective date of health plan enrollment will be the first day of the month following the loss of employer paid or COBRA coverage.

Exception: The effective dates of health plan enrollment for retirees who defer enrollment in a PEBB health plan at or after retirement are identified in WAC 182-12-200 and 182-12-205.

Employees who do not enroll in a PEBB health plan at retirement are only eligible to enroll at a later date if they have deferred enrollment and maintained continuous enrollment in other coverage as described in WAC 182-12-200 or 182-12-205.

(b) Employees and enrolled dependents who are entitled to medicare must enroll and maintain enrollment in both medicare parts A and B if the employee retired after July 1, 1991. If the employee or an enrolled dependent becomes entitled to medicare after enrollment in PEBB retiree insurance coverage, he or she must enroll and maintain enrollment in medicare.

Note: If an enrollee who is entitled to medicare does not meet this procedural requirement, the enrollee is no longer eligible for enrollment in PEBB retiree insurance coverage. The enrollee may continue PEBB health plan enrollment under COBRA (see WAC 182-12-146).

(2) **Substantive eligibility requirements.** Eligible employees (as described in WAC 182-12-114 and 182-12-131) who end public employment after becoming vested in a Washington state-sponsored retirement plan (as described in subsection (4) of this section) are eligible to continue insurance coverage as a retiree if they meet procedural and substantive eligibility requirements. To be eligible to continue insurance coverage as a retiree, the employee must be eligible to retire under a Washington state-sponsored retirement plan when the employee's employer paid or COBRA coverage ends.

Employees who do not meet their Washington state-sponsored retirement plan's age requirement when their employer paid or COBRA coverage ends, but who meet the age requirement within sixty days of coverage ending, may request that their eligibility be reviewed by the PEBB appeals committee to determine eligibility (see WAC 182-16-032). Employees must meet PEBB retiree insurance coverage election procedural requirements as described in subsection (1) of this section.

Employees must immediately begin to receive a monthly retirement plan payment, with exceptions described below:

- Employees who receive a lump-sum payment instead of a monthly retirement plan payment are only eligible if the department of retirement systems offered the employee the choice between a lump sum actuarially equivalent payment and the ongoing monthly payment, as allowed by the plan;
- Employees who are members of a Plan 3 retirement, also called separated employees (defined in RCW 41.05.011 (20)), are eligible if they meet their Plan 3 retirement plan's eligibility criteria. They do not have to receive a retirement plan payment to enroll in retiree insurance coverage;
- Employees who are members of a Washington higher education retirement plan are eligible if they immediately begin to receive a monthly retirement plan payment, or meet their plan's retirement eligibility criteria, or are at least age fifty-five with ten years of state service;
- Employees not retiring under a Washington state-sponsored retirement plan must meet the same age and years of service as if the person had been employed as a member of either public employees retirement system Plan 1 or Plan 2 for the same period of employment; or
- Employees who retire from a local government or tribal government that participates in PEBB insurance coverage for their employees are eligible to continue PEBB insurance coverage as retirees if the employees meet the procedural and eligibility requirements under this section.

(a) **Local government employees.** If the local government ends participation in PEBB insurance coverage, employees who enrolled after September 15, 1991, are no longer eligible for PEBB retiree insurance coverage. These employees may continue health plan coverage under COBRA (see WAC 182-12-146).

(b) **Tribal government employees.** If a tribal government ends participation in PEBB insurance coverage, its employees are no longer eligible for PEBB retiree insurance coverage. These employees may continue health plan coverage under COBRA (see WAC 182-12-146).

(c) **Washington state school district and educational service district employees for districts that do not participate in PEBB insurance coverage.** Employees of Washington state school districts and educational service districts who separate from employment after becoming vested in a Washington state-sponsored retirement system are eligible to enroll in PEBB health plans as a retiree when retired or permanently and totally disabled.

Except for employees who are members of a retirement Plan 3, employees who separate on or after October 1, 1993, must immediately begin to receive a monthly retirement plan payment from a Washington state-sponsored retirement system. Employees who receive a lump-sum payment instead of a monthly retirement plan payment are only eligible if the department of retirement systems offered the employee the choice between a lump sum actuarially equivalent payment and the ongoing monthly payment, as allowed by the plan or the employee enrolled before 1995.

Employees who are members of a Plan 3 retirement, also called separated employees (defined in RCW 41.05.011(20)), are eligible if they meet their Plan 3 retirement plan's eligibility criteria. They do not have to receive a retirement plan payment to enroll in PEBB retiree insurance coverage.

Employees who retired as of September 30, 1993, and began receiving a retirement allowance from a state-sponsored retirement system (as defined in chapters 41.32, 41.35 or 41.40 RCW) are eligible if they enrolled in a PEBB health plan not later than the HCA's annual open enrollment period for the year beginning January 1, 1995.

(3) **Substantive eligibility for elected and full-time appointed officials of the legislative and executive branches.** Employees who are elected and full-time appointed state officials (as defined under WAC 182-12-114 (4)) who voluntarily or involuntarily leave public office are eligible to continue insurance coverage as a retiree if they meet procedural requirements of subsection (1) of this section.

(4) **Washington state-sponsored retirement systems include:**

- Higher education retirement plans;
- Law enforcement officers' and firefighters' retirement system;
- Public employees' retirement system;
- Public safety employees' retirement system;
- School employees' retirement system;
- State judges/judicial retirement system;
- Teachers' retirement system; and
- State patrol retirement system.

The two federal retirement systems, Civil Service Retirement System and Federal Employees' Retirement System, are considered a Washington state-sponsored retirement system for Washington State University Extension employees covered under PEBB insurance coverage at the time of retirement or disability.

WAC 182-12-200 May retirees who are enrolled as a dependent in a public employees benefits board (PEBB), a Washington state school district, or Washington state educational service district sponsored health plan defer enrollment under PEBB retiree insurance coverage? The following provisions apply when retirees defer enrollment under public employees benefits board (PEBB) retiree insurance coverage when enrolled as a dependent in a PEBB, Washington state school district, or Washington state educational service district sponsored health plan:

(1) Retirees who are enrolled in a PEBB, Washington state school district, or Washington state educational service district sponsored medical plan as a dependent may defer enrollment in a PEBB health plan. Retirees who defer enrollment in medical cannot remain enrolled in dental.

(2) Retirees who defer may later enroll themselves and their dependents in medical, or medical and dental, if they provide evidence of continuous enrollment in a PEBB, Washington state school district, or Washington state educational service district sponsored medical plan. Continuous enrollment must be from the date the retiree deferred enrollment in PEBB retiree insurance coverage. Retirees may enroll:

(a) During the PEBB annual open enrollment period. The required enrollment form must be received by the PEBB program no later than the last day of the open enrollment period. PEBB health plan coverage begins January 1st of the following year; or

(b) When enrollment in the PEBB, Washington state school district, or Washington state educational service district sponsored medical plan ends or such coverage under COBRA ends. The required enrollment form and evidence of continuous enrollment must be received by the PEBB program no later than sixty days after such coverage ends. PEBB health plan coverage begins the first day of the month after the PEBB, Washington state school district, or Washington state educational service district sponsored medical plan ends.

(d) Beginning January 1, 2014, retirees who are not eligible for Parts A and B of medicare may defer enrollment in a PEBB health plan if they are enrolled in exchange coverage.

(3) To defer PEBB health plan enrollment, retiring employees or enrolled subscribers must submit the required forms to the PEBB program requesting to defer.

(a) If retiring employees submit the required forms to defer enrollment in a PEBB health plan after their employer paid or COBRA coverage ends as described in WAC 182-12-171 (1)(a), enrollment will be deferred the first of the month following the date their employer paid or COBRA coverage ends. The forms must be received by the PEBB program no later than sixty days after the employer paid or COBRA coverage ends.

(b) If enrolled subscribers submit the required forms to defer enrollment in a PEBB health plan, enrollment will be deferred effective the first of the month following the date their deferral form is received by the PEBB program.

(4) Retirees who defer may later enroll themselves and their dependents in a PEBB health plan as follows:

(a) Retirees who defer enrollment while enrolled in employer-based group medical insurance, or such medical insurance continued under COBRA may enroll in a PEBB health plan by submitting the required forms and evidence of continuous enrollment in such coverage to the PEBB program:

(i) During the PEBB annual open enrollment period. The required enrollment form must be received by the PEBB program no later than the last day of the open enrollment period. PEBB health plan coverage begins January 1st of the following year; or

(ii) When their employer-based group medical insurance or such coverage under COBRA ends. The required enrollment form and evidence of continuous enrollment must be received by the PEBB program no later than sixty days after such coverage ends. PEBB health plan coverage begins the first day of the month after the employer-based group medical insurance or COBRA ends.

(b) Retirees who defer enrollment while enrolled as a retiree or dependent of a retiree in a federal retiree medical plan will have a one-time opportunity to enroll in a PEBB health plan by submitting the required forms and evidence of continuous enrollment in such coverage to the PEBB program:

(i) During the PEBB annual open enrollment period. The required enrollment form must be received by the PEBB program no later than the last day of the open enrollment period. PEBB health plan coverage begins January 1st of the following year; or

(ii) When the federal retiree medical coverage ends. The required enrollment form and evidence of continuous enrollment must be received by the PEBB program no later than sixty days after such coverage ends. PEBB health plan coverage begins the first day of the month after coverage under the federal retiree medical plan ends.

(c) Retirees who defer enrollment while enrolled in medicare Parts A and B and a medicaid program that provides creditable coverage as described in this chapter may

enroll in a PEBB health plan by submitting the required forms and evidence of continuous enrollment in creditable coverage to the PEBB program:

(i) During the PEBB annual open enrollment period. The required enrollment form must be received by the PEBB program no later than the last day of the open enrollment period. PEBB health plan coverage begins January 1st of the following year; or

(ii) When their medicaid coverage ends. The required enrollment form and evidence of continuous enrollment must be received by the PEBB program no later than sixty days after such coverage ends. PEBB health plan coverage begins the first day of the month after the medicaid coverage ends; or

(iii) No later than the end of the calendar year when their medicaid coverage ends if the retiree was also determined eligible under 42 U.S.C. § 1395w-114 and subsequently enrolled in a medicare Part D plan. Enrollment in the PEBB health plan will begin January 1st following the end of the calendar year when the medicaid coverage ends. The required enrollment form must be received by the PEBB program no later than the last day of the calendar year when the retiree's medicaid coverage ends.

(d) Retirees who defer enrollment while enrolled in exchange coverage will have a one-time opportunity to enroll or reenroll in a PEBB health plan by submitting the required forms and evidence of continuous enrollment in such coverage to the PEBB program:

(i) During the PEBB annual open enrollment period. The required enrollment form must be received by the PEBB program no later than the last day of the open enrollment period. PEBB health plan coverage begins January 1st of the following year; or

(ii) When exchange coverage ends. The required enrollment form and evidence of continuous enrollment must be received by the PEBB program no later than sixty days after such coverage ends. PEBB health plan coverage begins the first day of the month after exchange coverage ends.

(e) Retirees who defer enrollment may enroll in a PEBB health plan if the retiree receives formal notice that the authority has determined it is more cost-effective to enroll the retiree or the retiree's eligible dependent(s) in PEBB medical than a medical assistance program.

WAC 182-12-260 Who are eligible dependents? To be enrolled in a health plan, a dependent must be eligible under this section and the subscriber must comply with enrollment procedures outlined in WAC 182-12-262.

The public employees benefits board (PEBB) program verifies the eligibility of all dependents and reserves the right to request documents from subscribers that provide evidence of a dependent's eligibility. The PEBB program will remove a subscriber's enrolled dependents from health plan enrollment if the PEBB program is unable to verify a dependent's eligibility. The PEBB program will not enroll or reenroll dependents into a health plan if the PEBB program is unable to verify a dependent's eligibility.

The subscriber must notify the PEBB program, in writing, when his or her dependent is not eligible under this sec-

tion. The notification must be received by the PEBB program no later than sixty days after the date his or her dependent is no longer eligible under this section. See WAC 182-12-262 (2)(a) for the consequences of not removing an ineligible dependent from coverage.

The following are eligible as dependents:

(1) Lawful spouse. Former spouses are not eligible dependents upon finalization of a divorce or annulment, even if a court order requires the subscriber to provide health insurance for the former spouse.

(2) Registered domestic partner is defined to include the following:

(a) Effective January 1, 2010, a state registered domestic partner, as defined in RCW 26.60.020(1);

(b) A domestic partner who was qualified under PEBB eligibility criteria as a domestic partner before January 1, 2010, and was continuously enrolled under the subscriber in a PEBB health plan or life insurance; and

(c) Former registered domestic partners are not eligible dependents upon dissolution or termination of a partnership, even if a court order requires the subscriber to provide health insurance for the former partner.

(3) Children. Children are eligible up to age twenty-six except as described in (i) of this subsection. Children are defined as the subscriber's:

(a) Children as defined in RCW 26.26.101 establishment of parent-child relationship;

(b) Biological children, where parental rights have not been terminated;

(c) Stepchildren. The stepchild's relationship to a subscriber (and eligibility as a PEBB dependent) ends, for purposes of this rule, on the same date the subscriber's legal relationship with the spouse or registered domestic partner ends through divorce, annulment, dissolution, termination, or death;

(d) Legally adopted children;

(e) Children for whom the subscriber has assumed a legal obligation for total or partial support in anticipation of adoption of the child;

(f) Children of the subscriber's registered domestic partner;

(g) Children specified in a court order or divorce decree;

(h) Extended dependents in the legal custody or legal guardianship of the subscriber, the subscriber's spouse, or subscriber's registered domestic partner. The legal responsibility is demonstrated by a valid court order and the child's official residence with the custodian or guardian. "Children" does not include foster children for whom support payments are made to the subscriber through the state department of social and health services foster care program; and

(i) Children of any age with a developmental disability or physical handicap that renders the child incapable of self-sustaining employment and chiefly dependent upon the subscriber for support and maintenance provided such condition occurs before the age twenty-six:

(i) The subscriber must provide evidence of the disability and evidence that the condition occurred before age twenty-six;

(ii) The subscriber must notify the PEBB program, in writing, when his or her dependent is not eligible under this section. The notification must be received by the PEBB program

(9/25/14)

no later than sixty days after the date that a child age twenty-six or older no longer qualifies under this subsection;

(iii) A child with a developmental disability or physical handicap who becomes self-supporting is not eligible under this subsection as of the last day of the month in which he or she becomes capable of self-support;

(iv) A child with a developmental disability or physical handicap age twenty-six and older who becomes capable of self-support does not regain eligibility under (i) of this subsection if he or she later becomes incapable of self-support;

(v) The PEBB program will periodically certify the eligibility of a dependent child with a disability beginning at age twenty-six, but no more frequently than annually after the two-year period following the child's twenty-sixth birthday.

(4) Parents.

(a) Parents covered under PEBB medical before July 1, 1990, may continue enrollment on a self-pay basis as long as:

(i) The parent maintains continuous enrollment in PEBB medical;

(ii) The parent qualifies under the Internal Revenue Code as a dependent of the subscriber;

(iii) The subscriber continues enrollment in insurance coverage; and

(iv) The parent is not covered by any other group medical plan.

(b) Parents eligible under this subsection may be enrolled with a different health plan than that selected by the subscriber. Parents may not add additional dependents to their insurance coverage.

WAC 182-12-262 When may subscribers enroll or remove eligible dependents? (1) Enrolling dependents in public employees benefits board (PEBB) benefits. A dependent must be enrolled in the same health plan coverage as the subscriber, and the subscriber must be enrolled to enroll his or her dependent except as provided in WAC 182-12-205 (2)(c). Subscribers may enroll eligible dependents at the following times:

(a) **When the subscriber becomes eligible** and enrolls in public employees benefits board (PEBB) benefits. If eligibility is verified and the dependent is enrolled, the dependent's effective date will be the same as the subscriber's effective date.

(b) **During the annual open enrollment.** PEBB health plan coverage begins January 1st of the following year.

(c) **During special open enrollment.** Subscribers may enroll dependents during a special open enrollment as

described in subsection (3) of this section. The subscriber must satisfy the enrollment requirements as described in subsection (4) of this section.

(2) Removing dependents from a subscriber's health plan coverage.

(a) **A dependent's eligibility for enrollment in health plan coverage ends the last day of the month the dependent** meets the eligibility criteria in WAC 182-12-250 or 182-12-260. Employees must notify their employing agency when a dependent is no longer eligible. All other subscribers must notify the PEBB program when a dependent is no longer eligible. Consequences for not submitting notice within sixty days of the last day of the month the dependent loses eligibility for health plan coverage may include, but are not limited to:

(i) The dependent may lose eligibility to continue health plan coverage under one of the continuation coverage options described in WAC 182-12-270;

(ii) The subscriber may be billed for claims paid by the health plan for services that were rendered after the dependent lost eligibility;

(iii) The subscriber may not be able to recover subscriber-paid insurance premiums for dependents that lost their eligibility; and

(iv) The subscriber may be responsible for premiums paid by the state for the dependent's health plan coverage after the dependent lost eligibility.

(b) Employees have the opportunity to remove dependents:

(i) During the annual open enrollment. The dependent will be removed the last day of December; or

(ii) During a special open enrollment as described in subsections (3) and (4)(f) of this section.

(c) **Retirees, survivors, and enrollees with PEBB continuation coverage under WAC 182-12-133, 182-12-141, 182-12-142, 182-12-146, or 182-12-148 may remove dependents** from their coverage outside of the annual open enrollment or a special open enrollment by providing written notice to the PEBB program. Unless otherwise approved by the PEBB program, the dependent will be removed from the subscriber's coverage prospectively.

(3) **Special open enrollment.** Subscribers may enroll or remove their dependents outside of the annual open enrollment if a special open enrollment event occurs. The change in enrollment must correspond to and be consistent with the event that creates the special open enrollment for the subscriber, the subscriber's dependents, or both.

- Health plan coverage will begin the first of the month following the later of the event date or the date the form is received. If that day is the first of the month, the change in enrollment begins on that day.

- Enrollment of extended dependents or dependents with a disability will be the first day of the month following eligibility certification.

- Dependents will be removed from the subscriber's health plan coverage the last day of the month following the later of the event date or the date the form is received. If that day is the first of the month, the change in enrollment will be made the last day of the previous month.

- If the special open enrollment is due to the birth or adoption of a child, or when the subscriber has assumed a

legal obligation for total or partial support in anticipation of adoption of a child, health plan coverage will begin or end the month in which the event occurs.

Any one of the following events may create a special open enrollment:

(a) Subscriber acquires a new dependent due to:

(i) Marriage or registering a domestic partnership;

(ii) Birth, adoption, or when a subscriber has assumed a legal obligation for total or partial support in anticipation of adoption;

(iii) A child becoming eligible as an extended dependent through legal custody or legal guardianship; or

(iv) A child becoming eligible as a dependent with a disability;

(b) Subscriber or a subscriber's dependent loses other coverage under a group health plan or through health insurance coverage, as defined by the Health Insurance Portability and Accountability Act (HIPAA);

(c) Subscriber or a subscriber's dependent has a change in employment status that affects the subscriber's or the subscriber's dependent's eligibility for their employer contribution toward employer-based group health insurance;

(d) Subscriber or a subscriber's dependent has a change in enrollment under another employer-based group health insurance plan during its annual open enrollment that does not align with the PEBB program's annual open enrollment;

(e) Subscriber's dependent has a change in residence from outside of the United States to within the United States, or from within the United States to outside of the United States;

(f) A court order or national medical support notice (see also WAC 182-12-263) requires the subscriber or any other individual to provide insurance coverage for an eligible dependent of the subscriber (a former spouse or former registered domestic partner is not an eligible dependent);

(g) Subscriber or a subscriber's dependent becomes entitled to coverage under medicaid or a state children's health insurance program (CHIP), or the subscriber or a subscriber's dependent loses eligibility for coverage under medicaid or CHIP;

(h) Subscriber or a subscriber's dependent becomes eligible for state premium assistance subsidy for PEBB health plan coverage from medicaid or a state children's health insurance program (CHIP).

(4) Enrollment requirements. Subscribers must submit the required enrollment forms within the time frames described in this subsection. Employees submit the required forms to their employing agency. All other subscribers submit the required forms to the PEBB program. In addition to the required forms indicating dependent enrollment, the subscriber must provide the required documents as evidence of the dependent's eligibility; or as evidence of the event that created the special open enrollment.

(a) If a subscriber wants to enroll his or her eligible dependent(s) when the subscriber becomes eligible to enroll in PEBB benefits, the subscriber must include the dependent's enrollment information on the required forms that the subscriber submits within the relevant time frame described in WAC 182-08-197, 182-08-187, 182-12-171, or 182-12-250.

(b) If a subscriber wants to enroll eligible dependents during the PEBB annual open enrollment period, the required forms must be received no later than the last day of the annual open enrollment.

(c) If a subscriber wants to enroll newly eligible dependents, the required enrollment forms must be received no later than sixty days after the dependent becomes eligible except as provided in (d) of this subsection.

(d) If a subscriber wants to enroll a newborn or child whom the subscriber has adopted or has assumed a legal obligation for total or partial support in anticipation of adoption, the subscriber should notify the PEBB program by submitting an enrollment form as soon as possible to ensure timely payment of claims. If adding the child increases the premium, the required enrollment form must be received no later than twelve months after the date of the birth, adoption, or the date the legal obligation is assumed for total or partial support in anticipation of adoption.

(e) If the subscriber wants to enroll a child age twenty-six or older as a child with a disability, the required form(s) must be received no later than sixty days after the last day of the month in which the child reaches age twenty-six or within the relevant time frame described in WAC 182-12-262 (4)(a), (b), and (f).

(f) If the subscriber wants to change a dependent's enrollment status during a special open enrollment, required forms must be received no later than sixty days after the event that creates the special open enrollment.

(1) The subscriber may enroll his or her dependent child and request changes to his or her health plan coverage as described under subsection (3) of this section. Employees submit the required forms to their employing agency. All other subscribers submit the required forms to the public employees benefits board (PEBB) program.

(2) If the subscriber fails to request enrollment or health plan coverage changes as directed by the NMSN or court order, the employing agency or the PEBB program may make enrollment or health plan coverage changes according to subsection (3) of this section upon request of:

(a) The child's other parent; or

(b) Child support enforcement program.

(3) Changes to health plan coverage or enrollment are allowed as directed by the NMSN or court order:

(a) The dependent will be enrolled under the subscriber's health plan coverage as directed by the NMSN or court order;

(b) An employee who has waived medical under WAC 182-12-128 will be enrolled in medical as directed by the NMSN or court order, in order to enroll the dependent;

(c) The subscriber's selected health plan will be changed if directed by the NMSN or court order;

(d) If the dependent is already enrolled under another PEBB subscriber, the dependent will be removed from the other health plan coverage and enrolled as directed by the NMSN or court order.

(4) Changes to health plan coverage or enrollment described in subsection (3)(a) through (c) of this section will begin the first day of the month following receipt of the NMSN or court order. If the NMSN or court order is received on the first day of the month, the change to health plan coverage or enrollment begins on that day. A dependent will be removed from the subscriber's health plan coverage as described in subsection (3)(d) of this section the last day of the month the NMSN or court order is received. If that day is the first of the month, the change in enrollment will be made the last day of the previous month.

WAC 182-12-265 What options for continuing health plan enrollment are available to widows, widowers and dependent children if the employee or retiree dies? The dependent of an eligible employee or retiree who meets the eligibility criteria in subsection (1), (2), or (3) of this section is eligible to enroll as a survivor under public employees benefits board (PEBB) retiree insurance coverage. An eligible survivor must submit the appropriate forms to enroll or defer enrollment in retiree insurance coverage. The forms must be received by the PEBB program no later than sixty days after the date of the employee's or retiree's death.

(1) An employee's spouse, registered domestic partner or child who loses eligibility due to the death of an eligible employee may enroll or defer enrollment as a survivor under retiree insurance coverage provided they immediately begin receiving a monthly retirement benefit from any state of Washington sponsored retirement system.

(a) The employee's spouse or registered domestic partner may continue health plan enrollment until death.

(b) The employee's children may continue health plan enrollment until they lose eligibility under WAC 182-12-260.

Note: If a spouse, registered domestic partner, or child of an eligible employee is not eligible for a monthly retirement benefit, the dependent is not eligible to enroll as a survivor under retiree insurance coverage. However, the dependent may continue health plan enrollment as described in WAC 182-12-146.

(2) A retiree's spouse, registered domestic partner or child who loses eligibility due to the death of an eligible

retiree may enroll or defer enrollment as a survivor under retiree insurance coverage.

(a) The retiree's spouse or registered domestic partner may continue health plan enrollment until death.

(b) The retiree's children may continue health plan enrollment until they lose eligibility under WAC 182-12-260.

(c) If a spouse, registered domestic partner or child of an eligible retiree is not enrolled in a PEBB health plan at the time of the retiree's death, the dependent is eligible to enroll or defer enrollment as a survivor under retiree insurance coverage. The dependent must submit the appropriate form(s) to enroll or defer PEBB health plan enrollment. The forms must be received by the PEBB program no later than sixty days after the retiree's death. To enroll in a PEBB health plan, the dependent must provide evidence of continuous enrollment in medical coverage from the most recent open enrollment for which the dependent was not enrolled in a PEBB medical plan prior to the retiree's death.

(3) The spouse, registered domestic partner, or child of a deceased school district or educational service district employee is eligible to enroll or defer enrollment as a survivor under PEBB retiree insurance coverage at the time of the employee's death provided the employee died on or after October 1, 1993. The dependent must immediately begin receiving a retirement benefit allowance under chapter 41.32, 41.35 or 41.40 RCW and submit the appropriate form to enroll or defer enrollment in PEBB retiree insurance coverage. The form must be received by the PEBB program no later than sixty days after the date of the employee's death.

(a) The employee's spouse or registered domestic partner may continue health plan enrollment until death.

(b) The employee's children may continue health plan enrollment until they lose eligibility under WAC 182-12-260.

(4) If a premium payment received by the authority is sufficient to maintain PEBB health plan enrollment after the employee's or retiree's death, the PEBB program will consider the payment as notice of the survivor's intent to continue enrollment.

If the dependent's enrollment ended due to the death of the employee or retiree, the PEBB program will reinstate the survivor's enrollment without a gap subject to payment of premium.

(5) In order to avoid duplication of group medical coverage, surviving dependents may defer enrollment in a PEBB health plan under WAC 182-12-200 and 182-12-205.

WAC 182-12-270 What options for continuation coverage are available to dependents who cease to meet the

[Ch. 182-12 WAC p. 22]

eligibility criteria in WAC 182-12-260? If eligible, dependents may continue health plan enrollment under one of the continuation coverage options in subsection (1) or (2) of this section by self-paying the full premiums set by the health care authority (HCA), with no contribution from the employer, following their loss of eligibility under the subscriber's health plan coverage. The public employees benefits board (PEBB) program must receive the appropriate forms as outlined in the *PEBB Initial Notice of COBRA and Continuation Coverage Rights*. Options for continuing health plan enrollment are based on the reason that eligibility was lost.

(1) Spouses, registered domestic partners, or children who lose eligibility due to the death of an employee or retiree may be eligible to continue health plan enrollment under provisions of WAC 182-12-250 or 182-12-265; or

(2) Dependents who lose eligibility because they no longer meet the eligibility criteria in WAC 182-12-260 are eligible to continue health plan enrollment under provisions of the federal Consolidated Omnibus Budget Reconciliation Act (COBRA). See WAC 182-12-146 for more information on COBRA.

Exception: A dependent who loses eligibility because a domestic partnership or same-sex marriage is dissolved may continue health plan enrollment under an extension of PEBB insurance coverage for a maximum of thirty-six months.

No PEBB continuation coverage will be offered unless the PEBB program is notified through hand-delivery or United States Postal Service mail of the qualifying event as outlined in the *PEBB Initial Notice of COBRA and Continuation Coverage Rights*.

(1) All subscribers, except PEBB subscribers who are enrolled in both medicare parts A and B, and in the medicare risk pool, are eligible to participate in the PEBB wellness incentive program.

(2) To receive a PEBB wellness incentive the following plan year, eligible subscribers must complete PEBB wellness incentive program requirements by the latest date below:

(4) A PEBB wellness incentive will be provided only if:

(a) The funding rate provided by the legislature is designed to provide a PEBB wellness incentive program or a PEBB wellness incentive, or both; or

(b) Specific appropriations are provided for wellness incentives.
