WAC 388-470-0005 How do resources affect my eligibility for cash assistance and Basic Food? (1) The following definitions apply to this chapter:

- (a) **"We"** means the department of social and health services.
- (b) **"You"** means a person applying for or getting benefits from the department.
- (c) **"Fair market value (FMV)"** means the price at which you could reasonably sell the resource.
- (d) **"Equity value"** means the FMV minus any amount you owe on the resource.
- (e) **"Community property"** means a resource in the name of the husband, wife, or both.
- (f) **"Separate property"** means a resource of a married person that one of the spouses:
 - (i) Had possession of and paid for before they were married;
 - (ii) Acquired and paid for entirely out of income from separate property; or
 - (iii) Received as a gift or inheritance.
- (2) We count a resource to decide if your assistance unit (AU) is eligible for cash assistance or Basic Food when:
 - (a) It is a resource we must count under WAC 388-470-0045 and 388-470-0055;
 - (b) You own the resource. We consider you to own a resource if:
 - (i) Your name is on the title to the property; or
 - (ii) You have property that doesn't have a title; and
 - (c) You have control over the resource, which means the resource is actually available to you; and
 - (d) You could legally sell the resource or convert it into cash within twenty days.
 - (3) For cash assistance, you must try to make your resources available even if it will take you more than twenty days to do so, unless:

(a) There is a legal barrier; or
 (b) You must petition the court to release part or all of a resource.

(4) When you apply for assistance, we count your resources as of:

(a) The date of your interview, if you are required to have an interview; or

(b) The date of your application, if you are not required to have an interview.

(5) If your total countable resources are over the resource limit in subsection (6) through (13) of this section, you are not eligible for benefits.

(6) For cash assistance, we use the equity value as the value of your resources.

(a) Applicants can have countable resources up to one thousand dollars.

(b) Recipients of cash assistance can have an additional three thousand dollars in a savings account.

(7) If your AU is categorically eligible (CE) as described in WAC 388-414-0001, you do not have a resource limit for Basic Food.

(8) If your AU is not CE under WAC 388-414-0001, your AU may have countable resources up to the following amount and be eligible for Basic Food:

(a) Three thousand two hundred fifty dollars if your AU has either an elderly or disabled individual; or

(b) Two thousand dollars for all other AUs.

(9) If you own a countable resource with someone who is not in your AU, we count the portion of the resource that you own. If we cannot determine how much of the resource is yours:

(a) For cash assistance, we count an equal portion of the resource that belongs to each person who owns it.

(b) For Basic Food, we count the entire amount unless you can prove that the entire amount is not available to you.

(10) We assume that you have control of community property and you can legally sell the property or convert it to cash unless you can show that you do not.

(11) We may not consider an item to be separate property if you used both separate and community funds to buy or improve it.

(12) We do not count the resources of victims of family violence when:

(a) The resource is owned jointly with members of the former household; or

(b) Availability of the resource depends on an agreement of the joint owner; or

(c) Making the resource available would place the client at risk of harm.

(13) You may give us proof about a resource anytime, including when we ask for it or if you disagree with a decision we made, about:

(a) Who owns a resource;

(b) Who has legal control of the resource;

(c) The value of a resource;

(d) The availability of a resource; or

(e) The portion of a property you or another person owns.

WAC 388-470-0012 Does the department look at the resources of people who are not getting benefits? Yes we do. We count the resources of certain people who live in your home, even if they are not getting assistance. Their resources count as part of your resources.

(1) For cash assistance, we count the resources of ineligible, disqualified, or financially responsible people as defined in WAC 388-450-0100.

(2) For Basic Food, we count the resources of ineligible assistance unit (AU) members as defined in WAC 388-408-0035.

(3) For cash assistance and Basic Food, we also count the resources of an immigrant's sponsor as described in WAC 388-470-0060.

WAC 388-470-0060 How does the department decide how much of my sponsor's resources affect my eligibility for cash and food assistance benefits? (1) If you are a sponsored immigrant as defined in WAC 388-450-0155, and you are not exempt from deeming under WAC 388-450-0156, we count part of your sponsor's resources as available to you.

(2) We decide the amount of your sponsor's resources to count by:

(a) Totaling the countable resources of the sponsor and the sponsor's spouse (if the spouse signed the affidavit of support) under chapter 388-470 WAC;

(b) Subtracting fifteen hundred dollars; and

(c) Counting the remaining amount as a resource that is available to you.

(3) If you can show that your sponsor has sponsored other people as well, we divide the result by the total number of people who they sponsored.

(4) We continue to count your sponsor's resources when we determine your eligibility for benefits until you are exempt from deeming under WAC 388-450-0156.

WAC 388-470-0075 How is my vehicle counted for the Washington Basic Food program? This rule applies to the Washington Basic Food program only.

(1) A vehicle is a motorized device that the client can use as a regular means of transportation.

(2) If you own a licensed vehicle we (the department) do not count its entire value if the vehicle:

(a) Has an equity value (fair market value (FMV) minus what you owe on the vehicle) of one thousand five hundred dollars or less.

(b) Is used over fifty percent of the time to make income. This includes vehicles such as a taxi, truck, or fishing boat. If you are a self-employed farmer or fisher and your self-employment ends, we still exclude your vehicle for one year from the date you end your self-employment.

(c) Is used to make income each year that is consistent with its FMV, even if used on a seasonal basis.

(d) Is needed for long-distance travel, other than daily commuting, for the employment of an assistance unit (AU).

(e) Is used as your AU's home.

(f) Is used to carry fuel for heating or water for home use when this is the primary source of fuel or water for your AU.

(g) Is needed to transport a physically disabled AU member, no matter if the disability is permanent or temporary.

(3) For licensed vehicles we did not exclude in subsection (2) above, we subtract four thousand six hundred fifty dollars from the vehicle's FMV and count the remaining amount toward the resource limit for:

(a) One vehicle for each adult AU member no matter how it is used; and

(b) Any vehicle an AU member under age eighteen uses to drive to work, school, training, or to look for work.

(4) If you have other licensed vehicles, we count the larger value of the following toward your AU's resource limit:

(a) FMV greater than four thousand six hundred fifty dollars; or

(b) Equity value (FMV minus what is owed on the vehicle).

(5) If you are a tribal member and drive an unlicensed vehicle on a reservation that does not require vehicle licensing, we count or exclude your vehicle as if it was a licensed vehicle.

(6) For all other unlicensed vehicles we count the equity value towards your AU's resource limit unless the vehicle is:

(a) Used to make income each year that is consistent with its FMV, even if used on a seasonal basis; or

(b) Work-related equipment needed for employment or self-employment of a member of your AU.

(7) We do not add the equity values of different vehicles together to perform the equity test. We look at each vehicle separately. If a vehicle passes the equity test, we do not count it towards the resource maximum.

(8) After we determine the countable value of each vehicle, we add those values to your other countable resources to see if your resources are below your resource limit.
