(1) Verbal warning means oral notice of violation of college rules.

(2) Reprimand means formal action censuring a student for violation of college rules for failure to satisfy the college's expectations regarding conduct. Reprimands are made in writing to the student. A reprimand indicates to the student that continuation or repetition of the specific conduct involved or other misconduct will result in one or more serious disciplinary actions described below.

(3) Disciplinary probation means formal action placing conditions upon the student's continued attendance because of violation of college rules or failure to satisfy the college's expectations regarding conduct. The disciplinary official placing the student on probation will specify, in writing, the period of probation and its conditions. Disciplinary probation warns the student that any further misconduct will automatically raise the question of expulsion from the college. Disciplinary probation may be for a specified term or for an indefinite period which may extend to graduation or other termination of the student's enrollment in the college.

(4) Summary suspension means temporary dismissal from the college and temporary termination of a student's status for a period of time not to exceed ten days due to a necessity to take immediate disciplinary action where a student presents an imminent danger to college property, or to him-

(6/21/93)

self or herself or other students or persons in college facilities or off campus, or to the educational process of the college.

(5) Suspension means temporary dismissal from the college and temporary termination of student status, other than summary suspension, for a specified period of time.

(6) Expulsion means dismissal from the college and termination of student status for an indefinite period of time or permanently.

(7) Monetary fine or restitution means a written order, alone or combined with another disciplinary action, requiring the student to pay, within a stated time limit, appropriate restitution for a financial loss caused by the student's misconduct and/or monetary fine not exceeding one quarter's tuition. Failure to pay shall be cause for further disciplinary action and/or cancelling and barring the student's registration.

[Statutory Authority: RCW 28B.50.140, 34.05.220 and [34.05].482. WSR 93-13-107, § 495E-120-110, filed 6/21/93, effective 7/22/93.]

WAC 495E-120-120 Initiation of discipline. (1) The vice-president for student services shall designate the person(s), in addition to instructors under WAC 495E-120-080, who may take any disciplinary action under this chapter. Such disciplining official ordinarily should meet or attempt to meet with the student to explain the seriousness of the matter and hear any explanation by the student before taking a disciplinary action.

(2) The student shall be given written notice of any disciplinary action except a verbal warning. Such written notice shall be delivered personally or mailed by first-class mail to the student's last known address. The notice shall state the factual basis for the action and shall advise the student of his/her right to appeal under these rules. The notice may be amended by notice reasonably in advance of a hearing.

[Statutory Authority: RCW 28B.50.140, 34.05.220 and [34.05].482. WSR 93-13-107, § 495E-120-120, filed 6/21/93, effective 7/22/93.]

(1) A student may appeal a disciplinary action, other than a verbal warning, of an instructor or disciplining official by filing, within twenty days after the earlier of personal delivery or mailing of notice of the disciplinary action, a written application for a brief or formal adjudicative proceeding. This application may, but need not, explain the student's position and/or be on a form provided under WAC 495E-108-040. The application shall be filed with the vice-president for student services or the person (other than the disciplining official) designated by that vice-president to receive such an appeal.

(2) The vice-president or designee receiving the appeal may, in his/her discretion, stay the effect of the discipline pending the appeal.

(3) The vice-president or designee receiving the appeal may meet or attempt to meet with the student, the disciplining official, and anyone else deemed to have information, for the purpose of attempting to resolve the matter by agreement.

(4) Unless the discipline is rescinded, the student confirms in writing his/her withdrawal of the application for an adjudication, or the matter is otherwise resolved by agreement, the vice-president shall conduct an adjudicative proceeding. This shall be a brief adjudicative proceeding unless:

(a) The vice-president decides to convert the case to a formal adjudicative hearing; or

(b) The discipline includes some form of dismissal from the college and the student in his/her request for an adjudication specified a formal adjudicative hearing.

(5) Disqualification of a presiding officer shall be as provided in RCW 34.05.425.

(6) The matter shall be heard by the presiding officer de novo.

(7) Failure to participate or cooperate in the proceeding may be taken into consideration by the presiding officer and shall not preclude the presiding officer from making a decision. This shall not limit the possibility of a default under RCW 34.05.440.

(8) The student may be accompanied by an advisor. However, no attorney representative of any party may participate in a meeting or hearing unless he/she has filed with the presiding officer and served on all other parties, at least five days previously, a notice of appearance. In the event of such notice, any other party may also have counsel.

(9) The presiding officer may exclude from a meeting or hearing any person whose conduct is disruptive.

(10) The presiding officer may consider evidence of any previous disciplinary action taken against the student.

(11) The presiding officer and, subsequently, a reviewing officer, may affirm, modify, or reverse the disciplinary action.
