If the contractor requests a hearing by certified mail within twenty calendar days after the mailing of the notice, a hearing shall be conducted in accordance with the procedure set forth in this section. Unless the department is otherwise prohibited from contracting with the contractor, the denial, suspension or revocation shall not become effective until the final decision of the secretary has been rendered.

(2) The secretary shall designate a hearing official to conduct any hearing held under this section. The hearing official shall furnish written notice by certified mail of a hearing to the contractor and any named affiliates at least twenty calendar days before the effective date of suspension or revocation or denial of qualification for placement on the small works roster. The notice shall state:

(a) That suspension or revocation or denial of qualification for placement on the small works roster is being considered.

(f) That the contractor may, within twenty calendar days of receipt of the notice, submit to the hearing official by certified mail, return receipt requested, information and argument in opposition to or in clarification of the proposed action.

(g) When the action is based on a conviction, judgment, or admission, fact finding shall be conducted if the hearing official determines that the contractor's submission raises a genuine dispute over material facts upon which the denial, suspension or revocation is based or whether the causes relied upon for proposing suspension or revocation exist.

(h) The time, place, and date of the hearing.

(i) The name and mailing address of the hearing official.

(j) That proposals shall not be issued nor contracts awarded to the contractor subsequent to the dispatch of the notice of hearing pending the final decision of the secretary.

(3) The hearing official may extend the date of any hearing upon request of the contractor, but the hearing shall not be extended beyond forty-five calendar days from the date of the notice. The hearing official shall schedule and conduct the hearing within thirty calendar days of the date of the notice, except when an extension is granted as provided in this subsection.

The secretary, after receiving the record, findings of fact, and recommendations of the hearing official shall determine the administrative action to be taken. The secretary shall notify the contractor of his determination in writing.
