Formerly 388-503-0370, 388-518-1805, 388-518-1810 and 388-518-1850.] Repealed by WSR 04-07-141, filed 3/22/04, effective 4/22/04. Statutory Authority: RCW 74.08.090, 74.09.530, and 2003 1st sp.s. c 25.

**Notice of Objection (1):** It is the opinion of the Joint Administrative Rules Review Committee that the Department of Social and Health Services has not modified, amended, withdrawn or repealed WAC 388-100-005 to conform with the intent of the legislature, as expressed in both chapters 70.48 and 74.09 RCW.

Although the department has statutory authority in chapter 74.09 RCW, to determine who is eligible to receive assistance under the limited casualty medical program, that authority is not without limitation. The City and County Jail Act of 1977 requires the Department of Social and Health Services to reimburse the local government for inmate medical costs, provided that inmate is otherwise eligible for such care. Inmates have not been denied coverage based on their status as inmates since the enactment of the City and County Jail Act.

In determining legislative intent, a portion of a statute cannot be examined in a vacuum. Rather, all statutes relating to the same subject should be read together and given a harmonious interpretation. The legislature is presumed to enact law with knowledge of existing law. RCW 70.48.130 is made moot by the department's administrative denial of inmate medical coverage, and the legislature does not intend to enact "moot" legislation.

The Joint Administrative Rules Review Committee objects to WAC 388-100-005 and herewith directs the code reviser to publish this Notice of Objection ... pursuant to RCW 34.04.240.

[Joint Administrative Rules Review Committee, Memorandum, July 10, 1987—Filed July 27, 1987, WSR 87-16-031]

[Title 388 WAC p. 180]

**Notice of Objection (2):** The Joint Administrative Rules Review Committee (JARRC) held on July 27, 1987, that WAC 388-100-005 did not conform with the intent of the Legislature. This rule, adopted by the Department of Social and Health Services (DSHS), excluded inmates of federal or state prisons from eligibility for the limited casualty medically indigent program of medical assistance.

As authority for its opinion, the committee cited RCW 70.48.130 of the City and County Jail Act of 1977 which requires DSHS to reimburse local governments for inmate medical costs provided to otherwise eligible inmates.

There has been no amendment to RCW 70.48.130 changing its meaning since 1986. Effective May 15, 1993, an amendment resulted in even further emphasis of the intent of the Legislature that all jail inmates receive cost-effective medical care. (1993 C 409 § 2)

On May 31, 1994, DSHS refiled a permanent rule, WSR 94-10-065, WAC 388-503-0370 which recodified WAC 388-100-005. The eligibility requirement that an applicant for the medically indigent program not be an inmate of a federal or state prison is retained in the new rule.

Since neither the statutory authority nor the substance of the rule has changed since the JARRC decision of July 27, 1987, the committee is of the opinion that DSHS has not modified, amended, withdrawn or repealed WAC 388-100-005 to conform with the intent of the Legislature. This being the case, pursuant to RCW 34.05.640 (5) and (6), the committee respectfully requests that the notice of objection published along with WAC 388-100-005 continue to be published along with WAC 388-503-0370.

[Joint Administrative Rules Review Committee, Memorandum February 21, 1995—Filed February 27, 1995, WSR 95-06-053.]

**Reviser's note:** The substance of WAC 388-503-0370 was moved into WAC 388-438-0100 filed as WSR 98-16-044 on July 31, 1998.
