WAC 504-36-020 Control of animals. This section governs the control of animals and pets on property owned or controlled by Washington State University.

(1) This section does not apply to animals owned by the university or under its care, custody, and/or control.

(2) Subsections (3) and (8) of this section do not apply to trained guide dogs or service animals that are being used by persons with disability.

(3) Animals are not permitted in university buildings, except in facilities that are the site of university-authorized events, such as stock shows, horse shows, parades, or demonstrations at sporting events, where the animals are participants in said events, or as allowed by university housing policies. The vice president for business and finance, the president, the chancellor of a branch campus, or such other person as the president may designate, may waive this subsection for guide dogs in training or service animals in training, provided that such animals are present on campus with trainers or handlers who have a demonstrated history of training such animals.

(4) Animals are not permitted on university property unless under immediate control of their keeper, except as otherwise allowed under this rule. "Keeper" includes an owner, handler, trainer, or any person responsible for the control of an animal. "Under control" means the restraint of an animal by means of a leash or other device that physically restrains the animal to the keeper's immediate proximity. An animal which is otherwise securely confined while in or upon any motor vehicle, including a trailer, is deemed to be under control.

(5) The requirement that animals be under immediate control of their keeper does not apply to:

(a) A dog being exercised in any area designated by the university as leash optional;

(b) A dog undergoing training at a certified dog obedience class on the university campus and authorized by the dean of the college of veterinary medicine, the vice president for business and finance, the president, or the president's designee;

(c) A dog while being exhibited in an organized dog show on university property;

(d) A dog trained to aid law enforcement officers while being used for law enforcement purposes or during demonstrations to illustrate the dog's capabilities;

(e) A dog trained and under the control of a university farm manager to aid farm managers while moving or handling livestock; and

(f) An animal participating in a university-authorized event, such as a stock show, horse show, parade, extension or outreach event, or demonstrations at a sporting, teaching, or agricultural event.

(6) Any stray dog or other animal that is running loose on university property is subject to impound by local authorities in accordance with the municipal or county ordinances that apply to each campus.

(7) The keeper of any animal must remove for disposal any fecal matter deposited by the animal on university premises before the keeper leaves the area where the matter was deposited. This requirement does not apply to an individual who, by reason of disability, is unable to comply, or to individuals bringing animals to university-authorized events where arrangements have been made for the removal of fecal matter.

(8) The vice president for business and finance, the president, the chancellor of a branch campus, or such other person as designated by the president, may designate areas on a campus otherwise open to the public as restricted from access by dogs or other animals even when under the control of their keepers for safety reasons or where the presence of dogs or other animals conflicts with the educational or research missions of the university.

WAC 504-36-030 Spectator events—Safety rules. (1) Protection of the safety and general welfare of students, faculty and staff, performers and officials, and members of the general public attending or participating in spectator events on campus is a primary concern of Washington State University.

(2) The following rules of conduct apply to all spectator events of Washington State University. "Spectator event," for the purposes of this section, means ticketed or nonticketed athletic or entertainment events held on any portion of university property, including, but not limited to, Martin Stadium and the Beasley Coliseum (hereafter the "event site").

(a) Behavior which in the judgment of designated university officials constitutes a disruption of the event or a safety hazard for other spectators or participants is prohibited.

(b) For ticketed events, an individual is entitled to occupy only the seat for which he or she has the proper ticket.

(c) Photographing or making audio or visual recordings of a spectator event for commercial purposes is not permitted without specific written permission from the WSU athletic department (for athletic events) or the performer and applicable designated university official (for entertainment events).

(d) Aisles, walkways, and stairs must be kept clear of hazards and obstacles at all times to ensure safe and easy passage for all persons.

(e) Possession and/or consumption of illegal drugs or marijuana is prohibited. Possession and/or consumption of alcoholic beverages is permitted subject to restrictions.

(i) Any illegal drugs, marijuana, or alcoholic beverages, except for such beverages provided in accordance with (e)(ii) of this subsection, found in the possession of a spectator or otherwise found on the event site may be confiscated and delivered to the custody of designated university officials for law enforcement purposes or for disposal, as appropriate.

(ii) Alcoholic beverages may be possessed, sold, served, and consumed at event sites only under a valid permit or license issued by the Washington state liquor and cannabis board. Events at which alcoholic beverages are possessed, sold, served, and consumed must comply with the restrictions imposed by the Washington state liquor and cannabis board and restrictions and policies imposed by the university, have restricted attendance, and be limited to specified room(s) or area(s). Possession, consumption, service, dispensation, or sale of alcohol is prohibited except to persons of legal age.

(f) Smoking and other uses of tobacco and/or nicotine products are prohibited in all areas of the Pullman campus in accordance with chapter 504-38 WAC and all areas of the Vancouver campus in accordance with chapter 504-37 WAC.

(g) Each spectator is allowed to bring one empty nondisposable water bottle into the event site, provided that the capacity of the water bottle is no more than one and one-half liters. All other beverage containers and devices used for carrying beverage containers are prohibited. All such items are subject to a visual inspection by designated university officials upon entry to the event site. If designated university officials make the determination that a given container or device is prohibited, the possessor of the container or device must remove the container or device from the event site premises or may surrender the container or device to such designated university officials for disposal.

(h) Each spectator is allowed to bring one soft sided bag into the event site, provided such bag is no larger than fourteen inches by eight inches by fourteen inches and, for seated events, is small enough to fit completely under the spectator's seat, where such bags must be kept. All other bags and containers are prohibited. All such items are subject to a visual inspection by designated university officials upon entry into the event site. If designated university officials make the determination that a given bag is prohibited, the possessor of the bag must remove the bag from the event site premises or may surrender the bag to such designated university officials for disposal.

(i) The following items are prohibited in the event site:

(i) Fireworks, weapons, explosive devices, or artificial noisemaking devices (such as airhorns);

(x) Food and beverages, unless purchased from a vendor within the event site.

(3) Where there is reasonable cause to believe that a person is violating, or is attempting to violate, the requirements identified in subsection (2) of this section, such person is denied license or privilege to enter or remain in or upon the event site premises, and designated university officials may take necessary action to deny entry or to remove such persons from the event site premises.

Prohibited items found in the possession of a spectator or otherwise found on the event site are to be confiscated and delivered to the custody of designated university officials for law enforcement purposes or for disposal, as appropriate. Violation of the requirements identified in subsection (2) of this section or failure to vacate the event site premises upon request of designated university officials may result in university disciplinary action (if applicable) and/or subsequent legal proceedings under federal or state law and/or the Washington Administrative Code.
