WAC 246-915-010 Definitions. The definitions in this section apply throughout this chapter unless the context indicates otherwise:

- (1) "Board" means the Washington state board of physical therapy.
- (2) "CAPTE" means the commission on accreditation for physical therapy education.

(3) "Consultation" means a communication regarding a patient's evaluation and proposed treatment plan with an authorized health care practitioner.

(4) "Department" means the Washington state department of health.

(5) "Direct supervision" means the supervisor shall:

(a) Be continuously on-site and present where the person being supervised is performing services;

(b) Be immediately available to assist the person being supervised in the services being performed; and

(c) Maintain continued involvement in appropriate aspects of each treatment session in which a component of treatment is delegated to assistive personnel or is required to be directly supervised under RCW 18.74.180.

(6) "Indirect supervision" means the supervisor is not on the premises, but has given either written or oral instructions for treatment of the patient and the patient has been examined by the physical therapist at such time as acceptable health care practice requires, and consistent with the particular delegated health care task.

(7) "NPTE" means the National Physical Therapy Examination.

(8) "Other assistive personnel" means other trained or educated health care personnel, not defined in subsection (12)(a) or (b) of this section, who perform specific designated tasks related to physical therapy under the supervision of a physical therapist including, but not limited to, licensed massage therapists, licensed athletic trainers, and exercise physiologists. At the direction of the supervising physical therapist, and if properly credentialed and not prohibited by any other law, other assistive personnel may be identified by the title specific to their training or education.

(9) "Physical therapist" means a person who meets all the requirements of this chapter and is licensed as a physical therapist under chapter 18.74 RCW.

(10) "Sharp debridement" means the removal of devitalized tissue from a wound with scissors, scalpel, and tweezers without anesthesia. Sharp debridement does not mean surgical debridement.

(11) "Spinal manipulation" includes spinal manipulation, spinal manipulative therapy, high velocity thrust maneuvers, and grade five mobilizations of the spine and its immediate articulations.

(12) "Trained supportive personnel" means:

(a) "Physical therapist assistant." An individual who meets all the requirements of this chapter and is licensed as a physical therapist assistant and who performs physical therapy procedures and related tasks that have been selected and delegated only by the supervising physical therapist; or

(b) "Physical therapy aide." An individual who is involved in direct physical therapy patient care who does not meet the definition of a physical therapist or physical therapist assistant and receives ongoing on-the-job training.

WAC 246-915-020 Physical therapist and physical therapist assistant examinations—Prior to graduation.

(1) Physical therapy students in their last year of education may apply for licensure by examination prior to graduation if the department receives a letter from an official of the student's physical therapy school verifying the probability of graduation prior to the date of the examination for which they are applying. Students may apply to take the exam up to one hundred fifty days prior to graduation.

(2) The department will not issue a credential until:

(a) A diploma, an official transcript, or certification letter from the registrar's office certifying completion of all requirements for degree or certificate in physical therapy are received by the department; and

(b) A passing NPTE score is received by the department.

WAC 246-915-030 Examination. The examination acceptable and approved for use under the provisions of RCW 18.74.035 is the NPTE.

(1) For a physical therapist a passing score is considered to be one of the following:

(a) Beginning November 8, 1995, the criterion referenced passing point shall be set to equal a scaled score of six hundred based on a scale ranging from two hundred to eight hundred.

(b) Beginning February 28, 1991, through July 12, 1995, not less than sixty-eight percent of the raw score.

(c) Prior to February 28, 1991, not less than sixty percent raw score on each of the three examination parts.

(2) For a physical therapist assistant a passing score is considered to be one of the following:

(a) Beginning November 8, 1995, the criterion referenced passing point shall be set to equal a scaled score of six hundred based on a scale ranging from two hundred to eight hundred.

(b) Prior to November 8, 1995, a passing score is answering correctly seventy percent of the total number of questions.

(3) If a physical therapist or physical therapist assistant candidate fails to receive a passing score, he or she will be required to retake the NPTE.

(4) The department will issue a license by endorsement to an applicant who is currently licensed as a physical therapist or physical therapist assistant under the laws of another

(10/19/18)

state provided the requirements for registration or licensure under the appropriate category in that state, including minimal education and passing score on the NPTE, were substantially equal to the requirements in force in this state on the date of the applicant's initial licensure in the other state.

(5) An applicant may take the NPTE a maximum of six times, except that applicants who receive two very low scores on the exam will not be allowed to test again. A very low score is defined as performing at or below chance level (scale score four hundred and below).

WAC 246-915-040 Licensure by endorsement. (1) An applicant for licensure as a physical therapist or physical therapist assistant who is currently registered, certified, or licensed under the laws of another state or territory, or the District of Columbia, with substantially equal requirements of this chapter shall file an application and submit to the department:

(a) Documentation verifying graduation from a board approved school as described in WAC 246-915-100 and 246-915-105; and

(b) Verification of passing NPTE scores as described in WAC 246-915-030.

(2) If the applicant took an examination other than the NPTE, the board shall determine if such examination is equivalent to that required by the laws of this state.

(3) If an applicant has not been actively engaged in lawful practice in another state, territory, or District of Columbia

in the last three years, the applicant may be granted licensure by endorsement under the following conditions:

(a) The board may require the applicant to retake and pass the NPTE; or

(b) The board may waive reexamination in favor of evidence of continuing competency satisfactory to the board.

(4) If the applicant has not been actively engaged in law-ful practice in another state, territory, or District of Columbia in the last five years or longer, the applicant may be granted licensure by endorsement under the following conditions:

(a) The applicant completes the continuing competency requirements found in WAC 246-915-085; and

(b) The applicant retakes and passes the NPTE.

WAC 246-915-075 Temporary permit—National background checks. Fingerprint-based background checks may cause a delay in licensing. Individuals who satisfy all other licensing requirements and qualifications may receive a temporary permit while the national background check is completed.

(1) A temporary permit may be issued to an applicant who:

(a) Holds an unrestricted, active license in another state or jurisdiction that has substantially equivalent licensing standards for the same profession as those in Washington;

(b) Is not subject to denial of a license or issuance of a conditional or restricted license; and

(c) Does not have a criminal record in Washington.

(2) A temporary permit grants the individual the full scope of practice for the profession.

(3) A temporary practice permit will not be renewed, reissued, or extended. A temporary practice permit expires when any one of the following occurs:

(a) The license is granted;

(b) A notice of decision on application is mailed to the applicant, unless the notice of decision on application specifically extends the duration of the temporary practice permit; or

(c) One hundred eighty days after the temporary practice permit is issued.

(4) To receive a temporary practice permit, the applicant shall:

(a) Submit the necessary application, fee(s), and documentation for the license;

(b) Meet all requirements and qualifications for the license, except the results from a fingerprint-based national background check, if required;

(c) Provide verification of having an active unrestricted license in the same profession from another state that has substantially equivalent licensing standards for the profession in Washington; and

(d) Submit to the department the fingerprint card and a written request for a temporary practice permit when the department notifies the applicant the national background check is required.

WAC 246-915-078 Interim permits. (1) The department, upon approval by the board, will issue an interim permit authorizing an applicant for licensure who meets the minimum qualifications stated in RCW 18.74.030 to practice

physical therapy under graduate supervision pending notification of the results of the first licensure examination for which the applicant is eligible. The duration of an interim permit must not exceed six months from the date of issuance.

(2) For purposes of this section, "graduate supervision" means supervision of a holder of an interim permit by a licensed physical therapist who is on the premises at all times. Graduate supervision must include consultation regarding evaluation, treatment plan, treatment program, and progress of each assigned patient at appropriate intervals and be documented by cosignature of notes by the licensed physical therapist. RCW 18.74.012 is not applicable for holders of interim permits.

(3) If the holder of the interim permit fails the NPTE, the permit expires upon notification and is not renewable.

(4) To obtain an interim permit, an applicant shall submit the following:

(a) Evidence of having obtained a physical therapy degree from a board approved school as stated in WAC 246-915-100 and 246-915-105;

(b) A completed physical therapist or physical therapist assistant license application; and

(c) The application fee under WAC 246-915-990 or 246-915-99005.

(5) The applicant shall also submit a completed department-approved interim permit sponsor form that provides:

(a) The name, location and telephone number of his or her place of employment;

(b) The name and license number of his or her supervising physical therapist; and

(c) Written confirmation from the supervising physical therapist attesting that he or she will:

(i) Remain on the premises at all times to provide graduate supervision as specified in RCW 18.74.075;

(ii) Report to the board any change in supervision or any change in location where services are provided within ten business days of the change;

(iii) Ensure that the holder of the interim permit wears identification showing his or her clinical title and role in the facility as a graduate physical therapist or graduate physical therapist assistant; and

(iv) Ensure that the holder of the interim permit ceases practice immediately upon notification of failing the NPTE; or

(v) Ensure that the holder of the interim permit obtains his or her physical therapist or physical therapist assistant license immediately upon notification of having passed the NPTE.

WAC 246-915-120 Foreign educated applicants. (1)

An applicant whose first professional degree in physical therapy was awarded from a foreign physical therapy program that is not or was not accredited by the CAPTE shall submit:

(a) An application for review by the board;

(b) A credentials evaluation report of professional education and training prepared by a board-approved credentials evaluation agency. The report must be sent directly from the credentialing agency to the board. It is the responsibility of the applicant to pay the expenses associated with the credentials evaluation:

(i) The report must provide evidence and documentation that the applicant completed education outside a state or territory of the United States that is substantially equivalent to the education of a physical therapist who graduated from a physical therapy education program accredited by CAPTE.

(ii) To be approved as a credentialing agency, the agency must use the appropriate course work tool (CWT) adopted by the Federation of State Boards of Physical Therapy to determine substantial equivalency. The appropriate CWT means the CWT in place at the time the foreign educated physical therapist earned their first professional degree in physical therapy.

(c) Evidence of English language proficiency:

(i) Verification that English is the native language of the country of origin, and the physical therapy program employs English as the language of training; or

(ii) Verification that the applicant has achieved a score of not less than five hundred sixty on the paper Test of English as a Foreign Language (TOEFL) or a score of not less than two hundred twenty on the computer Test of English as a Foreign Language (TOEFL), a score of not less than fifty on the Test of Spoken English (TSE) and a score of not less than four and one-half on the Test of Written English (TWE); or

(iii) Verification that the applicant has achieved the following minimum scores for each category of the internet-based TOEFL (ibTOEFL) examination: Writing, twenty-four; speaking, twenty-six; reading, twenty-one; listening, eighteen; with an overall score of not less than eighty-nine. These passing scores must all be earned during the same test sitting.

(d) Verification of a valid, unencumbered license or authorization to practice physical therapy in the country in which the physical therapy education was obtained;

(e) Official transcripts from the physical therapy program showing degree date;

(f) Passing scores for the Washington jurisprudence examination;

(g) Passing scores for the National Physical Therapy Examination (NPTE); and

(h) Any additional supporting documentation as requested by the board.

(2) The applicant shall have received a grade of "C" or higher (or equivalent) in all professional education course work;

(3) The applicant may apply for the college-level education program (CLEP) and their scores may be applied toward college credit. The board will consider the conversion of CLEP scores to college credits provided by a board-approved credentialing agency;

(4) The board may allow applicants to correct general education deficiencies by completing board-approved course work. To obtain professional course work preapproval, the applicant shall submit a written request along with the course description/syllabus for the proposed course; and

(5) An applicant whose first professional degree in physical therapy was awarded from a foreign physical therapy program that is or was accredited by the CAPTE shall follow the requirements under WAC 246-915-030 and 246-915-100.

WAC 246-915-140 Personnel identification. (1) Each person shall wear identification showing his or her clinical title, and their role in the facility as a physical therapist, a physical therapist assistant, a physical therapy aide, a graduate physical therapist, or a graduate physical therapist assistant as appropriate. Trained supportive personnel may not use any term or designation which indicates or implies that he or she is licensed as a physical therapist or physical therapist assistant in the state of Washington.

(2) The physical therapist or physical therapist assistant shall post the license or interim permit, or a copy of the license or interim permit, or a printout from the department's provider credential search web site, in a safe, conspicuous location at the physical therapist's or physical therapist assistant's work site. The physical therapist or physical therapist assistant may block out his or her address before posting the license or interim permit.

If the physical therapist or physical therapist assistant does not have a principal place of business or conducts business in any other location, he or she shall have a copy of his or her license available for inspection while performing services within his or her authorized scope of practice.

WAC 246-915-180 Professional conduct principles.

(1) The patient's lawful consent is to be obtained before any information related to the patient is released, except to the consulting or referring authorized health care practitioner and/or authorized governmental agency(s).

(a) Physical therapists are responsible for answering legitimate inquiries regarding a patient's physical dysfunction and treatment progress, and

(b) Information is to be provided by physical therapists and physical therapist assistants to insurance companies for billing purposes only.

(2) Physical therapists and physical therapist assistants are not to compensate or to give anything of value to a representative of the press, radio, television, or other communication medium in anticipation of, or in return for, professional publicity in a news item. A paid advertisement is to be identified as such unless it is apparent from the context it is a paid advertisement.

(3) It is the physical therapist's and physical therapist assistant's responsibility to report any unprofessional, incompetent or illegal acts that are in violation of chapter 18.74 RCW or any rules established by the board.

(4) It is the physical therapist's and physical therapist assistant's responsibility to recognize the boundaries of his or her own professional competencies and that he or she uses only those in which he or she can prove training and experience.

(5) Physical therapists and physical therapist assistants shall recognize the need for continuing education and shall be open to new procedures and changes.

(6) It is the physical therapist's and physical therapist assistant's responsibility to represent his or her academic credentials in a way that is not misleading to the public.

(7) It is the responsibility of the physical therapist and physical therapist assistant to refrain from undertaking any activity in which his or her personal problems are likely to lead to inadequate performance or harm to a client and/or colleague.

(8) A physical therapist and physical therapist assistant shall not use or allow to be used any form of public communication or advertising connected with his or her profession or in his or her professional capacity as a physical therapist which:

(a) Is false, fraudulent, deceptive, or misleading;

(b) Guarantees any treatment or result;

(c) Makes claims of professional superiority.

(9) Physical therapists and physical therapist assistants are to recognize that each individual is different from all other individuals and to be tolerant of and responsive to those differences.

(10) Physical therapists shall not receive reimbursement for evaluating or treating him or herself.

(11) Physical therapists shall only delegate physical therapy tasks to trained supportive personnel as defined in WAC 246-915-010 (4)(a) and (b).

WAC 246-915-181 Supervision responsibilities. A physical therapist is professionally and legally responsible for patient care given by assistive personnel under his or her supervision. If a physical therapist fails to adequately supervise patient care given by assistive personnel, the board may take disciplinary action against the physical therapist.

(1) Regardless of the setting in which physical therapy services are provided, only the licensed physical therapist may perform the following responsibilities:

(a) Interpretation of referrals;

(b) Initial examination, problem identification, and diagnosis for physical therapy;

(c) Development or modification of a plan of care that is based on the initial examination and includes the goals for physical therapy intervention;

(d) Determination of which tasks require the expertise and decision-making capacity of the physical therapist and shall be personally rendered by the physical therapist, and which tasks may be delegated;

(e) Assurance of the qualifications of all assistive personnel to perform assigned tasks through written documentation of their education or training that is maintained and available at all times;

(f) Delegation and instruction of the services to be rendered by the physical therapist, physical therapist assistant, or physical therapy aide including, but not limited to, specific tasks or procedures, precautions, special problems, and contraindicated procedures;

(g) Timely review of documentation, reexamination of the patient, and revision of the plan of care when indicated;

(h) Establishment of a discharge plan.

(2) Supervision requires that the patient reevaluation is performed:

(a) Every fifth visit, or if treatment is performed more than five times per week, reevaluation must be performed at least once a week;

(b) When there is any change in the patient's condition not consistent with planned progress or treatment goals.

(3) Patient reexamination means the licensed physical therapist shall physically observe and interview the patient and reexamine the patient as necessary during an episode of care to evaluate progress or change in patient status and modify the plan of care accordingly or discontinue physical therapy services.

(4) For patient reevaluations the licensed physical therapist shall at a minimum visually see the patient.

(5) Supervision of assistive personnel means:

(a) Physical therapist assistants may function under direct or indirect supervision;

(b) Physical therapy aides shall function under direct supervision;

(c) The physical therapist may supervise a total of two assistive personnel at any one time;

(d) In addition to the two assistive personnel authorized in (c) of this subsection, the physical therapist may supervise a total of two persons who are pursuing a course of study leading to a degree as a physical therapist or a physical therapist assistant.

WAC 246-915-182 Unprofessional conduct—Sexual misconduct. (1) A physical therapist or a physical therapist assistant shall not engage, or attempt to engage, in sexual misconduct with a current patient, client, or key party, as defined in WAC 246-16-020, inside or outside the health care setting. Sexual misconduct shall constitute grounds for disciplinary action. Sexual misconduct includes, but is not limited to:

- (a) Sexual intercourse;
- (b) Touching the breasts, genitals, anus or any sexualized body part except as consistent with accepted community standards of practice for examination, diagnosis and treatment and within the health care practitioner's scope of practice;
- (c) Rubbing against a patient or client or key party for sexual gratification;
- (d) Kissing;
- (e) Hugging, touching, fondling or caressing of a romantic or sexual nature;
- (f) Examination of or touching genitals without using gloves;
- (g) Not allowing a patient or client privacy to dress or undress except as may be necessary in emergencies or custodial situations;
- (h) Not providing the patient or client a gown or draping except as may be necessary in emergencies;
- (i) Dressing or undressing in the presence of the patient, client or key party;
- (j) Removing patient or client's clothing or gown or draping without consent, emergent medical necessity, or being in a custodial setting;
- (k) Encouraging masturbation or other sex act in the presence of the health care provider;
- (l) Masturbation or other sex act by the physical therapist or physical therapist assistant in the presence of the patient, client or key party;
- (m) Suggesting or discussing the possibility of a dating, sexual, or romantic relationship after the professional relationship ends;
- (n) Terminating a professional relationship for the purpose of dating or pursuing a romantic or sexual relationship;
- (o) Soliciting a date with a patient, client, or key party;
- (p) Discussing the sexual history, preferences or fantasies of the physical therapist or physical therapist assistant;
- (q) Any behavior, gestures, or expressions that may reasonably be interpreted as seductive or sexual;
- (r) Making statements regarding the patient, client, or key party's body, appearance, sexual history, or sexual orientation other than for legitimate health care purposes;

(s) Sexually demeaning behavior including any verbal or physical contact which may reasonably be interpreted as demeaning, humiliating, embarrassing, threatening or harming a patient, client, or key party;

(t) Photographing or filming the body or any body part or pose of a patient, client, or key party, other than for legitimate health care purposes; and

(u) Showing a patient, client, or key party sexually explicit photographs, other than for legitimate health care purposes.

(2) Sexual misconduct also includes sexual contact with any person involving force, intimidation, or lack of consent, or a conviction of a sex offense as defined in RCW 9.94A.030.

(3) A physical therapist or physical therapist assistant shall not:

(a) Offer to provide health care services in exchange for sexual favors;

(b) Use health care information to contact the patient, client, or key party for the purpose of engaging in sexual misconduct;

(c) Use health care information or access to health care information to meet or attempt to meet the physical therapist's or physical therapist assistant's sexual needs.

(4) A physical therapist or physical therapist assistant shall not engage, or attempt to engage, in the activities listed in subsection (1) of this section with a former patient, client or key party within two years after the provider-patient/client relationship ends.

(5) After the two-year period of time described in subsection (4) of this section, a physical therapist or physical therapist assistant shall not engage, or attempt to engage, in the activities listed in subsection (1) of this section if:

(a) There is a significant likelihood that the patient, client or key party will seek or require additional services from the physical therapist or physical therapist assistant; or

(b) There is an imbalance of power, influence, opportunity, or special knowledge of the professional relationship.

(6) When evaluating whether a physical therapist or physical therapist assistant is prohibited from engaging, or attempting to engage, in sexual misconduct, the board will consider factors including, but not limited to:

(a) Documentation of a formal termination and the circumstances of termination of the provider-patient relationship;

(b) Transfer of care to another health care provider;

(c) Duration of the provider-patient relationship;

(d) Amount of time that has passed since the last health care services to the patient;

(e) Communication between the physical therapist or physical therapist assistant and the patient or client between the last health care services rendered and commencement of the personal relationship;

(f) Extent to which the patient's personal or private information was shared with the physical therapist or physical therapist assistant;

(g) Nature of the patient's or client's health condition during and since the professional relationship;

(h) The patient's or client's emotional dependence and vulnerability; and

(i) Normal revisit cycle for the profession and service.

(7) Patient, client, or key party initiation or consent does not excuse or negate the physical therapist's or physical therapist assistant's responsibility.

(8) These rules do not prohibit:

(a) Providing health care services in case of emergency where the services cannot or will not be provided by another health care provider;

(b) Contact that is necessary for a legitimate health care purpose and that meets the standard of care appropriate to that profession; or

(c) Providing health care services for a legitimate health care purpose to a person who is in a preexisting, established personal relationship with the physical therapist or physical therapist assistant where there is no evidence of, or potential for, exploiting the patient or client.

WAC 246-915-185 Standards for appropriateness of physical therapy care. (1) Appropriate, skilled physical therapy treatment is treatment which is reasonable in terms of accepted physical therapy practice, and necessary to recovery of function by the patient. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed.

(2) Appropriate physical therapy services must be of such a level of complexity and sophistication, or the condition of the patient must be such, that the services required can be safely and effectively performed only by a physical therapist or physical therapist assistant under supervision of a physical therapist.

WAC 246-915-187 Use of telehealth in the practice of physical therapy. (1) Licensed physical therapists and physical therapist assistants may provide physical therapy via telehealth following all requirements for standard of care, including those defined in chapter 18.74 RCW and this chapter.

(2) The physical therapist or physical therapist assistant shall identify in the clinical record that the physical therapy occurred via telehealth.

(3) For the purposes of this section:

(a) "Telehealth" means providing physical therapy via electronic communication where the physical therapist or physical therapist assistant and the patient are not at the same physical location.

(b) "Electronic communication" means the use of interactive, secure multimedia equipment that includes, at a minimum, audio and video equipment permitting two-way, real time interactive communication between the physical therapist or the physical therapist assistant and the patient.

WAC 246-915-300 Philosophy governing voluntary substance abuse monitoring programs. The board recognizes the need to establish a means of proactively providing early recognition and treatment options for physical therapists and physical therapist assistants whose competency may be impaired due to the abuse of drugs or alcohol. The board intends that such physical therapists and physical therapist assistants be treated and their treatment monitored so that they can return to or continue to practice their profession in a way which safeguards the public. To accomplish this the board shall approve voluntary substance abuse monitoring programs. The Washington recovery and monitoring program (WRAMP) is the board's approved substance abuse monitoring program under RCW 18.130.175. The board may refer physical therapists and physical therapist assistants impaired by substance abuse to WRAMP as an alternative to instituting, or in connection with, disciplinary proceedings as defined in RCW 18.130.160.

WAC 246-915-310 Terms used in WAC 246-915-300 through 246-915-330. (1) "Monitoring contract" is a comprehensive, structured agreement between the recovering physical therapist or physical therapist assistant and WRAMP defining the requirements of the physical therapist or physical therapist assistant program participation.

(2) "Approved treatment facility" is a facility certified by the division of behavioral health and recovery (DBHR), department of social and health services, according to chapters 388-877 through 388-877B WAC that meets the defined standards. Drug and alcohol treatment facilities located out-of-state must have substantially equivalent standards.

(3) "Substance abuse" or "substance use disorder" means a chronic progressive illness that involves the use of alcohol or other drugs to a degree that it interferes with the functional life of the PT or PTA, as manifested by health, family, job (professional services), legal, financial, or emotional problems.

(4) "Aftercare" means a period of time after intensive treatment that provides the physical therapist or physical therapist assistant and the physical therapist's or physical therapist assistant's family with group or individual counseling sessions, discussions with other families, ongoing contact and participation in self-help groups and ongoing continued support of treatment program staff.

(5) "Support group" is a group of health care professionals meeting regularly to support the recovery of its members. The group provides a confidential setting with a trained and experienced health care professional facilitator in which physical therapists or physical therapist assistants may safely discuss drug diversion, licensure issues, return to work and other professional issues related to recovery.

(6) "Recovery-oriented group" means a group such as alcoholics anonymous, narcotics anonymous, and related organizations based on a philosophy of anonymity, belief in a power outside of oneself, a peer group association, and self-help.

(7) "Random drug screens" are laboratory tests to detect the presence of drugs of abuse in body fluids and other biologic specimens, which are performed at irregular intervals not known in advance by the person being tested.

(8) "Health care professional" is an individual who is licensed, certified or registered in Washington to engage in the delivery of health care to patients.

(9) "WRAMP" is the approved substance abuse monitoring program as described in RCW 18.130.175 that meets criteria established by the board. WRAMP does not provide evaluation or treatment services.

WAC 246-915-320 Approval of substance abuse monitoring programs. (1) WRAMP is the board approved monitoring program. WRAMP will employ staff with the qualifications and knowledge of both substance abuse and the

practice of physical therapy as defined in this chapter to be able to evaluate:

- (a) Clinical laboratories;
- (b) Laboratory results;
- (c) Providers of substance abuse treatment, both individuals and facilities;
- (d) Support groups;
- (e) The physical therapy work environment; and
- (f) The ability of the physical therapist or physical therapist assistant to practice with reasonable skill and safety.

(2) WRAMP will enter into a monitoring contract with the physical therapist or physical therapist assistant and the board to oversee the physical therapist's or physical therapist assistant's required recovery activities.

(3) WRAMP may make exceptions to individual components of the contract that may be made on an individual basis as needed.

(4) WRAMP will determine, on an individual basis, whether a physical therapist or physical therapist assistant will be prohibited from engaging in the practice of physical therapy for a period of time and restrictions, if any, on the physical therapist's or physical therapist assistant's access to controlled substances in the work place.

(5) WRAMP will maintain records on participants.

(6) WRAMP will be responsible for providing feedback to the physical therapist or physical therapist assistant as to whether treatment progress is acceptable.

(7) WRAMP will report to the board any physical therapist or physical therapist assistant who fails to comply with the requirement of the monitoring program.

(8) The board approves WRAMP's procedures on treatment, monitoring, and limitations on the practice of physical therapy for those participating in the program.

WAC 246-915-330 Participation in approved substance abuse monitoring program. (1) Any physical therapist or physical therapist assistant participating in the substance abuse monitoring program shall:

(a) Undergo a complete psychosocial evaluation before entering the approved monitoring program. This evaluation will be performed by health care professional(s) with expertise in substance use disorder. The person(s) performing the evaluation shall not also be the provider of the recommended treatment.

(b) Enter into a contract with WRAMP which shall include, but not be limited to, the following terms, which require the physical therapist or physical therapist assistant to:

(i) Undergo the recommended level of treatment in an approved treatment facility, including aftercare.

(ii) Abstain from all mind-altering substances including alcohol and cannabis except for medications prescribed by an authorized prescriber, as defined in RCW 69.41.030 and 69.50.101.

(iii) Complete any prescribed aftercare program of the intensive treatment facility, which may include individual or group psychotherapy.

(iv) Cause the treatment counselor(s) to provide reports to the approved monitoring program at specified intervals. Reports must include treatment, prognosis and goals.

(v) Complete random or for cause drug screening as specified by WRAMP.

(vi) Attend support groups facilitated by a health care professional or recovery-oriented group meetings as specified by the monitoring contract.

(vii) Comply with specified employment conditions and restrictions as defined by the monitoring contract.

(viii) Agree in writing to allow WRAMP to release information to the board if the physical therapist or physical therapist assistant does not comply with the requirements of the monitoring contract or is unable to practice with reasonable skill and safety.

(ix) Pay the costs of the substance use disorder evaluation, substance abuse treatment, and random drug screens.

(x) Sign any requested release of information authorizations.

(2) When referred to WRAMP in lieu of discipline, the physical therapist or physical therapist assistant shall enter into a referral contract with the board. The board may take disciplinary action against the license of the physical therapist or physical therapist assistant under RCW 18.130.160 based on the violation by the physical therapist or physical therapist assistant of the referral contract.

(3) A physical therapist or physical therapist assistant may voluntarily participate in WRAMP in accordance with RCW 18.130.175(2) without first being referred to WRAMP by the board.

WAC 246-915-350 Inactive credential. (1) A physical therapist or physical therapist assistant may obtain an inactive credential as described in chapter 246-12 WAC, Part 4.

(2) A physical therapist or physical therapist assistant with an inactive credential for three years or less who wishes to return to active status shall meet the requirements of chapter 246-12 WAC, Part 4.

(3) A physical therapist or physical therapist assistant with an inactive credential for more than three years, who have been in active practice in another United States jurisdiction, and wishes to return to active status shall:

(a) Submit verification of active practice from any other United States jurisdiction; and

(b) Meet the requirements of chapter 246-12 WAC, Part 4.

(10/19/18)

(4) A physical therapist or physical therapist assistant with an inactive credential for more than three years, but less than five years, who has not been in active practice in another United States jurisdiction, and wishes to return to active status shall:

(a) Successfully pass the NPTE as provided in RCW 18.74.035. The board may waive reexamination if the physical therapist or physical therapist assistant presents evidence of continuing competency satisfactory to the board; and

(b) Shall meet the requirements of chapter 246-12 WAC, Part 4.

(5) A physical therapist or physical therapist assistant with an inactive credential for five years or longer, who has not been in active practice in another United States jurisdiction, and wishes to return to active status shall:

(a) Meet the requirements of chapter 246-12 WAC, Part 4; and

(b) Successfully retake and pass the NPTE as provided in RCW 18.74.035.

WAC 246-915-380 Spinal manipulation—Endorsement. (Effective July 1, 2015, until June 30, 2020.) (1) A physical therapist may perform spinal manipulation only after being issued a spinal manipulation endorsement by the secretary. The secretary, upon approval by the board, shall issue an endorsement to a physical therapist who has at least one year of full-time, orthopedic, postgraduate practice experience that consists of direct patient care, averaging at least thirty-six hours a week, and who provides evidence in a manner acceptable to the board of all of the following additional requirements:

(a) Training in differential diagnosis of no less than one hundred hours outlined within a course curriculum;

(b) Didactic and practical training related to the delivery of spinal manipulative procedures of no less than two hundred fifty hours clearly delineated and outlined in a course curriculum;

(c) Specific training in spinal diagnostic imaging of no less than one hundred fifty hours outlined in a course curriculum; and

(d) At least three hundred hours of supervised clinical practical experience in spinal manipulative procedures. The supervised clinical practical experience must:

(i) Be supervised by a clinical supervisor who:

(A) Holds a spinal manipulation endorsement under this section;

(B) Is a licensed chiropractor or osteopathic physician and surgeon; or

(C) Holds an endorsement or advanced certification the training requirements for which are commensurate with the training requirements as specified in WAC 246-915-382;

(ii) Be under the close supervision of the clinical supervisor for a minimum of the first one hundred fifty hours of the supervised clinical practical experience, after which the supervised clinical practical experience must be under the direct supervision of the clinical supervisor;

(iii) Be completed within eighteen months of completing the educational requirements in (a) through (c) of this subsection, unless the physical therapist has completed the educational requirements in (a) through (c) of this subsection prior to July 1, 2015, in which case the supervised clinical practical experience must be completed by January 1, 2017.

(2) A physical therapist holding a spinal manipulation endorsement under subsection (1) of this section shall consult with a health care practitioner, other than a physical therapist, authorized to perform spinal manipulation if spinal manipulative procedures are required beyond six treatments.

(3) A physical therapist holding a spinal manipulation endorsement under subsection (1) of this section may not:

(a) Have a practice in which spinal manipulation constitutes the majority of the services provided;

(b) Practice or utilize chiropractic manipulative therapy in any form;

(c) Delegate spinal manipulation; or

(d) Bill a health carrier for spinal manipulation separately from, or in addition to, other physical therapy procedures.

(4) A physical therapist holding a spinal manipulation endorsement under this section shall complete continuing education directly related to spinal manipulation as specified in WAC 246-915-085.

(5) If a physical therapist is intending to perform spinal manipulation on a patient who the physical therapist knows is being treated by a chiropractor for the same diagnosis, the physical therapist shall make reasonable efforts to coordinate patient care with the chiropractor to prevent conflict or duplication of services.
