**WAC 287-02-023 Description of the Washington state investment board.** The Washington state investment board, created in chapter 3, Laws of 1981, and codified in chapter 43.33A RCW, is an independent board of trustees whose fiduciary responsibility is to manage retirement and public fund investments with the highest standard of professional conduct. The board's primary investment objective is to maximize returns at a prudent level of risk for the exclusive benefit of fund participants and beneficiaries.

Individual board members are appointed by the chair to serve on any of the board's four different committees which act as extensions of the board. The committees' function is to efficiently analyze investment and governance issues with greater scrutiny than would be practicable for the full board. Committee recommendations are brought to the board for consideration and a vote. The four committees are:

**Administrative committee**

The administrative committee oversees organizational, personnel, budget, legal, and legislative issues, as well as strategic asset allocation.

**Audit committee**

The audit committee assists the board in financial oversight of the WSIB including risk management, compliance monitoring, internal and external audits, corporate governance and proxy voting.

**Private markets committee**

The private markets committee develops policy and structure for private market and real estate opportunities and reviews those investments for recommendations to the board.

**Public markets committee**

The public markets committee develops policy and structure for public market investments (fixed income, domestic equity, international equity) and reviews individual equity managers to recommend to the board.

**WAC 287-02-025 Organizations, operations and procedures.** The state investment board is charged with the duty to invest certain trust and public funds, as set forth in RCW 43.84.150, and chapter 43.33A RCW. The board meets at least quarterly, at times and locations determined by the board, in order to perform its duties. All such meetings comply with the Open Public Meetings Act.

**Operative structure**

The WSIB is a small agency with staff working in three divisions - Investments, operations, and institutional relations. The WSIB's executive director is appointed by the board to oversee the staff, develop and recommend agency and investment policies for board adoption, and ensure adherence to state policies and laws.

The WSIB framework is similar to most investment management organizations, with a board and executive management providing firm-wide leadership with major operating units for investment management, operations, human

resources, risk control, legal and compliance, financial management and administration, and public affairs.

Investment professionals comprise the investment division which manages investments in major asset classes including public equity, private equity, real estate, tangible assets, fixed income and risk management and asset allocation. Each asset class is led by one or more senior investment officers who supervise their asset class' investment staff and serve as the WSIB's primary portfolio risk analysts and develop asset allocation strategies. The division employs both internal and external investment management strategies.

The operations division provides a number of services in support of the investment function, including trade settlement, cash management, private market funding, cash and stock distributions, foreign and domestic tax matters, and investment compliance monitoring. It provides agency-wide risk management, information systems management, and administrative services.

The institutional relations division oversees essential areas of strategic communications and related duties typically found in a client services division of an investment management entity. These duties include performance reporting, annual report preparation, proxy voting, corporate governance and managing interactions and relationships with external entities to ensure transparency and dissemination of accurate and timely information.

The administrative office of the investment board and its staff are located at 2100 Evergreen Park Drive S.W., Olympia, Washington 98502.

[Statutory Authority: RCW 42.56.040, WSR 16-24-047, amended and recodified as § 287-02-035, filed 12/1/16, effective 1/1/17. Statutory Authority: RCW 34.04.020(2), 42.17.250 and 42.17.260. WSR 81-23-012 (Order 81-1), § 287-02-050, filed 11/10/81.]

**WAC 287-02-045 Processing of public records requests—Request.** (1) Any person wishing to inspect or copy public records of WSIB may submit the request in writing using the WSIB's request form, or by letter, or email addressed to RequestPublicRecords@sib.wa.gov. The request should include the following information:

- Name of requestor;
- Address of requestor;
- Other contact information, including telephone number and any email address;
- Identification of the public records adequate for the public records manager to locate the records; and
- The date of the request.

(2) A request for all, or substantially all, of the WSIB's records is not a valid request for identifiable records.

(3) If the requestor wishes to have copies of the records made instead of inspecting them, he or she should so indicate. Costs will be assessed in compliance with WAC 287-02-075.

(4) A request form is available for use by requestors at the administrative office of the WSIB and online at <http://www.sib.wa.gov>.

(5) Requests may also be submitted to the receptionist at the WSIB by telephone or in person; however, the requesting party may be asked to reduce the request to writing for the sake of clarity. Alternatively, the public records officer may confirm receipt of the request and restate the substance of the request in writing.

(6) The WSIB may deny a bot request, or a request that is one of multiple requests made by the same requestor within a twenty-four-hour period, if responding to the multiple requests would cause excessive interference with essential WSIB functions and the WSIB reasonably believes the request to be automatically generated by a computer program or script.

[Statutory Authority: RCW 42.56.040, 42.56.070, 42.56.100, 42.56.120, and 2017, c 304. WSR 18-18-013, § 287-02-045, filed 8/24/18, effective 9/24/18. Statutory Authority: RCW 42.56.040, WSR 16-24-047, § 287-02-045, filed 12/1/16, effective 1/1/17.]

**WAC 287-02-047 Processing of public records requests—Response.** (1) Within five business days of receipt of the request, the public records manager will do one or more of the following:

- (a) Produce the requested records;
- (b) Provide the requestor with a link to the requested documents located on the internet;
- (c) Provide a reasonable estimate of when records will be available;
- (d) Seek clarification of the request and provide a reasonable estimate (where possible) of when records will be provided if no clarification is received; or
- (e) Deny the request.

(8/24/18)

(2) If records responsive to the request contain information implicating a third party's privacy or financial interest and any exemption from disclosure of that information arguably applies, the public records officer may give notice to those parties before releasing the records. Such notice provides those third parties an opportunity to seek a court order pursuant to RCW 42.56.540. The WSIB will inform the record requestor that it is providing third-party notice.

(3) If records responsive to the request are exempt from disclosure, in whole or in part, the public records officer will identify the record, state the specific exemption, and provide a brief explanation of why the record or a portion of the record is being withheld. If only a portion of a record is exempt from disclosure, the public records officer will produce the nonexempt portions.

(4) If a requestor withdraws the request, fails to inspect the records, fails to pay the deposit if required under WAC 287-02-065 and 287-02-075, or make final payment for the requested records, the public records officer will close the request.

(5) The WSIB is not required to create new documents in order to respond to a request for public records or to provide records that are not the WSIB's own public records.

[Statutory Authority: RCW 42.56.040, 42.56.070, 42.56.100, 42.56.120, and 2017, c 304. WSR 18-18-013, § 287-02-047, filed 8/24/18, effective 9/24/18. Statutory Authority: RCW 42.56.040, WSR 16-24-047, § 287-02-047, filed 12/1/16, effective 1/1/17.]

**WAC 287-02-055 Inspection of public records.** (1) Consistent with other demands, WSIB will provide space to inspect public records. No requestor may remove a document from the viewing area or disassemble, reorder, deface, photograph, or in any way alter any records or collection of records. The requestor may also be supervised by a WSIB employee during the requestor's inspection of the records.

(2) After inspection is complete, the requestor will identify which documents, if any, he or she wishes the agency to produce. Consistent with other demands and the volume of documents requested, WSIB may copy the document at that time or provide the copies to the requestor at a later date.

(3) Within thirty days of the WSIB's notification that the records are available for inspection or copying, the requestor must claim or review the assembled records. If the requestor or a representative of the requestor fails to claim or review the records within the thirty-day period or make other arrangements, the WSIB may close the request. If the requestor makes a request for the same records, it will be processed as a new request.

(4) When the inspection of the requested records is complete and all requested copies are provided, the public records officer will indicate that WSIB has completed its search for the requested records and made any nonexempt records available for inspection.

(5) Many records are available on the WSIB web site at [www.sib.wa.gov](http://www.sib.wa.gov), and requestors are encouraged to review the documents available on the web site prior to submitting a records request.

(6) Records will be made available to the requestor subject to the following restrictions:

- (a) The records may not be removed from the area designated;

(b) The quantity of records may be limited in accordance with the requested use;

(c) All possible care must be taken by the requestor to prevent damage to the records;

(d) Records may not be marked, altered, cut, mutilated, or defaced in any way including writing on, folding or folding anew if in folded form, tracing or fastening with clips or other fasteners except those that may already exist in the file;

(e) Use of liquids and fountain pens and eating, drinking, and smoking while utilizing the records is prohibited;

(f) Records must be kept in the order in which received;

(g) All copying of records will be done by WSIB personnel; and

(h) Records will be returned to the public records officer by the requestor at the conclusion of the time given to inspect records and no later than the end of the customary office hours as set forth in WAC 287-02-035.

(7) When a requestor requests records in an electronic format, the public records officer will provide available non-exempt electronic public records or portions of such records that are reasonably locatable in an electronic format that is used by the agency and is generally commercially available, or in a format that is reasonably translatable from the format in which the agency keeps the record, or as otherwise agreed to between the requestor and the public records officer.

(8) Whenever possible, WSIB will provide records in electronic format. If the WSIB has only a paper copy of the record, the WSIB, when feasible, may scan the paper record and provide the resulting electronic copy to the requestor. If the WSIB maintains the record in electronic format, the record will be provided in the maintained electronic format unless the requestor specifically asks to receive the record in paper copies or it is otherwise not feasible to provide the record in electronic format.

(2) Requestors will be notified when an installment is ready. If a requestor fails to inspect or collect an installment within thirty days, the public records officer may close the request.

(3) Where payment is required as part of a public records request under WAC 287-02-075, the public records officer may require payment for each installment either prior to providing the installment or prior to providing subsequent installments and may require a deposit up to ten percent of the estimated cost of preparing or producing an installment. If the requestor fails to pay the required cost in a timely manner the public records officer may close the request.

(1) There is no fee for inspecting public records. WSIB may impose a charge for providing public records.

(2) The WSIB does not calculate the actual costs for copying its records, because doing so would be unduly burdensome and it is in the public's best interest for the WSIB to adopt the fees in RCW 42.56.120 (2)(b). The WSIB fee schedule is:
