WAC 388-101D-0060 Policies and procedures. (1) The service provider must develop, implement, and train staff on policies and procedures to address what staff must do:

- (a) Related to client rights, including a client's right to file a complaint or suggestion without interference;
- (b) Related to soliciting client input and feedback on instruction and support received;

(c) Related to reporting suspected abuse, neglect, financial exploitation, or abandonment;

(d) To protect clients when there have been allegations of abuse, neglect, financial exploitation, or abandonment;

(e) In emergent situations that may pose a danger or risk to the client or others, such as in the event of death or serious injury to a client;

(f) In responding to missing persons and client emergencies;

(g) Related to emergency response plans for natural or other disasters;

(h) When accessing medical, mental health, and law enforcement resources for clients;

(i) Related to notifying a client's legal representative, and/or relatives in case of emergency;

(j) When receiving and responding to client grievances; and

(k) To respond appropriately to aggressive and assaultive clients.

(2) The service provider must develop, implement, and train staff on policies and procedures in all aspects of the medication support they provide, including but not limited to:

(a) Supervision;

(b) Client refusal;

(c) Services related to medications and treatments provided under the delegation of a registered nurse consistent with chapter 246-840 WAC;

(d) The monitoring of a client who self-administers their own medications;

(e) Medication assistance for clients needing this support; and

(f) What the service provider will do in the event they become aware that a client is no longer safe to take their own medications.

(3) The service provider must maintain current written policies and procedures and make them available to all staff; and to clients and legal representatives upon request.

WAC 388-101D-0065 Background check—General.

(1) The department is authorized to conduct background checks under the background check requirements of this chapter and of chapter 388-113 WAC. Background checks include but are not limited to an inquiry into any of the following:

(a) Department and department of health findings;

(b) Administrative actions taken by the department or by other agencies;

(c) Washington state criminal background check information from the Washington state patrol;

(d) National fingerprint-based background check information from the Federal Bureau of Investigation, when required; and

(e) Information from Washington state courts.

(2) Nothing in this chapter should be interpreted as requiring the employment of a person against the better judgment of the service provider. In addition to chapter 71A.12 RCW, these rules are authorized by RCW 43.20A.710, RCW 43.43.830 through 43.43.842 and RCW 74.39A.056.

WAC 388-101D-0070 Background checks—National fingerprint background checks. (1) Administrators and all caregivers who are hired on or after January 1, 2016, and are not disqualified by the Washington state name and date of birth background check, must complete a national fingerprint background check and follow department procedures.

(2) After receiving the results of the national fingerprint background check the service provider must not employ, directly or by contract, an administrator, employee, volunteer, student or subcontractor who has a disqualifying criminal conviction or pending charge for a disqualifying crime under chapter 388-113, or that is a disqualifying negative action under WAC 388-78A-2470 or WAC 388-76-10180.

(3) The service provider may accept a copy of the national fingerprint background check results letter and any additional information from the department's background check central unit from an individual who previously completed a national fingerprint check through the department's background check central unit, provided the national fingerprint background check was completed after January 7, 2012.

[WSR 17-03-062, recodified as § 388-101D-0070, filed 1/10/17, effective 2/1/17. Statutory Authority: Chapters 71A.12, 74.34, and 74.39A RCW. WSR 16-18-040, § 388-101-3202, filed 8/30/16, effective 9/30/16.]

WAC 388-101D-0075 Background checks—Requirements for service providers. (1) Service providers must follow the background check requirements described in chapter 388-113 WAC and in this chapter. In the event of an inconsistency, this chapter applies.

(2) The service provider must obtain background checks from the department for all administrators, employees, volunteers, students, and subcontractors who may have unsupervised access to clients.

(3) The service provider must not allow the following persons to have unsupervised access to clients until the service provider receives the department's background check results:

- (a) Administrators;
- (b) Employees;
- (c) Volunteers or students; and
- (d) Subcontractors.

(4) If the department's background check results show that an administrator, employee, volunteer, student, or subcontractor has any of the following, then the service provider must prevent that person from having unsupervised access to clients:

(a) A disqualifying conviction or pending criminal charge under chapter 388-113 WAC; or

(b) A disqualifying negative action under WAC 388-101-3090.

(5) If the background check results show any of the following, then the service provider must conduct a character, suitability, and competence review before allowing the person unsupervised access to clients:

(a) The person has a conviction or pending criminal charge, but the conviction or criminal charge is not disqualifying under WAC 388-113-0020;

(b) The person has a conviction or pending criminal charge that meets one of the exceptions listed in WAC 388-113-0040; or

(c) Any of the circumstances described in WAC 388-101-3080 apply to the individual.

(6) When a service provider receives the results of a person's background check, the service provider must:

(a) Inform the person of the results of the background check;

(b) Inform the person that they may request a copy in writing of the results of the background check. If requested, a copy of the background check results must be provided within ten working days of the request; and

(c) Notify the department and other appropriate licensing or certification agency of any person resigning or terminated as a result of having a conviction record.

(7) The service provider must renew the Washington state background check for each administrator, employee, volunteer, student, or subcontractor of a service provider. The service provider must at least every thirty-six months keep current background check results for each administrator, employee, volunteer, student, or subcontractor of a service provider.

(8) Licensed assisted living facilities or adult family homes must adhere to the current regulations in this chapter and in the applicable licensing laws.

(9) All applicants for certification must have a background check.

WAC 388-101D-0240 Individual financial plan. (1) The service provider must develop and implement an individual financial plan with client participation when the client's individual support plan:

- (a) Identifies that the client needs support to manage funds; and
 - (b) Designates the service provider as responsible for that support; or
 - (c) Indicates the service provider manages any portion of the client's funds.
- (2) The service provider must obtain signatures from the client and the client's legal representative on the individual financial plan.

(3) The service provider must include the following in the client's individual financial plan:

- (a) Client funds and income managed by the service provider;
- (b) Client funds and income managed by the client and the client's legal representative;
- (c) The type of accounts containing client funds;
- (d) A description of how the client's funds will be spent during a typical month;
- (e) Money management instruction or support provided to the client; and
- (f) If applicable, asset management including such things as personal property, burial plan, retirement funds, stock, and vehicles.

(4) The service provider must review the individual financial plan with the client at least every twelve months.

(5) The service provider must send a copy of each client's individual financial plan to:

- (a) The client's legal representative; and
- (b) The client's case manager upon request.

WAC 388-101D-0245 Managing client funds. (1)

Before managing a client's funds the service provider must either:

(a) Obtain written consent from the client or the client's legal representative; or

(b) Become the representative payee.

(2) For any client funds managed by the service provider, the service provider must:

(a) Separately track each client's money, even when several clients reside together;

(b) Maintain a current running balance of each client account;

(c) Make deposits to the client's bank account within one week of receiving the client's money;

(d) Prevent the client's bank account from being overdrawn;

(e) Ensure that client cash funds do not exceed seventy-five dollars per client unless specified differently in the individual financial plan; and

(f) Retain receipts for each purchase over twenty-five dollars.

(3) Social Security Administration requirements for managing the client's Social Security income take precedence over these rules if:

(a) The service provider is the client's representative payee; and

(b) The Social Security Administration requirement conflicts with these rules.

(4) When the service provider manages the client's funds and receives a check made out to the client, the service provider must:

(a) Get the client's signature and designation "for deposit only"; or

(b) Get the client's "x" mark in the presence of a witness and cosign the check with the designation "for deposit only"; and

(c) Deposit the check in the client's bank account as required under subsection (2)(c) of this section.

(5) If a check for the client is made out to a payee other than the client, the service provider must ask the payee to sign the check.

(6) The service provider must not ask the client to sign a blank check.

(7) The service provider may only assist the client to make purchases by check when the client signs the check at the time of the purchase unless:

(a) Otherwise specified in the client's individual financial plan; or

(b) The service provider is the client's representative payee.

(8) The service provider must document in the client's record the name of each staff that may assist the client with financial transactions.

WAC 388-101D-0255 Reconciling and verifying client accounts. (1) For any client funds managed by the service provider, the service provider must:

(a) Reconcile the client's bank accounts to the client's bank statements each month;

(b) Reconcile the client's cash account each month; and

(c) Verify the accuracy of the reconciliation.

(2) The service provider must not allow the same staff person to do both the verification and reconciliation of the client's account.

(3) The service provider must ensure that the verification or reconciliation is done by a staff person who did not:

(a) Make financial transactions on the client's behalf; or

(b) Assist the client with financial transactions.

WAC 388-101D-0270 Client financial records. (1) For client funds that the service provider manages, the service provider must retain documentation including documentation for bank and cash accounts.

(2) The service provider must also keep the following documentation for client financial transactions:

(a) Monthly bank statements and reconciliations;

(b) Checkbook registers and bankbooks;

(c) Deposit receipts;

- (d) Receipts for purchases over twenty-five dollars;
 - (e) A ledger showing deposits, withdrawals, and interest payments to each client; and
 - (f) A control journal for trust accounts.
- (3) The service provider must keep the following documentation for cash and debit transactions:
- (a) A detailed ledger signed by the staff who withdrew any of the client's money;
 - (b) A detailed accounting of the funds received on behalf of the client including:
 - (i) Cash received from writing checks over the purchase amount; and
 - (ii) A list of where the money was spent.
 - (c) Receipts for purchases over twenty-five dollars when service provider staff withdrew the money.

WAC 388-101D-0275 Transferring client funds. (1)

When the service provider manages a client's funds and the client changes service providers, the previous service provider must transfer all of the client's funds, except funds necessary to pay unpaid bills, to the client or designee as soon as possible but no longer than thirty days.

- (2) When transferring funds, the previous provider must:
 - (a) Have an agreement with the client regarding the amount of money to be withheld to pay bills;
 - (b) Inform the client's case manager about any agreement in subsection (2)(a) of this section;
 - (c) Give the client and the client's legal representative a written accounting of all known client funds;
 - (d) When applicable, give the new service provider a written accounting of all transferred client funds;
 - (e) Obtain a written receipt from the client and legal representative for all transferred funds; and
 - (f) When applicable, obtain the new service provider's written receipt for the transferred funds.
- (3) When the client moves to another living arrangement without supported living services or the client's whereabouts are unknown, the service provider must transfer the client's funds within one hundred eighty days to:
 - (a) The client's legal representative;
 - (b) The department; or
 - (c) The requesting governmental entity.
- (4) When the client dies, the service provider must transfer the client's funds within ninety days to:
 - (a) The client's legal representative;
 - (b) The requesting governmental entity; or
 - (c) The department if the client does not have a legal heir.
- (5) Social Security Administration requirements for managing the client's Social Security income take precedence over these rules for transferring client funds if:
 - (a) The service provider is the client's representative payee; and
 - (b) The Social Security Administration requirement conflicts with these rules.

WAC 388-101D-0355 Psychoactive medication treatment plan. (1) If the assessing treatment professional recommends psychoactive medications, the prescribing professional or service provider must document this in the client's psychoactive medication treatment plan. The service provider must ensure the plan includes the following:

(a) A description of the behaviors, symptoms or conditions for which the medication is prescribed and a mental health diagnosis, if available;

(b) The name, dosage, and frequency of the medication and subsequent changes in dosage must be documented in the person's medical record;

(c) The length of time considered sufficient to determine if the medication is effective;

(d) The behavioral criteria to determine whether the medication is effective and what changes in behavior, mood, thought, or functioning are considered evidence that the medication is effective; and

(e) The anticipated schedule of visits with the prescribing professional.

(2) The service provider must make sure the treatment plan is updated when there is a change in psychoactive medication type, including intraclass changes.

(3) The service provider must:

(a) Review the name, purpose, potential side effects and any known potential drug interactions of the psychoactive medication(s) with the client and his/her legal representative and document the review in the client record; and

(b) Have available to staff and clients an information sheet for each psychoactive medication that is being used by each client served by the provider.

(4) The service provider must assist the client in obtaining and taking the medication when:

(a) The client's legal representative if any, is unavailable; and

(b) In the prescribing professional's opinion, medication is needed and no significant risks are associated with the use of the medication.

(5) If a client takes psychoactive medications to reduce challenging behaviors or to treat symptoms of a mental illness that are interfering with the client's ability to have positive life experiences and form and maintain relationships, the service provider must develop and implement a positive behavior support plan.

WAC 388-101D-0405 Functional assessment. (1) The service provider must conduct and document a functional assessment before developing and implementing a client's positive behavior support plan.

(2) The service provider must start the functional assessment when the client begins to engage in challenging behaviors that interfere with the client's ability to have positive life experiences and form and maintain relationships.

(3) The service provider must ensure that a client's written functional assessment addresses:

(a) A description of the client and pertinent history;

(b) The client's overall quality of life;

(c) The behaviors that are considered challenging and/or are of concern;

(d) The factors or events which increase the likelihood of challenging behaviors;

(e) When and where the challenging behavior(s) occurs most frequently;

(f) The factors or events which increase the likelihood of appropriate behavior;

(g) An analysis and assessment of the possible functions or purpose the challenging behavior(s) serve for the client including what he or she obtains or avoids by engaging in the behavior(s); and

(11/20/18)

(h) A concluding summary of the functions or purpose that each challenging behavior serves for the client.

(4) The service provider must include the following sections in the format of each client's written functional assessment:

(a) Description and pertinent history;

(b) Definition of challenging behaviors;

(c) Data analysis/assessment procedures; and

(d) Summary statement(s).

WAC 388-101D-0410 Positive behavior support plan. (1) The service provider must develop, train to, and implement a written individualized positive behavior support plan for each client when:

(a) The client takes psychoactive medications to reduce challenging behavior or treat a mental illness currently interfering with the client's ability to have positive life experiences and form and maintain personal relationships; or

(b) Restrictive procedures, including physical restraints, identified in the residential services contract are planned or used.

(2) The service provider must:

(a) Base each client's positive behavior support plan on the functional assessment required in WAC 388-101-3850; and

(b) Complete and implement the client's positive behavior support plan within ninety days of identifying the client's symptoms and challenging behavior.

(3) The service provider must develop and implement a positive behavior support plan that is consistent with the client's cross system crisis plan, if any.

(4) The service provider must include the following sections in the format of each client's written positive behavior support plan:

(a) Prevention strategies;

(b) Teaching and training supports;

(c) Strategies for responding to challenging behaviors; and

(d) Data collection and monitoring methods.

(5) If data indicates that progress is not occurring after a reasonable time, but not longer than six months, the service provider must:

(a) Evaluate the positive behavior support plan and the data collected;

(b) Conduct a new functional assessment when necessary; and

(c) Develop and implement revisions as needed.

WAC 388-101D-0425 Restrictive procedures. (1) The

service provider may:

(a) Only use restrictive procedures for the purpose of protecting the client, others, or property; and

(b) Not use restrictive procedures for the purpose of changing behavior in situations where no need for protection is present.

(2) The service provider must have documentation on the proposed intervention strategy before implementing restrictive procedures including:

(a) A description of the behavior(s) that the restrictive procedures address;

(b) A functional assessment of the challenging behavior(s);

(c) The positive behavior support strategies that will be used;

(d) A description of the restrictive procedure that will be used including:

(i) When and how it will be used; and

(ii) Criteria for termination of the procedure; and

(e) A plan to document the use of the procedure and its effect.

(3) The service provider must terminate implementation of the restrictive procedures as soon as the need for protection is over.

WAC 388-101D-0430 Restrictive procedures approval. (1) The service provider must have documentation of the proposed intervention strategy that:

(a) Lists the risks of the challenging behavior(s);

(b) Lists the risks of the proposed restrictive procedure(s);

(c) Explains why less restrictive procedures are not recommended;

(d) Indicates nonrestrictive alternatives to the recommendation that have been tried but were unsuccessful; and

(e) Includes space for the client and/or the client's legal representative to write comments and opinions regarding the plan and the date of those comments.

[Ch. 388-101D WAC p. 16]

(2) The service provider must consult with the division of developmental disabilities if:

(a) The client and/or the client's legal representative disagree with parts of the proposed restrictive procedure; and

(b) An agreement cannot be reached.

(3) Before the service provider implements restrictive procedures they must be approved in writing by:

(a) The service provider's administrator; or

(b) Someone designated by the service provider to have approval authority; and

(c) Someone designated by the division of developmental disabilities, when required by the residential services contract.

WAC 388-101D-0440 Physical interventions. (1) The

service provider must use the least restrictive intervention needed to protect each client, others, and property.

(2) The service provider may only use physical interventions with a client when positive or less restrictive techniques have been tried and determined to be insufficient to:

(a) Protect the client;

(b) Protect others; or

(c) Prevent property damage.

(3) The service provider must:

(a) Terminate the intervention for the client as soon as the need for protection is over; and

(b) Only use restrictive physical interventions for the client as part of a positive behavior support plan except:

(i) In an emergency when a client's behavior presents an immediate risk to the health and safety of the client or others, or a threat to property; or

(ii) When an unknown, unpredicted response from a client jeopardizes the client's or others safety.
