

**WAC 110-145-1380 May a group care facility be issued more than one type of license?** (1) A group care facility may not be licensed by DLR for more than one type of license in the same building (A group care facility and a CPA for example), unless the department determines that care of one type of client does not interfere with the care of another type of client, and you have approval from the DLR administrator. We may require separation of resident populations between the programs. You must meet the requirements for both licenses.

(2) If you have multiple licenses from different agencies in the same location, you must obtain approval from DLR prior to providing services and accepting placements.
