

**WAC 132M-141-105 Statement of purpose.** Lower Columbia College reserves its facilities, buildings and grounds for those activities that are related to its broad educational mission. As such, individuals or organizations in college facilities, buildings and grounds when campus is closed may be asked to leave if not participating in an activity sanctioned by chapter 132M-139 or 132M-141 WAC. College hours may be found at [lowercolumbia.edu/contact](http://lowercolumbia.edu/contact). At other times, the college facilities may be made available to other individuals and organizations as stated in this chapter. The purpose of these regulations is to establish procedures and reasonable controls for the use of college facilities for noncollege groups and for college groups where applicable.

In keeping with this general purpose, and consistent with RCW 28B.50.140 (7) and (9), facilities should be available for a variety of uses which are of benefit to the general public if such general uses substantially relate to and do not interfere with the mission of the college. However, a state agency is under no obligation to make its public facilities available to the community for private purposes.

Primary consideration shall be given at all times to activities specifically related to the college's mission, and no arrangements shall be made that may interfere with, or operate to the detriment of, the college's own teaching or public service programs.

Reasonable conditions may be imposed to regulate the timeliness of requests, to determine the appropriateness of space assigned, time of use, and to ensure the proper maintenance of the facilities. Subject to the same limitations, college facilities shall be made available for assignment to individuals or groups within the college community. Such arrangements by either individuals or groups within the college community must be made through the designated facility rental coordinator.
