

**WAC 132S-300-315 Display of parking permit.** (1) All annual parking permits shall be properly displayed and viewable from the front windshield of the vehicle. Temporary, special, visitor, carpool, or shop permits shall be placed in a visible position on the dashboard of the automobile. Additionally, for a vehicle utilizing a carpool space, two or more carpool permits must be displayed on the dashboard in a manner that is visible to campus security officers (e.g., cannot be stacked or overlapping, etc.).

(2) Permits not displayed pursuant to the provisions of this section shall not be valid and the vehicle may be subject to parking violation.

[Statutory Authority: RCW 28B.50.140. WSR 16-12-039, § 132S-300-315, filed 5/25/16, effective 6/25/16.]
