- WAC 173-495-070 Permit requirements. (1) Each weather modification operation not specifically exempted by statute or these regulations requires a permit. A separate permit must be issued for each operation.
- (2) A license holder desiring to conduct a weather modification operation shall submit an application for a permit to ecology.
- (3) The permit applicant must hold a valid weather modification license from the state of Washington.
- (4) The applicant shall publish a notice of intention at least once a week for three consecutive weeks in a newspaper that has general circulation within the county in which the operation is to be conducted or affected.
- (5) The licensee shall file proof of publication of the notice of intention with ecology within fifteen days from the date of last publication of the notice.
 - (6) The notice of intention must contain at least the following:
 - (a) The name and address of the licensee;
- (b) The nature and object of the intended operation and the person or organization on whose behalf it is to be conducted;
- (c) The area in which and the appropriate time during which the operation will be conducted;
 - (d) The area intended to be affected by the operation; and
- (e) The materials and methods to be used in conducting the operation.
- (7) The applicant shall furnish proof of financial responsibility, as described in WAC 173-495-120 of this chapter.
- (8) The applicant shall pay a permit fee outlined in chapter 173-455 WAC.
- (9) Before issuing a permit, ecology shall state, in writing, that the weather modification and control activities proposed have been determined to be for the general welfare and public good.
- (10) Ecology shall hold a public hearing before any weather modification permit is issued.
