

**WAC 181-02-003 WEST-E transition to other content area tests.**

The board will approve other content area tests either as alternatives or replacements. On the scheduled dates of board approval, tests previously approved that were taken before the scheduled changes will be accepted as meeting the requirements, including subsections that substantially meet the content area requirements as published.

[Statutory Authority: RCW 28A.410.210. WSR 14-24-058, § 181-02-003, filed 11/25/14, effective 12/26/14.]
