

**WAC 182-30-060 How do school employees benefits board (SEBB) organizations and contracted vendors correct enrollment errors?** (1) If a SEBB organization fails to provide notice of benefits eligibility or accurately enroll a school employee or their dependents in benefits, the error will be corrected prospectively with enrollment in benefits effective the first day of the month following the date the error is identified. The health care authority approves all error correction actions and determines if additional recourse, which may include retroactive enrollment, is warranted.

(2) If a SEBB organization errs and enrolls a school employee or their dependents in SEBB insurance coverage when they are not eligible and there was no fraud or intentional misrepresentation by the school employee involved, premiums and any applicable premium surcharges already paid by the school employee will be refunded by the SEBB organization to the school employee. The error will be corrected prospectively with termination of benefits effective the first day of the month following the date the error is identified.
