

**WAC 192-35-010 Definitions.** "Application base" means either the first fifteen applications for vendor in good standing received, or all applications for vendor in good standing received during the first twelve months of the program, whichever is greater at the time an application is being considered.

"Integrated setting" means a setting commonly found in the community (such as a store, office or school) where the individual with a disability comes into contact with nondisabled people who are not providing vocational rehabilitation services or other specialized services to that individual; or a setting commonly found in the community where the individual with a disability comes into contact with nondisabled people as he/she does his/her work. The amount of contact the individual with a disability has with nondisabled people is the same that a nondisabled person in the same type of job would experience.

"Transitioned to a less restrictive employment setting" means any change to an individual's job or work setting, or working conditions that increases that individual's workplace integration, independence from special services or participation in unsubsidized work. Some examples include moving from sheltered to supported employment; or from nonintegrated to integrated employment; or from working for a community rehabilitation program to working for a community employer.
