

WAC 230-15-545 Interruption of card games for more than seven days. (1) If a house-banked card game licensee interrupts card game operations for more than seven days, we determine whether a preoperational review and evaluation (PORE) is needed. The licensee must receive our written approval before resuming operations.

(2) The PORE determines whether:

(a) The licensee has an organizational structure that can support their proposed accounting and administrative controls; and

(b) Internal accounting and administrative controls ensure that the licensee closely controls the gambling activities and accurately records financial information; and

(c) The licensee has enough trained staff; and

(d) The physical layout of the card room and supporting functions can handle the proposed accounting and administrative controls.
