

WAC 230-17-001 Administrative charges and adjudicative proceedings. If we bring administrative charges against anyone, we give an opportunity for an adjudicative proceeding (hearing). We give the opportunity for a hearing to:

- (1) Applicants to determine whether to deny the application; and
- (2) Licensees to determine whether to suspend or revoke the license if they held a license at the time we issued charges against them; and
- (3) Applicants for approval of pull-tab dispensers to determine whether to deny approval of the dispenser.
