

WAC 246-240-054 Radiation protection program changes. (1) A licensee may revise its radiation protection program without department approval if:

(a) The revision does not require a license amendment under WAC 246-240-022;

(b) The revision is in compliance with this chapter and the license;

(c) The revision has been reviewed and approved by the radiation safety officer and licensee management; and

(d) The affected individuals are instructed on the revised program before the changes are implemented.

(2) A licensee shall retain a record of each change in accordance with WAC 246-240-554.
