

WAC 246-341-0430 Agency administration—Treatment facility requirements. Each agency licensed by the department to provide any behavioral health service must ensure that its treatment facility:

- (1) Is not a personal residence;
- (2) Has adequate private space for personal consultation with an individual, staff charting, and therapeutic and social activities, as appropriate;
- (3) Has secure storage of active or closed confidential records; and
- (4) Has separate secure, locked storage of poisonous external chemicals and caustic materials.

[Statutory Authority: 2018 c 201 and 2018 c 291. WSR 19-09-062, § 246-341-0430, filed 4/16/19, effective 5/17/19.]
