

WAC 246-874-070 Nursing students ADDD access. If a facility provides a clinical opportunity for nursing students enrolled in a Washington state nursing commission approved nursing program, a nursing student may access the ADDD only under the following conditions:

(1) Nursing programs shall provide students with orientation and practice experiences that include demonstration of competency of skills prior to using an ADDD;

(2) Nursing programs, health care facilities, and pharmacies shall provide adequate training for students accessing ADDD; and

(3) The nursing commission approved nursing programs, health care facilities, and pharmacies shall have policies and procedures for nursing students to provide medication administration safely, including:

(a) Access and administration of medications by nursing students based on student competencies;

(b) Orientation of students and faculty to policies and procedures related to medication administration and distribution systems; and

(c) Reporting of student medication errors, near misses and alleged diversion.
